**Information Now** Matt Upson,C. Michael Hall,Kevin Cannon,2015-10-26 Every day researchers face an onslaught of irrelevant inaccurate and sometimes insidious information While new technologies provide powerful tools for accessing knowledge not all information is created equal Valuable information may be tucked away on a shelf buried on the hundredth page of search results or hidden behind digital barriers With so many obstacles to effective research it is vital that higher education students master the art of inquiry Information Now is an innovative approach to information literacy that will reinvent the way college students think about research Instead of the typical textbook format it uses illustrations humor and reflective exercises to teach students how to become savvy researchers Students will learn how to evaluate information to incorporate it into their existing knowledge base to wield it effectively and to understand the ethical issues surrounding its use Written by two library professionals it incorporates concepts and skills drawn from the Association of College and Research Libraries Information Literacy Competency Standards for Higher Education and their Framework for Information Literacy for Higher Education Thoroughly researched and highly engaging Information Now offers the tools that students need to become powerful consumers and creators of information Whether used by a high school student tackling a big paper an undergrad facing the newness of a university library or a writer wanting to go beyond Google Information Now is a powerful tool for any researcher s arsenal     This Book Will Not Be on the Test Paul Smith Rivas,2019-02-15 The problem with higher education today is that colleges are not transparent about their students academic lives so families don t know what their students should experience or accomplish in college This book is part on the ground college insider tell all memoir and part study skills Bible It s brutally honest relatable and entirely free of jargon and alerts parents to a huge problem in American education today that high school doesn t prepare students to thrive in college Offering explicit study skills solutions for the academic financial and mental health problems caused by this unfortunate reality this book helps students parents teachers and administrators have more rewarding experiences in schools to the great benefit of themselves and their school communities It shows students how to learn more and earn better grades in less time so that they can make the most of their college investment parents what they can expect from their kids college experiences and administrators what the schoolwork is really like at the level below or above their current professional context Every parent will recognize their college bound children in several of the chapters     *The Complete Book of American Facts and Games* Cathryn J. The 8th Habit Stephen R. Covey,2013-01-08 In the 7 Habits series international bestselling author Stephen R Covey showed us how to become as effective as it is possible to be In his long awaited new book THE 8th HABIT he opens up an entirely new dimension of human potential and shows us how to achieve greatness in any position and any venue All of us Covey says have within us the means for greatness To tap into it is a matter of finding the right balance of four human attributes talent need conscience and passion At the nexus of these four attributes is what Covey calls voice the unique personal significance we each possess Covey exhorts us all to move beyond effectiveness into the realm of greatness and he shows us how to do so by engaging our strengths and locating our powerful individual voices Why do we need this new habit Because we have entered a new era in human history The world is a profoundly different place than when THE 7 HABITS OF HIGHLY EFFECTIVE PEOPLE was originally published in 1989 The challenges and complexity we face today are of a different order of magnitude We enjoy far greater autonomy in all areas of our lives and along with this freedom comes the expectation that we will manage ourselves instead of being managed by others At the same time we struggle to feel engaged fulfilled and passionate Tapping into the higher reaches of human genius and motivation to find our voice requires a new mindset a new skill set a new tool set in short a whole new habit

**One Way or Another** Kara McDowell,2020-10-06 Sliding Doors meets To All the Boys I ve Loved Before in a sweet smart holiday romance about a girl who decides to stop letting her anxiety stand in the way of true love The average person makes 35 000 decisions every single day That s about 34 999 too many for Paige Collins who lives in debilitating fear of making the wrong choice The simple act of picking an art elective is enough to send her into a spiral of what ifs What if she s destined to be a famous ceramicist but wastes her talent in drama club What if there s a carbon monoxide leak in the ceramics studio and everyone drops dead Grim but possible That s why when Paige is presented with two last minute options for Christmas vacation she s paralyzed by indecision Should she go with her best friend and longtime crush Fitz to his family s romantic mountain cabin Or should she accompany her mom to New York a city Paige has spent her whole life dreaming about Just when it seems like Paige will crack from the pressure of choosing fate steps in in the form of a slippery grocery store floor and Paige s life splits into two very different parallel paths One path leads to New York where Paige falls for the city and the charms of her unexpected tour guide The other leads to the mountains where Paige might finally get her chance with Fitz until her anxiety threatens to ruin

everything However before Paige gets her happy ending in either destiny she ll have to face the truth about her struggle with anxiety and learn that you don t have to be perfect to deserve true love **Love and Pomegranates** Meghan
