## Wake Up Call Victoria Ashley

**Wake Up Call** Victoria Ashley,2013-08-08 My heart stopped and suddenly it was hard to breathe His voice always had that affect on me It was like poison slowly running through my veins killing me bit by bit Like a drug that I couldn t get enough of even though I was almost down to my last breath Jace took a step forward and grabbed my hand He slowly trailed his fingers over my face and backed me into the wall My heart stopped again if that was even possible You can t leave he whispered I need you His warm breath kissed my lips as he bit his bottom lip and placed both of his hands around my face They were warm and soft to the touch Too big for my fragile face although I wanted to bury myself in them Breathe There is no one here but the two of us Breathe he whispered Avery Hale had spent her whole childhood abused by her drunken drugged up parents Broken from a lifetime of hatred and pain she grew up realizing that trust and love just didn t exist Not in her world at least After turning the age of eighteen she packed up and moved far away determined to escape her painful past and start a new life for herself Once on her own she comes to the conclusion that the emptiness still exists In order to survive she found herself mixed up in exotic dancing and meaningless sexual relationships numb to any emotion for anyone She was sure that her life was worthless and there was nothing left for her this was the best it would get After meeting a beautiful stranger her life suddenly is turned upside down Everything she believed suddenly gets questioned She is left to figure out if there is really more to her than she could ever have imagined Jace having some secrets of his own puts the pain of his own past behind to do what he can to help Avery Can the love of another broken person be enough to help Avery or is she already too far gone Avery s life is pulled in many directions as she tries to find herself and not everyone and thing is what they seem to be in this story of love trust and opening up Finding herself and learning to love herself might just be the hardest thing she s ever had to do

**Wake Up Call** Victoria Ashley,2016-02-23 A broken girl Twenty years old and I d finally had enough I couldn t take anymore so I packed up my things and disappeared leaving behind my drunken abusive father and the mother that stood by and watched as I slowly died I knew I was going but not where I d stop The last thing I expected once on my own was to be spending my nights stripping at a club in Florida barely getting by I should have known running from a past wouldn t make it stop haunting me because misery will always find me and tear me down until there s nothing left of me It always has Things can always change though right Like looking up at a handsome tattooed stranger and with one stare he has me questioning everything I ve ever believed in I wasn t expecting or prepared for someone to storm into my life Not him Jace Montgomery The name I ll never forget The need to save me lies in his eyes but I don t need a savior Trust what he wants to teach me That I m something more than what I ve grown up believing and that I m worth loving Those are the things he wants me to believe How am I supposed to let him in and show me I m something when I ve spent my entire life being nothing He won t give up and honestly I m hoping he never does Because maybe just maybe I am

worth saving after all **Royal Savage** Victoria Ashley,2022-03-23 ROYAL SAVAGE I CAN T CLOSE MY EYES I refuse to Every time I do all I see is blood death and pain I can feel it almost taste it bringing me back to that night It doesn t matter that I m still breathing I no longer need it I no longer want it I despise it along with everything else around me The only thing I long for is to fade away I ve given up Until her at least AVALON She comes into my world knocking me on my a s It turns me on to have her around me Makes me want to wrap my hand around her tight little throat and fu k her until she feels my pain feels the monster in me but also makes me want to protect her from the very thing that she should be afraid of me Once she sees the damage that I m capable of she ll look at me like everyone else around me does with fear AVALON KNIGHT HIS EYES THE DARKNESS IN them draws me to him making me want to taste him feel him and save him I shouldn t have gotten on the back of his motorcycle that day I know that now Colton warned me I was told it was dangerous I was told that nothing would be the same He was right ROYAL is dangerous dark and seductive the very thing that keeps me hanging on willing to give my last breath just to touch him breathe him in He s savage inked and highly captivating So different from his brother He s hazardous to my health mind and body yet the only thing that I crave I want to free him I want to change his mind but I m afraid that he s already too faded *Wreck My World* Victoria Ashley,2022-04-08 The feeling I have in this very moment after not seeing her for so long will haunt me forever reminding me why I left to begin with For as long as I can remember Easton Crews has been off limits As much as it kills me that s never going to change After his little disappearing act three years ago then suddenly showing up out of nowhere I shouldn t want anything to do with him It doesn t matter how beautiful he still is Or how close we once were It shouldn t matter that my entire body lights on fire with need whenever he gets close He chose the worst possible time to leave without so much as a goodbye However just like the first day he walked into our home I m drawn to him needing him near me just as badly as I need air to breathe and I can t stand it I want to hate him I know I should hate him But hating him is the last thing he ll let me do I push he pulls harder until I m completely wrapped up in him my mind lost in the one person who is forbidden the one person I ve always loved even when he belonged to someone else Easton was never meant to be mine It took me years to come to terms with that and now that I finally have he s here right in front of me more irresistible than ever The part I fear the most about that he s the one person capable of completely wrecking my world I m not leaving until you take all of your hate out on me Let me feel it All of it Every dirty look Every nasty word I will have it all before I leave Stop hiding from me **Steal You Away** Victoria Ashley,2020-04-02 She belongs to my brother I ve stood back for years watching Dax repeatedly screw things up with Kennedy as if he doesn t think anyone could ever swoop in and steal her away Breakup after breakup they always end up back together even though I ve always had a thing for her I m tired of waiting He had his chance I want mine When Dixie s Alibi her Grandmother s bar needs a new cook for the food truck I jump at the opportunity despite the fact that Kennedy Ward hates me At least she pretends she does We both know she secretly wants me and always has One way or another I will get her to finally admit it even if it involves losing

