Last Instructions May 19 2022 The sequel to Three Envelopes, the critically-acclaimed, groundbreaking Mossad thriller by Nir Hezroni Three Envelopes was hailed as a "superior thriller debut" with a "high level of suspense" and "a heart-stopping conclusion" (Publishers Weekly, starred review), guaranteed to "absorb and alarm its readers in equal measure" (Shots Mag). Now in Last Instructions, author Nir Hezroni continues former Israeli secret service operative Agent 10483's story using the same unique, immersive narrative style. Agent 10483, a psychopathic former Israeli spy, is busy trying to shut down the spy organization he once worked for and plotting his revenge against the key individuals who he deems responsible for the Organization's betrayal against him. Now, he's traveling the world in a quest to find a hidden nuclear warhead to use against them. Everyone wants to get their hands on Agent 10483 - the two teams from the Organization; twin assassins who are working in the service of Herr Schmidt, an intelligence organization unto himself who also wants the warhead; and Carmit, a sub-contractor for the Organization who performed transformations on him to manipulate his behavior during the course of his assassination missions abroad. Offering a fascinating behind-the-scenes glimpse into the technology of high-level intelligence operations, Nir Hezroni's dark thriller is a chilling exploration of the mind of a master killer.
