Kerr on the Law and Practice as to

Receivers Appointed by the High Court of Justice Or Out of Court Raymond Walton,1963 **Principles of Corporate Insolvency Law** Royston Miles Goode,2011 Principles of Insolvency Law is widely regarded as the text on Insolvency law Professor Sir Roy Goode s reputation as the doyen of commercial law has established a unique position for the Work as a leading authority in the field The book provides a clear and concise treatment of the general philosophical principles underpinning Insolvency law It works as an introduction to this complex area and as such it has a broad market ranging from students and newly qualified practitioners to barristers in Court *The Law of Companies* Thomas B. Courtney,2017-01-11 The fourth edition of the leading company law textbook provides the most authoritative and comprehensive commentary on Irish company law following the commencement of the Companies Act 2014 The Companies Act 2014 makes the most far reaching and fundamental changes to Irish company law in two generations putting forward a radically different approach whereby the private company limited by shares will become the new model company The structure of the fourth edition of this highly regarded title mirrors this new Act The Act comprises over 1 448 Parts and represents the modern statement of the law applicable to the formation of companies administration and management to their winding up and dissolution incorporating the rights and duties of their officers members and creditors The Act commences on 1 June 2015 and introduces significant changes for companies operating in Ireland This work has been expanded and revised to account for these legislative changes and important case law As chairperson of the Company Law Review Group whose recommendations greatly informed the new Act and as a leading practitioner of company law Tom Courtney has a unique insight to the new legislation its purpose and interpretation The fourth edition is virtually a complete re write and at approximately 2 900 pages it is some 400 pages longer than the last edition Fully updated to take account of the dozens of judgments from the Irish and UK courts that have been delivered since the previous edition as well as the new statutory provisions the fourth edition of *The Law of Companies* is a must have for all practitioners students and users of Irish company law [Finding, Freezing and Attaching Assets](#) Jacob C. Jørgensen,2016-03-21 Because of the rise in cross border disputes and due to the ease with which assets can be moved around the world with the help of online banking and fiduciary service providers parties are increasingly finding themselves suing or being sued outside their home jurisdictions This book is about how to find out whether a defendant has any assets before initiating costly litigation arbitration or insolvency proceedings and if so how to freeze such assets with the aim of eventually enforcing a judgment or award Nineteen country chapters by lawyers with decades of hands on experience in helping their clients find freeze and attach defendants assets provide practical guidance to legal professionals representing parties in cross border commercial lawsuits international arbitration proceedings simple debt collection matters enforcement proceedings divorce proceedings inheritance matters and other legal matters where the assets in dispute are thought to be located abroad Each contribution offers an overview of the pre trial asset tracing techniques and rules regulating freezing orders and enforcement methods in the jurisdiction covered describing not just

what the law says but how the law actually works The jurisdictions covered include several of the offshore havens that are frequently used to hide assets in The authors attend to such issues and topics as the following investigating whether a potential counterparty owns vessels aircrafts motor vehicles real estate or intellectual property rights locating offshore trusts discovering assets transferred to a family member or corporate entity exposing sham investments designed to generate a fictitious loss of assets and invoking remedies available to a party facing asset shielding manoeuvres This book will quickly become an indispensable tool for international litigators arbitration lawyers and lawyers involved in cross border insolvency and debt recovery proceedings as well as for academics and scholars involved in legal research projects or law reform programs Renowned litigator Robert Shapiro says in his Foreword The authors provide the reader with practical guidance into the complex area of cross border asset tracing and do so in a very down to earth way without the academic hyperbole that generally burdens modern legal textbooks

Pensions, Contracts and Trusts: Legal Issues on Decision Making

David Pollard,2020-05-10 This is a topical area for the courts which have moved to imply various limitations or tests on decision makers powers and when they can be challenged This is made more difficult for lay users and lawyers alike in that implied restrictions are by definition not apparent from the words of the relevant contract itself These limits are applied by the courts not just to fiduciaries such as trustees or directors but also to non fiduciaries eg banks and employers Recent case law includes Pitt v Holt SC trustee decisions 2013 Braganza SC contractual discretions 2015 Eclairs SC directors powers proper purposes 2015 IBM UK Holdings v Dalgleish CA employer powers under pension plans 2017 British Airways CA pension plan proper purposes 2018 The book reviews the relevant doctrines of Interpretation rules Proper purposes Due consideration of relevant factors Full perversity no reasonable decision maker

Admiralty Jurisdiction and Practice Nigel Meeson,John Kimbell,2017-11-27 Admiralty Jurisdiction and Practice is the definitive work on litigation in the Admiralty Court It provides unrivalled commentary and analysis of the key principles of admiralty law from jurisdiction and procedure to forms and precedents and is firmly established as the leading reference guide for today s maritime practitioner The authors also deal with several topics not covered elsewhere including the impact of insolvency the interplay between jurisdiction and practice limitation periods the role of international conventions and collision action rules The fifth edition has been fully updated to include new case law and vital changes in Commercial Court practice and procedure It also includes brand new material on the topical jurisdictions of Hong Kong and South Africa including a comparison to English law and expert commentary on important issues such as ship arrest This book is a first choice for all those concerned with admiralty law
