*Finlay Donovan Is Killing It Aug 11 2022 "Getting the job done" for one single mom takes on a whole new meaning in Finlay Donovan is Killing It. A USA Today bestseller! One of Suspense Magazine's "Best Thrillers of 2021" One of New York Public Library's Best Books of 2021 Nominated for the Left Coast Crime 2022 Lefty Award for the Best Humorous Mystery "Finlay Donovan is irresistible!"—Janet Evanovich Finlay Donovan is killing it . . . except, she's really not. She's a stressed-out single-mom of two and struggling novelist, Finlay's life is in chaos: the new book she promised her literary agent isn't written, her ex-husband fired the nanny without telling her, and this morning she had to send her four-year-old to school with hair duct-taped to her head after an incident with scissors. When Finlay is overheard discussing the plot of her new suspense novel with her agent over lunch, she's mistaken for a contract killer, and inadvertently accepts an offer to dispose of a problem husband in order to make ends meet . . . Soon, Finlay discovers that crime in real life is a lot more difficult than its fictional counterpart, as she becomes tangled in a real-life murder investigation. Fast-paced, deliciously witty, and wholeheartedly authentic in depicting the frustrations and triumphs of motherhood in all its messiness, hilarity, and heartfelt moment, Finlay Donovan Is Killing It is the first in a brilliant new series from YA Edgar Award nominee Elle Cosimano.*

*Ungifted Mar 18 2023 Donovan, whose real gift is getting into trouble, finds himself at an academy for gifted students! Donovan is definitely skilled . . . at getting into trouble. And when one of his thoughtless pranks accidentally destroys the school gym during the Big Game, with the superintendent watching, he knows he's in for it. Suspension at best, maybe expulsion. Either way, a lawsuit and paying for damages. But through a strange chain of events, his name gets put on the list for the local school for gifted students: the Academy for Scholastic Distinction. Donovan knows he's not a genius, but he can't miss this chance to escape. Now, he has to figure out a way to stay at ASD -- and fit in with*

*the kids there. And who knows, maybe his real gift will come to light . . . A new story from the master of middle-grade and YA humour Gordon Korman, Ungifted is a funny exploration of the special (and often surprising) talents that make each of us gifted in our own way.*

*It's All a Game Oct 25 2023 "[A] timely book...It's All a Game provides a wonderfully entertaining trip around the board, through 4,000 years of game history."—The Wall Street Journal Board games have been with us longer than even the written word. But what is it about this pastime that continues to captivate us well into the age of smartphones and instant gratification? In It's All a Game, British journalist and renowned games expert Tristan Donovan opens the box on the incredible and often surprising history and psychology of board games. He traces the evolution of the game across cultures, time periods, and continents, from the paranoid Chicago toy genius behind classics like Operation and Mouse Trap, to the role of Monopoly in helping prisoners of war escape the Nazis, and even the scientific use of board games today to teach artificial intelligence how to reason and how to win. With these compelling stories and characters, Donovan ultimately reveals why board games--from chess to Monopoly to Settlers of Catan, and more--have captured hearts and minds all over the world for generations.*

*The Decent Proposal Jan 28 2024 "A sharp, wise, and hilarious novel. . . . We*

*loved it!” — Lucy Sykes & Jo Piazza, authors of The Knockoff An addictively readable romantic comedy, drama, and mystery rolled into one, about two very different strangers whose lives become intertwined when they receive an unusual proposition. The Decent Proposal is a funny, tender, and enchanting story about love, attraction, and friendship: Jane Austen in Los Angeles. A struggling Hollywood producer, Richard Baumbach is twenty-nine, hung-over, and broke. Ridiculously handsome with an innate charm and an air of invincibility, he still believes good things will come his way. For now he contents himself with days at the Coffee Bean and nights with his best friend Mike (that’s a woman, by the way). At thirty-three, Elizabeth Santiago is on track to make partner at her law firm. Known as “La Máquina” The Machine—to her colleagues, she’s grown used to avoiding anything that might derail her quiet, orderly life. And yet recently she befriended a homeless man in her Venice neighborhood, surprised to find how much she enjoys their early-morning chats. Richard and Elizabeth’s paths collide when they receive a proposal from a mysterious, anonymous benefactor. They’ll split a million dollars if they agree to spend at least two hours together—just talking—every week for a year. Astonished and more than a little suspicious, they each nevertheless say yes. Richard needs the money and likes the adventure of it. Elizabeth embraces the challenge of shaking up her life a little more. Both agree the idea is ridiculous, but why not? What ensues is a delightful journey full of twists, revelations, hamburgers, classic literature, poppy music, and above all love, in its multitude of forms. The Decent Proposal is a heartfelt and often hilarious look at the ties that bind not just a guy and a girl but an entire, diverse cast of characters situated within a modern-day Los Angeles brought to full and irrepressible life.*

*Our Lady of Perpetual Hunger Mar 30 2024 Named a Favorite Book for Southerners in 2020 by Garden & Gun "Donovan is such a vivid writer—smart,*

*raunchy, vulnerable and funny— that if her vaunted caramel cakes and sugar pies are half as good as her prose, well, I'd be open to even giving that signature buttermilk whipped cream she tops her desserts with a try.”—Maureen Corrigan, NPR Noted chef and James Beard Award-winning essayist Lisa Donovan helped establish some of the South's most important kitchens, and her pastry work is at the forefront of a resurgence in traditional desserts. Yet Donovan struggled to make a living in an industry where male chefs built successful careers on the stories, recipes, and culinary heritage passed down from generations of female cooks and cooks of color. At one of her career peaks, she made the perfect dessert at a celebration for food-world goddess Diana Kennedy. When Kennedy asked why she had not heard of her, Donovan said she did not know. "I do," Kennedy said, "Stop letting men tell your story." OUR LADY OF PERPETUAL HUNGER is Donovan's searing, beautiful, and searching chronicle of reclaiming her own story and the narrative of the women who came before her. Her family's matriarchs found strength and passion through food, and they inspired Donovan's accomplished career. Donovan's love language is hospitality, and she wants to welcome everyone to the table of good food and fairness. Donovan herself had been told at every juncture that she wasn't enough: she came from a struggling southern family that felt ashamed of its own mixed race heritage and whose elders diminished their women. She survived abuse and assault as a young mother. But Donovan's salvations were food, self-reliance, and the network of women in food who stood by her. In the school of the late John Egerton, OUR LADY OF PERPETUAL HUNGER is an unforgettable Southern journey of class, gender, and race as told at table.*
