Going There Katie Couric,2021-10-26 This heartbreaking hilarious and brutally honest memoir shares the deeply personal life story of a girl next door and her transformation into a household name For more than forty years Katie Couric has been an iconic presence in the media world In her brutally honest hilarious heartbreaking memoir she reveals what was going on behind the scenes of her sometimes tumultuous personal and professional life a story she s never shared until now Of the medium she loves the one that made her a household name she says Television can put you in a box the flat screen can flatten On TV you are larger than life but smaller too It is not the whole story and it is not the whole me This book is Beginning in early childhood Couric was inspired by her journalist father to pursue the career he loved but couldn t afford to stay in Balancing her vivacious outgoing personality with her desire to be taken seriously she overcame every obstacle in her way insecurity an eating disorder being typecast sexism challenges and how she dealt with them setting the tone for the rest of her career Couric talks candidly about adjusting to sudden fame after her astonishing rise to co anchor of the TODAY show and guides us through the most momentous events and news stories of the era to which she had a front row seat Rodney

King Anita Hill Columbine the death of Princess Diana 9 11 the Iraq War In every instance she relentlessly pursued the facts ruffling more than a few feathers along the way She also recalls in vivid and sometimes lurid detail the intense pressure on female anchors to snag the latest get often sensational tabloid stories like Jon Benet Ramsey Tonya Harding and OJ Simpson Couric s position as one of the leading lights of her profession was shadowed by the shock and trauma of losing her husband to stage 4 colon cancer when he was just 42 leaving her a widow and single mom to two daughters 6 and 2 The death of her sister Emily just three years later brought yet more trauma and an unwavering commitment to cancer awareness and research one of her proudest accomplishments Couric is unsparing in the details of her historic move to the anchor chair at the CBS Evening News a world rife with sexism and misogyny Her welcome was even more hostile at 60 Minutes an unrepentant boys club that engaged in outright hazing of even the most established women In the wake of the MeToo movement Couric shares her clear eyed reckoning with gender inequality and predatory behavior in the workplace and downfall of Matt Lauer a colleague she had trusted and respected for more than a decade Couric also talks about the challenge of finding love again with all the hilarity false starts and drama that search entailed before finding her midlife Mr Right Something she has never discussed publicly why her second marriage almost didn t happen If you thought you knew Katie Couric think again Going There is the fast paced emotional riveting story of a thoroughly modern woman whose journey took her from humble origins to superstardom In these pages you will find a friend a confidante a role model a survivor whose lessons about life will enrich your own *Almost, Maine* John Cariani,2007 THE STORY On a cold clear moonless night in the middle of winter all is not quite what it seems in the remote mythical town of Almost Maine As the northern lights hover in the star filled sky above Almost s residents find themselves falling in and
