husband and set out on a precarious career as a professional writer committed to socialism Besides translating many leading contemporary authors notably Upton Sinclair into German she herself published an impressive number of politically engaged novels detective stories short stories and children s fairy tales Because of her outspoken opposition to National Socialism she had to flee her native Austria in 1938 and seek refuge in England where she died virtually penniless in 1951 This revised and corrected translation of Zur Muhlen s memoir with extensive notes and an essay on the author by Lionel Gossman will appeal especially to readers interested in women s history the Central European aristocratic world that came to an end with the First World War and the culture and politics of the late nineteenth and early twentieth centuries
