QBase Paediatrics: Volume 1, MCQs for the MRCPCH Dec 20 2022 QBase Paediatrics 1 contains 300 questions divided into a number of pre-set exams (with accompanying fully referenced explanatory notes) in both book and electronic format. The free CD-ROM can be installed in seconds and gives the reader an incredible range of options, greatly increasing the utility and value of the book. Not only can the reader practice preset or customized exams, but the program will mark these exams, shuffle the stems (A-E) to prevent the candidate from memorizing 'patterns' and advise on examination strategy. It also has the facility to print out and store test results and provides helpful notes on each question.-- CD ROM massively increases the value and versatility of the questions-- The program is quick to install and is very simple to use -- no specialist computer knowledge needed-- Far more useful and better value than a simple multiple choice question book.
