*The Lost Art of Enochian Magic* John DeSalvo, 2010-05-14 A practical guide to Dr John Dee's angelic magic. Contains instructions for performing Enochian magic meditations. Examines John Dee's original diaries from the British Library. Enochian magic is a powerful ancient system for opening portals to heavenly realms and enabling the ascent to God. The basis for many of the modern systems of magic including the Golden Dawn. Enochian magic is named after the biblical prophet Enoch who received the same knowledge and wisdom that was later conveyed to the astrologer to the court of Queen Elizabeth I, Dr John Dee, by angels in the 16th century. In *The Lost Art of Enochian Magic*, John DeSalvo traces the history of magic from the earliest civilizations of the Akadians and Egyptians through the Greco-Roman period and up to the present time to reveal how magic has penetrated and influenced our religious beliefs and practices today. Through his unprecedented investigation into the angelic magic of Dr John Dee during which time he deciphered Dee's original phonetic notations in the margins of Dee's 16th-century diaries, DeSalvo learned to properly reproduce the Enochian calls which act like mantras in opening higher realms and invoking angels, key to this type of magical practice. DeSalvo shows how to use Enochian magic for personal spiritual development and also as protection from negative energies.

**Enochian Magic and the Higher Worlds** John DeSalvo, 2015-03-16 A step-by-step guide to the rituals of Enochian magic for reaching the higher spiritual realms. Reveals missing practical instructions for the Enochian magic system received by John Dee and Edward Kelley. Explains that the angelic realm is only the first and farthest away of the spiritual realms surrounding God. Shows how to connect with the higher worlds beyond the angels to tap more fully in to the magical power of the Divine. In this comprehensive introduction to Enochian magic and beyond, John DeSalvo explains how the magic system transmitted by the angels to John Dee and Edward Kelley in the 16th century has until now remained incomplete and thus not as powerful as the angels intended. Drawing on his in-depth study of John Dee's diaries, DeSalvo explains how Dee and Kelley were given the Enochian tables and calls but their communications with the angels were severed before they received the full practical instructions for Enochian magic. To this day, most magical groups improvise and make up rituals based on their own ideas and imagination; the magic they practice is not true angelic magic. After many successful Enochian magic rituals and years of his own spiritual work, DeSalvo has discovered additional key pieces to the magical system of Dee and Kelley, a system now known as Power Magic. He provides step-by-step instructions for more complete and accurate Enochian magic rituals and reveals how the angelic realm is only the first and farthest away of the spiritual realms surrounding God. He explains how to penetrate this angelic realm with Power Magic to reach higher spiritual worlds and receive more powerful knowledge and energy. He shows that by connecting with the higher worlds beyond the angels, we can tap more fully in to the magical power of the Divine and begin restoring the planetary magic of our most ancient ancestors.

Working backward from the Freemasons to one of their original orders, the 14th-century Knights Templar, the account considers sorcery, heresy, and intrigues, explores the legend that the Knights possessed a powerful secret dangerous to the Church of Rome, and finds an essential clue to the order's practices in their connection to the biblical Solomon, king of Israel in the 10th century BC. This updated edition features new images, chapters on important symbols, and a new preface.

He explores the history behind the famous magician and seer, shows how the system was delivered, explains why it is such a powerful magical tool, and answers many of the questions that people have asked about the nature of the angelic beings. Gain an in-depth knowledge of Enochian magic. Learn how to derive the names of angels from the various tablets. Discover the purpose of the tools. Ponder the mysteries of the more obscure parts of the system with Yechidah's suggestions for what they might mean. **Enochian World of Aleister Crowley** Aleister Crowley, Christopher S. Hyatt, Lon Milo DuQuette, 2008-01-01 Many consider Enochiana the most powerful and least understood system of Western Occult practice. This book makes it truly accessible and easy to understand. Crowley's work was the launching pad for all that followed. Originally published in 1912, it rent the veil of the Inner Order of the Golden Dawn and revealed its most precious jewel for all to see. And now for the first time, the reader is provided with instructions that bridge the gap between the material and spiritual worlds by integrating Enochiana with Sex Magick. Mr. DuQuette and Dr. Hyatt bring over forty years of practical experience in the field to show you how to start using this powerful system right now. It also includes an Enochian dictionary.

**The Enochian Evocation of Dr. John Dee** Geoffrey James, 2009-06-01 Based on the transcriptions of Dr. John Dee, the famous Elizabethan scientist and magus, *The Enochian Evocation of Dr. John Dee* is the translation of the original material received from direct Angelic contact. In 1852, Dee and his partner Edward Kelly, while gazing into a crystal stone, began to see and hear angels. These beings desired to re-establish the true art of magic, which had been lost due to man's wickedness and ignorance. The true magical art, these beings claimed, would bestow superhuman powers upon its practitioners, change the political structure of Europe, and herald the coming of the Apocalypse. Dee believed this research would greatly benefit mankind and documented all of the channeled information into a series of manuscripts and workbooks. Author Geoffrey James presents here the direct translation of the core of the channeled material itself, framed in a historical context with authority and integrity.
