Spymaster Apr 08 2021 Scot Harvath must do whatever it takes to prevent the United States from being dragged into a deadly war in this heart-pounding thriller from the #1 "New York Times"-bestselling author Thor. Tall Premium Edition.

The Recruit Jan 30 2023 This thrilling short story from New York Times bestselling author Brad Taylor features Taskforce operators Knuckles and Decoy, who stumble upon an audacious plot when they least expect it... When Taskforce operator Knuckles brings his old friend Decoy, a former teammate from the Navy SEALs, to Lima, Peru, he wonders if he's made a mistake. Knuckles' only objective is to assess Decoy's covert surveillance skills on an orientation deployment, the final step before any recruit is accepted into the extralegal counterterrorist organization known as the Taskforce. Just when Decoy's wild side threatens to expose their cover as technicians working for the embassy—and derail his chances of becoming a full member of the Taskforce—the two uncover an unexpected piece of intelligence involving the terrorist group, the Shining Path, that causes their mission to go from evaluation to operational. With no backup and a flimsy cover story, Knuckles and Decoy find themselves in murky territory, relying on the help of an untried asset to prevent a devastating attack on countless innocents. Includes an excerpt of the Pike Logan novel, The Forgotten Soldier.

Gut Instinct Feb 28 2023 New York Times bestselling author Brad Taylor delivers an action-packed short story that sets Pike Logan's partner Jennifer Cahill against a fellow Taskforce operator in a mission that will put their authority, careers, and innocent lives on the line. Fresh off of a brutal mission with the Taskforce—a top secret counter-terrorist unit that operates outside the bounds of U.S. law—Pike Logan and Jennifer Cahill are still dealing with its aftereffects. With his injuries on the mend, Pike is forced to let Jennifer take the lead when another Taskforce team asks for her help. But when her stint spying on two women suspected of involvement in a terrorist plot leads her in another direction, the team leader won't take her seriously. Butting heads with Pike costs them credibility, but Jennifer won't let it go. Determined to uncover the true target, Pike must trust Jennifer's instincts more than ever. Being wrong means risking their reputations and future with the Taskforce, but being right means averting a threat that nobody else can see. A threat that may be bigger than they can handle. Includes an excerpt of the Pike Logan novel, The Forgotten Soldier.

American Traitor Nov 08 2023 "Few authors write about espionage, terrorism, and clandestine hit squads as well as Taylor does."—Houston Press Pike Logan is on the desperate hunt for a man who is about to betray his country—and ignite a horrific new world war—in this pulse-pounding thriller from New York Times bestselling author and former special forces officer Brad Taylor Pike Logan and Jennifer Cahill are enjoying a sunny vacation down under when they get disturbing news: their friend and colleague Clifford Delmonty is in serious trouble. While working as a contractor at an Australian F-35 facility, the former Taskforce member—callsign Dunkin—saw something he shouldn't have, and now he's on the run from Chinese agents. Pike and Jennifer soon discover that Dunkin's attackers are a dangerous link to a much larger scheme that could launch a full-on conflict between China and Taiwan. In its quest for dominance, China is determined to reclaim Taiwan—a pivotal ally the United States has sworn to protect. Pike learns that the Chinese have a devious plan to bait the island nation into all-out war by destabilizing the government and manipulating an artificial intelligence defense system. As the threat reaches a boiling point, Pike alone realizes that what they're seeing isn't actually real. A soldier who has always been trained to fight and win, Pike must now track down and neutralize the missing man who holds the key. With the help of Jennifer, the Taskforce team, and a brave Taiwanese intelligence agent, he races to prevent a catastrophic conflict from consuming a whole region of the world.

The Polaris Protocol Aug 25 2022 Taskforce operators Pike Logan and Jennifer Cahill are used to putting their lives at risk, but in this thrilling New York Times bestseller, one of their own family gets caught up in untold danger... As an investigative reporter working on the Mexican drug cartels, Jack Cahill has unknowingly gotten caught between two rival groups. His desperate call to his sister is his last before he's kidnapped. In their efforts to rescue Jack, Pike and Jennifer uncover a plot much more insidious than illegal drug trafficking—the cartel that put a target on Jack's back has discovered a GPS hack with the power to effectively debilitate the United States. With the GPS hack about to be exploited and Jack's life at stake, Jennifer and Pike must find a way to eliminate the impending threat. The price of failure, for both the Taskforce and the country, is higher than ever.

