In Defense of Housing Peter Marcuse, David Madden, 2024-08-27 In every major city in the world there is a housing crisis How did this happen and what can we do about it Everyone needs and deserves housing But today our homes are being transformed into commodities making the inequalities of the city ever more acute Profit has become more important than social need The poor are forced to pay more for worse housing Communities are faced with the violence of displacement and gentrification And the benefits of decent housing are only available for those who can afford it In Defense of Housing is the definitive statement on this crisis from leading urban planner Peter Marcuse and sociologist David Madden They look at the causes and consequences of the housing problem and detail the need for progressive alternatives The housing crisis cannot be solved by minor policy shifts they argue Rather the housing crisis has deep political and economic roots and therefore requires a radical response

Scholarship Reconsidered Ernest L. Boyer, Drew Moser, Todd C. Ream, John M. Braxton, 2015-10-06 Shifting faculty roles in a changing landscape Ernest L Boyer's landmark book *Scholarship Reconsidered: Priorities of the Professoriate* challenged the publish or perish status quo that dominated the academic landscape for generations His powerful and enduring argument for a new approach to faculty roles and rewards continues to play a significant part of the national conversation on scholarship in the academy Though steeped in tradition the role of faculty in the academic world has shifted significantly in recent decades The rise of the non tenure track class of professors is well documented If the historic rule of promotion and tenure is waning what role can scholarship play in a fragmented unbundled academy Boyer offers a still much needed approach He calls for a broadened view of scholarship audaciously refocusing its gaze from the tenure file and to a wider community This expanded edition offers in addition to the original text a critical introduction that explores the impact of Boyer's views a call to action for applying Boyer's message to the changing nature of faculty work and a discussion guide to help readers start a new conversation about how *Scholarship Reconsidered* applies today

Human Trafficking Mary C. Burke, 2013-04-12 Written specifically for undergraduates and graduate students this text is designed to increase the extent to which issues related to human trafficking are understood and addressed *Human Trafficking* makes the expertise of those with experience in the anti slavery movement of this century available to others
