3.1. Setting the year and language

Select the neutral display, turn the crown 3 times quickly in the counter-clockwise direction in position 1; the day of the week and the date will now appear (fig. 3).

Pull the crown out to position 2; the language and year now flash. Slow rotation of the crown enables the year to be changed, while fast rotation enables the language to be selected: F for french, S for spanish, E for english and D for german.

Push the crown back to position 1 after making the setting.