All Necessary Force Mar 12 2024 An attack is imminent. The Taskforce – a highly classified Special Forces unit – is left reeling. One of their own has been killed in action. Another is barely alive. There's only one option left... The Taskforce recruits Pike Logan, an unstable operator with an agenda of his own, when more disaster strikes. A weapon of unthinkable power heads to the US. The one area the Taskforce cannot operate in. Will their home turf be the one place the Taskforce is forbidden to save? Perfect for fans of Lee Child, James Deegan and David Baldacci. Praise for Brad Taylor: 'It's an excellent read, and I greatly enjoyed it' Nelson DeMille. 'Pike ranks right up there with Jason Bourne, Jack Reacher and Jack Bauer' John Lescroart. 'Logan is a tough, appealing hero you're sure to root for' Joseph Finder. 'Fresh plot, great actions, and Taylor clearly knows what he is writing about' Vince Flynn.

Use of Force Mar 20 2022 After the body of a high-value terrorism suspect washes ashore on the coast of Italy, covert counterterrorism operative Scot Horvath must stop an ISIS-led plot to destroy the Vatican in this pulse-pounding thriller by #1 "New York Times"-bestselling author Thor. Tall Premium Edition.

The Insider Threat Nov 15 2021 In the eighth action-packed thriller in the New York Times bestselling Pike Logan series, ISIS, the most maniacal terrorist organization the modern world has ever seen, is poised to make their most audacious strike yet. The United States has anticipated and averted countless attacks from terrorist groups—thanks in large part to the extralegal counterterrorist unit known as the

Taskforce. But now, a much more insidious evil is about to shatter the false sense of safety surrounding civilized nations. While world powers combat ISIS on the battlefield, a different threat is set in motion by the group—one that can't be defeated by an airstrike. Off the radar of every Western intelligence organization, able to penetrate America or any European state, they intend to commit an act of unimaginable barbarity. Only Pike Logan and the Taskforce stand in the way of an attack no one anticipates, a grand deception that will wreak unthinkable chaos and reverberate throughout the Western world.

An Indian Among Los Indígenas Oct 15 2021 "Memoir by Ursula Pike (Karuk) of her time serving with the Peace Corps in Bolivia. Focusing on international travel from a California Indian perspective, the memoir asks what it means to be both colonizer and colonized, and inquires into the challenges of building relationships between Indigenous groups from very different places"--

Days of Rage Mar 08 2021 Pike Logan and the Taskforce are used to being the hunters. But in this explosive "thriller that really thrills" (Publishers Weekly) from New York Times bestselling author Brad Taylor, they are the hunted... Intent on embroiling the US in a quagmire that will sap its economy and drain its legitimacy, Russia passes a potential weapon of mass destruction to Boko Haram, an extreme Islamic sect in Nigeria. The Russian FSB believes the weapon, a relic of the Cold War, has deteriorated and is no longer effective, but they are wrong. Boko Haram has the means for mass destruction, which will be set loose upon a multitude of unsuspecting innocents on one of the world's grandest stages. Trying to uncover who might be stalking them, Pike Logan and the Taskforce have no idea what has been set in motion. But there is another secret from the Cold War buried in the Russian FSB, and exposing it will mean the difference between life and death for millions.

All Necessary Force - Todeszone USA Oct 27 2022 Die Taskforce - von der US-Regierung gegründet, um außerhalb des US-Rechts im Geheimen agieren zu können. Ihre Existenz ist ebenso wichtig wie illegal. Bei einem Einsatz in Ägypten kommt es zu einem Anschlag auf die Taskforce. Ein Mann stirbt, ein weiterer überlebt nur um Haaresbreite. Pike Logan und seine Partnerin Jennifer Cahill sind gezwungen, die gefährliche Mission auf eigene Faust zu Ende zu führen - und geraten dabei zwischen alle Fronten ... Aber das ist noch ihr geringstes Problem: Verschwörer sind dabei, ihre Heimat mit einer gewaltigen Waffe zu vernichten. Doch Mitgliedern der Taskforce ist es verboten, in den USA zu agieren. Darf Pike das Gesetz brechen? Oder soll Amerika wirklich das einzige Land sein, das Pike Logan nicht schützen kann? Brad Taylor erzählt mit unvergleichlichem Realismus, und das ist kein Wunder, denn er war viele Jahre lang Mitglied in einigen Spezialeinheiten, darunter acht Jahre in der Delta Force (zuletzt bei Einsätzen im Irak und Afghanistan). Kirkus Reviews: »Super geschrieben, spannend, und verdammt guter Lesestoff.« Blackfive: »In seinen Romanen erkennt man ganz klar Taylors Erfahrungen im Antiterrorkampf. Liest man seine Bücher, muss man sich fragen: Was ist echt, und was ist erfunden?« Brad Taylor ist der Bestsellerautor der Pike Logan-Romane. Er wurde auf Okinawa, Japan, geboren, wuchs aber im ländlichen Texas auf. Nach seinem Universitätsabschluss ging er zur US-Armee und verließ sie nach 21 Jahren als Oberstleutnant. Während dieser Zeit war er in der Infanterie und in Spezialeinheiten tätig (acht Jahre in der Delta Force), zuletzt bei Einsätzen im Irak und Afghanistan. Wenn er nicht schreibt, arbeitet Brad für verschiedene Firmen als Sicherheitsberater. Er lebt in Charleston, South Carolina, mit seiner Frau und zwei Töchtern.