my brother I plan to play dirty real dirty just like he did This time I m going to beat him at his own game I wanted her first and he knew that but our age kept us apart Not anymore Now I m grown and ready to take what should ve been mine to begin with Hemy (Walk of Shame #2) Ashley,2014-09-22 My name is Hemy Knox and I m a heartbreaker I ve hurt the one person that means the most to me in life the only woman I have ever loved I let the drugs alcohol and wild lifestyle take over and consume me I got her where I wanted her and ripped her heart out Since then I ve spent countless nights having dirty meaningless sex with a multitude of people only leaving them wanting and begging for more with no regrets Some may even call me the devil soulless They look and judge but there is one thing they don t know no one does I want more than this life of stripping and sleeping around the never ending party I want love and everything that comes with it that high that never ends The problem is I only want it with her Onyx She refuses to be mine again She s smart guarding her heart while ripping mine right out of my chest I can t say that I blame her I always was a dumb ass when it came to the emotions of a woman especially her She wants to see me suffer as much as I made her watch me wither and die at her feet She wants to crush me until I m no longer breathing and I will let her because it hurts far less than not having her as mine I will stop at nothing to make her mine again The pain only drives me harder feeding my fury and giving me a reason to live her Get Off on the Pain Victoria Ashley,2015-09-28 Sexy tattooed and inevitably dangerous Memphis is all that and more I live for the pain it s what drives me to keep moving But there comes a time when one has to push the demons aside in order to survive I thought I buried them deep I thought I was ready to finally live Until my brother Alex he throws me into the fire right into the place I could never control myself the one place I never want to be again When I put my hands on people they get hurt Things happen that bring me back to that night The one that will forever torment me I m doing fine keeping to myself in order to ensure no one gets hurt by me Then along comes Lyric and all I want to do is touch her to put my hands in places that I know will only lead to her being crushed by me She s the rush that I crave The darkest of poison running through my veins killing me bit by bit like a drug I can t get enough of even though I m almost down to my last breath And being around her only hurts more but what she doesn t understand is that I welcome the pain I get off on it which in the end leaves me with the hardest decision of my life one that might get us all killed **Strung** Victoria Ashley,2017-12-04 From New York Times Bestselling author of the Walk of Shame Series comes a new steamy standalone novel Micah Beck is tempting talented and addictive to the last drop Not to mention he s completely confident in all that he does Especially with those fingers and I can t deny that it s such a turn on Micah is the last thing I expect to find wandering around my brother s beach house naked only wearing an acoustic guitar but he s the first thing that has ever had me craving for just one anything goes night My plan was to come visit my brother for the summer and hopefully find a little inspiration for my book at my brother s bar on the beach A little inspiration is more than what I get slapped with Talk about wanting to make love to a voice I never knew exactly what that meant until I heard Micah playing at Vortex but now just the thought of anything that has to do with that man s tongue

leaves my whole body vibrating with a hunger I m not sure I can fight Just one taste One night No strings I m a liar if I said I thought that would be possible because if I thought his guitar playing abilities were hot seeing him in charge demanding orders at Vortex has me completely coming undone and about ready to fall at his feet and give him anything he desires despite the fact that my brother warned us to stay away from each other He s a master at getting whatever he wants with little or no effort at all and I can t help but to hope he wants me Micah is cocky with a body that screams trouble with every rock hard muscle He s wrong in every way and I m completely strung

**Pay for Play** Victoria Ashley,Hilary Storm,2016-06-01 Alphachat com That s all the info you need to get off in the privacy of your own home car or hell even in a public fucking library Whatever gets you wet I never expected a million dollar business to come out of touching myself on camera but when you add in nine of your best guys the women become hungry and the money begins flowing faster than you can spend it You want to see me take my shirt off I ll strip it off nice and slow making you sweat in anticipation You want to see me touch my dick I ll stroke every hard inch of it getting you off before you can even feel it creeping up on you Your money Your Alpha Your demand Now I just hope playing for her on camera will pay off enough for me to claim her outside of the computer screen

**Hard and Reckless** Victoria Ashley,2017-01-30 Cole King the name alone leaves a bad taste in my mouth a reminder of how he broke my trust in the worst way possible My best friend of twenty fucking years He had my back and I had his Always Until he crossed the line Now visions of him sinking between my girl s legs making her scream in all the ways only I should ve been doing haunt me mixed with images of all the ways I can rip his damn throat out I ve tried to forget it and move on but I can t Ways to inflict even just a small portion of the pain he made me feel fucking consumes me Somewhere in his fucked up twisted mind he thought it would be okay to share my girl Now Now he gets to see what it feels like to share what is his Brooke Collins Hopefully she can handle both of us because I intend to make Cole work for her The hard part will be making sure she falls for the right one in the end I don t intend for that to be me At least not until I get a taste of her That one touch alone is enough to change the fucking game

