Now in its third generation, having unveiled the new F-Series in 2014, BMW MINI offers 3- and 5-door hatchback models and convertibles, the estate Clubman, the five-door Countryman, the Coupe, the Roadster and the three-door crossover Paceman. MINI enthusiast and motoring journalist Sophie Williamson-Stohtert explores the journey from 1959 to the present day, covering design and development of the new MINI, launch and reception by the press, its many model variations and special editions, and an owner's and buyer's guide.
