*realistic practice experience. Practice quizzes for each chapter on the Evolve website help your test comprehension and prepare you for classroom and board exams. Expert author Betty Ladley Finkbeiner imparts knowledge and advice from years of teaching and practical experience and wide reach in dental assisting education. Key terminology defined in the chapter's glossary and called out in boldface color within chapter discussions helps you to understand dental practice and clinical dentistry terminology essential to the success of any office manager. Learning Activities and Practice Notes encourage you to apply the content to realistic office situations and convey important tips and advice. Learning outcomes at the beginning of each chapter frame the content and serve as checkpoints for comprehension and study. Summary tables and boxes provide easy-to-read summaries of text discussions that support visual learners and serve as useful review and study tools. Bibliographical citations direct you to targeted sources of information where additional dental-related information can be located. Appendixes provide supplemental information for quick and handy office reference. NEW! Content includes the latest information on alternative workforce models, dental insurance and reimbursement, production, and inventory planning UPDATED! Art program with modern illustrations and photographs helps you to understand today's office environment, tools, and equipment. EXPANDED and IMPROVED! Test Bank with cognitive leveling and mapping to the Dental Assisting National Board (DANB) test blueprint. Reinforce your understanding of dental assisting concepts and practice essential skills! With chapters corresponding to the chapters in Essentials of Dental Assisting, 7th Edition, this student workbook provides a variety of exercises and activities to help you master the role and responsibilities of the dental assistant. Learning activities include review questions, competency sheets, and handy flashcards, each applying your knowledge to preclinical and clinical procedures. It's an ideal study tool to use in dental assisting courses and to prepare for national board and state certification exams! Chapter exercises test your recall and comprehension of the material with short answer, multiple choice, fill-in-the-blank, matching, true/false, and labeling for dental anatomy and charting. Correlation with the textbook makes it easy to move between the chapters in the main text and the competency sheets and exercises in the workbook. Correlation with the online Interactive Dental Office provides engaging exercises for the patient cases on the Evolve website. Competency sheets allow you to practice a skill until you have mastered it, and provide a convenient template for self-, peer-, or instructor evaluation. Cases with short-answer questions let you apply*

*concepts to the practice setting. Removable flashcards quiz you about the sciences, medical emergencies, infection control, radiography, dental materials, instruments, and dental procedures, helping you prepare more effectively for courses and also for national board and state certification exams. Perforated pages allow users to detach exercises for classroom evaluation and competency forms for use in clinical evaluation settings. NEW! Updated content reflects changes to the Essentials of Dental Assisting, 7th Edition textbook, in areas such as the electronic health record, preventive techniques, the impact of the Affordable Care Act, and cultural diversity. Contains fully worked-out solutions to all of the [odd-numbered exercises] in the text, giving you a way to check your answers. Learn more effectively with a wealth of interactive exercises for practice, reinforcement, and recall! An indispensable companion to the textbook, the Student Workbook for The Administrative Dental Assistant, 6th Edition combines the key objectives and content of the book with challenging exercises — putting the information you need into a practical context. Separated by chapter for easy correlation to the text, the workbook contains chapter summaries; learning objectives; short-answer, matching, multiple-choice, and/or fill-in-the-blank questions; case scenarios followed by critical thinking questions; and fun puzzles to reinforce key terminology. The Dentrax Learning Edition practice management software, combined with original exercises in the workbook, help you learn to use the software and prepare for your career. New content covers navigating dental office technology, communication and social media, and more.*