[This Regret](#) Victoria Ashley,2014-02-28 Phoenix has been stumbling through life since her brother Adric s tragic death but after eight years she is finally piecing what remains together She has a nice apartment a steady job and not to mention a fresh new relationship with her childhood friend Kade Haze He s the sexy boy next door she never even dreamed of falling for but can t seem to stop the pull she feels toward him Just when life began to make sense again and a feeling of normalcy was on the horizon Phoenix s carefully constructed walls come crashing down When walking into the tattoo shop one day the last thing she s expecting to see is Kellan Haze Adric s best friend no one has seen or heard from since the day they found her brother s body He s nothing as she remembers him as a child with his wild messy hair tattoos that cover most of his undeniably sexy body and eyes so intense it makes her legs quiver with one look The one thing even she can t deny is the instant rush she feels just by being in his presence But how can you choose between love and lust when one of these hold a dark secret one that can crush your

world to pieces and leave you gasping for air Who can you trust when your mind is pulling you in two different directions and your heart has to choose for you The Haze brothers are sexy daring and possibly dangerous This Regret is a story of love lust betrayal and danger with an ending that no one saw coming **Something for the Pain** Victoria Ashley,2015-09-24

Tempting inked and highly addictive Alex is all that and more I ve made a lot of mistakes ones I m not proud of and definitely ones that have left their marks both mentally and physically Things got lonely I got lost in my own fucked up mind and in the end it left me fucked out of my mind and unable to fight or at least win That life s over for me and I ve moved on Six months into tattooing at Blue s and already I m the most wanted and sought out tattooist My biggest clientele consists of women They come into the shop end up in my bed and we both come out happy It s been my release since I ve stopped fighting It s become part of the new me But when Tripp reappears in my life I can t deny the fact that I would do anything for that girl So when she asks me to move in with her and her boyfriend our other childhood friend I never expected for things to get so fucked up and twisted that I would find myself only more attracted to her by each passing second or wanting to protect her from everything that isn t me I have worked so hard over the years to suppress my feelings for her but when I find out that her and Lucas have been having an open relationship I have the strong urge to rip his heart straight from his chest to destroy the very thing that keeps him breathing What I didn t expect was for Lucas to ask what he did For him to ask me to do the one thing I have secretly longed for since I was old enough to know what the need was The second thing I never expected was the look of need that I saw in Tripp s eyes when he asked One night of free passion could change our lives forever I never said that was a good thing either **Free** Kristen Ashley,2019-01-29

*The Other Black Girl* Zakiya Dalila Harris, 2021-06-01 A Hulu Original Series Coming Soon Riveting, fearless, and vividly original. Emily St. John Mandel, New York Times bestselling author, this instant New York Times bestseller explores the tension that unfurls when two young Black women meet against the starkly white backdrop of New York City book publishing. Twenty-six-year-old editorial assistant Nella Rogers is tired of being the only Black employee at Wagner Books. Fed up with the isolation and microaggressions, she's thrilled when Harlem-born and bred Hazel starts working in the cubicle beside hers. They've only just started comparing natural hair care regimens, though when a string of uncomfortable events elevates Hazel to Office Darling and Nella is left in the dust. Then the notes begin to appear on Nella's desk: LEAVE WAGNER NOW. It's hard to believe Hazel is behind these hostile messages. But as Nella starts to spiral and obsess over the sinister forces at play, she soon realizes that there's a lot more at stake than just her career. Having joined Wagner Books to honor the legacy of *Burning Heart*, a novel written and edited by two Black women, she had thought that this animosity was a relic of the past. Is Nella ready to take on the fight of a new generation? Poignant, daring, and darkly funny, *The Other Black Girl* will have you stressed and exhilarated in equal measure through the very last twist.

[Cale \(Walk of Shame #3\)](#) Victoria Ashley, 2015-07-04 My name is Cale Kinley, and I'm a virgin. Well, with the exception of my tongue. The countless things I can do with my tongue are bound to leave you breathless and begging for more, but more is something that I can't give. It's a choice, my choice. There's a reason for that. A very good reason, and that reason is her, Riley. She's the only woman that I want to bury myself deep in. The one woman I have wanted since I was old enough to fuck. I never got my chance, though, because she left. She had no choice, and it stung like hell. But I couldn't let her leave without telling her how I felt. I wanted her to be my first, and I didn't give a shit how long I'd have to wait. It's been six years, and now she's back, and sexier than hell. Just the sight of her stops my heart.

from beating I want her and for more than just having her as my first I m determined to have her in every way possible She thinks this is still a game that I ve already given myself to countless women What she doesn t know is that I have a lot of willpower When I want something as badly as I want her I don t let shit stand in my way I m going to prove that to her There s just one little problem I need to take care of him
