Why Me? Sarah Burtleton,2012-03-08 In the blink of an eye Mom ran up behind me and pushed me into the fence Instinctively I reached out my arms to stop my fall and ended up grabbing the live fence My hands clamped around the thin wires and my body collapsed to the ground as the electricity coursed through it I opened my eyes and saw my mother standing over me with the strangest smile on her face Oh my God I m going to die I thought in panic Imagine never being able to close your eyes and remember the feel of your mother s arms wrapped around you Now imagine closing your eyes and remembering your mother s tears splashing down on your face as she is on top of you crying as she is trying to choke you to death My mother left me these memories and many more during my traumatic childhood After many years of struggling with trying to understand Why Me I took back control of my life and started saying It was me now what am I going to do The answer is my book Why Me It is my childhood journey through the terrors of physical and mental abuse from first grade until the day I moved out It is my way of letting the world know what was really going on behind closed doors Cover p 4
