Becoming a Dad John C. Carr, 2010 Guides prospective fathers in parenting from pregnancy to the third year providing advice for practical and emotional challenges pinpointing developmental milestones and detailing the role of a father in a child's life

All That You Leave Behind Erin Lee Carr, 2019-04-09 A documentary filmmaker and daughter of the late great New York Times columnist David Carr celebrates and wrestles with her father's legacy in a raw redemptive memoir

O The Oprah Magazine A breathtaking read a testimony equal parts love and candor David would have had it no other way Ta Nehisi Coates bestselling author of *Between the World and Me* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY GLAMOUR AND MARIE CLAIRE Dad What will set you apart is not talent but will and a certain kind of humility A willingness to let the world show you things that you play back as you grow as an artist Talent is cheap Me OK I will ponder these things I am a Carr Dad That should matter quite a bit actually not the name but the guts of what that name means A celebrated journalist bestselling author *The Night of the Gun* and recovering addict David Carr was in the prime of his career when he suffered a fatal collapse in the newsroom of The New York Times in 2015 Shattered by his death his daughter Erin Lee Carr at age twenty seven an up and coming documentary filmmaker began combing through the entirety of their shared correspondence 1 936 items in total in search of comfort and support What started as an exercise in grief quickly grew into an active investigation Did her father's writings contain the answers to the question of how to move forward in life and work without her biggest champion by her side How could she fill the space left behind by a man who had come to embody journalistic integrity rigor and hard reporting whose mentorship meant everything not just to her but to the many who served alongside him *All That You Leave Behind* is a poignant coming of age story that offers a raw and honest glimpse into the multilayered relationship between a daughter and a father Through this lens Erin comes to understand her own workplace missteps existential crises and relationship fails While daughter and father bond over their mutual addictions and challenges with sobriety it is their powerful sense of work and family that comes to ultimately define them This unique combination of Erin Lee Carr's earnest prose and her father's meaningful words offers a compelling read that shows us what it means to be vulnerable and lost supported and found It is a window into love with all of its fierceness and frustrations Thank you Erin for this beautiful book Now I am going to steal all of your father's remarkable advice and tell my kids I thought of it Judd Apatow

Penang's great trading families feels alienated from both the Chinese and British communities. He at last discovers a sense of belonging in his unexpected friendship with Hayato Endo, a Japanese diplomat. Philip proudly shows his new friend around his adored island and in return Endo teaches him about Japanese language and culture and trains him in the art and discipline of aikido. But such knowledge comes at a terrible price. When the Japanese savagely invade Malaya, Philip realizes that his mentor and sensei to whom he owes absolute loyalty is a Japanese spy. Young Philip has been an unwitting traitor and must now work in secret to save as many lives as possible even as his own family is brought to its knees.

Blindsight Peter Watts, 2006-10-03 Hugo and Shirley Jackson award winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel *Blindsight*. Two months since the stars fell, two months of silence while a world held its breath. Now some half derelict space probe sparking fitfully past Neptune's orbit hears a whisper from the edge of the solar system, a faint signal sweeping the cosmos like a lighthouse beam. Whatever's out there isn't talking to us. It's talking to some distant star perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist, an informational topologist with half his mind gone as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Your Dad Stole My Rake Tom Papa, 2018-06-05 Stand up comedian and family man Tom Papa explores how we deal with our inescapable relatives and their bizarre behavior. A warm, hilarious book that saws deep into every branch of the family tree and uncovers the most hysterical and surprisingly meaningful aspects of our lives.

Cotton Tenants James Agee, 2013-06-04 A re-discovered masterpiece of reporting by a literary icon and a celebrated photographer. In 1941 James Agee and Walker Evans published *Let Us Now Praise Famous Men*, a 400-page prose symphony about three tenant farming families in Hale County, Alabama, at the height of the Great Depression. The book shattered

journalistic and literary conventions Critic Lionel Trilling called it the most realistic and most important moral effort of our American generation The origins of Agee and Evans s famous collaboration date back to an assignment for Fortune magazine which sent them to Alabama in the summer of 1936 to report a story that was never published Some have assumed that Fortune s editors shelved the story because of the unconventional style that marked Famous Men and for years the original report was presumed lost But fifty years after Agee s death a trove of his manuscripts turned out to include a typescript labeled Cotton Tenants Once examined the pages made it clear that Agee had in fact written a masterly 30 000 word report for Fortune Published here for the first time and accompanied by thirty of Walker Evans s historic photos Cotton Tenants is an eloquent report of three families struggling through desperate times Indeed Agee s dispatch remains relevant as one of the most honest explorations of poverty in America ever attempted and as a foundational document of long form reporting As the novelist Adam Haslett writes in an introduction it is a poet s brief for the prosecution of economic and social injustice

The Last Days of John Lennon Fred Seaman,1992-09-01 An account of the late Beatle s last days discusses Lennon s relationship with Yoko Ono Yoko s heroin use and extramarital affairs Lennon s virtual self imprisonment in the Dakota his battles with Yoko and more Reprint *It's Complicated* Danah Boyd,2014-02-25 Surveys the online social habits of American teens and analyzes the role technology and social media plays in their lives examining common misconceptions about such topics as identity privacy danger and bullying **Billboard** ,1960-05-23 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