Peacekeepers at War Aug 13 2021 On October 23, 1983, nearly simultaneous suicide truck bombings killed 241 U.S. peacekeepers in their barracks at the Beirut International Airport (BIA) and 58 French paratroopers at their headquarters two miles north of BIA. In this long-awaited book, the Marine Corps commander of the U.S. Multi-National Peacekeeping Force that was destroyed by terrorists in Lebanon tells his story for the first time. Together, these suicide bombings comprised the largest nonnuclear explosion ever recorded and are now recognized as a seminal event leading to the current war on terrorism. Such acts of war revealed a new, highly effective tactic, which complemented the terrorist's strategic goals—the withdrawal of the peacekeepers and Western influence from Lebanon and a change in U.S. policy. *Peacekeepers at War* lays out, in detail, a sequence of events leading up to the suicide truck bombings from which one can extrapolate the rationale, motives, and perpetrators behind it. Geraghty argues that the absence of any retribution against the perpetrators emboldened the terrorists to assume they could attack Americans and Western interests with impunity. This led to kidnappings, torture, and the murders of Americans and other Westerners. *Peacekeepers at War* will be of interest to general readers who want to learn more about this seminal event and its effects on the current global war on terrorism.

Ghosts of War Dec 09 2023 World war is on the horizon in New York Times bestselling author Brad Taylor's tenth heart-pounding Pike Logan thriller. The Taskforce has stopped countless terrorist threats across the globe, operating outside of US law to prevent the death of innocents. But now, along the fault lines of the old Iron Curtain, the danger is far greater than a single attack. With Russia expanding its influence from Syria to the Baltic States, the Taskforce is placed on stand-down because of the actions of one rogue operator. Meanwhile, Pike Logan and Jennifer Cahill travel to Poland, hired to verify artifacts hidden for decades in a fabled Nazi gold train, only to find themselves caught amid growing tensions between East and West. A Russian incursion into Belarus under the facade of self-defense is trumped by a horrific attack against the United States, driving NATO to mobilize even as it tries to determine who is behind the strike. On the brink of war, Pike and Jennifer discover that there is a separate agenda in play, one determined to force a showdown between NATO and Russia. With time running out, and America demanding vengeance, Pike and Jennifer race to unravel the mystery before a point of no return is reached. Unbeknownst to them, there is another attack on the way. One that will guarantee World War III.

Enemy of Mine Apr 13 2024 Includes an excerpt from "The widow's strike."

Ice Hunt Jul 12 2021 Carved into a moving island of ice twice the size of the United States, Ice Station Grendel has been abandoned for more than seventy years. The twisted brainchild of the finest minds of the former Soviet Union, it was designed to be inaccessible and virtually invisible. But an American undersea research vessel has inadvertently pulled too close—and something has been sighted moving inside the allegedly deserted facility, something whose survival defies every natural law. And now, as scientists, soldiers, intelligence operatives, and unsuspecting civilians are drawn into Grendel's lethal vortex, the most extreme measures possible will be undertaken to protect its dark mysteries—because the terrible truths locked behind submerged walls of ice and steel could end human life on Earth.

The Medusa Stone Feb 04 2021 During one of the most successful exhibitions in the history of the British Museum, catastrophe strikes. An unexpected seismic anomaly rocks London, causing immense damage to the exhibits on show. One of the damaged artifacts is a male sculpture belonging to collector Dr. James Heidmann's collection of Greek Mythology. Upon investigation, benefactor Dave Purdue and curator Prof. Helen Barry discover that the broken statue had in fact once been a human being. This begs the question as to the origin of its condition, which immediately sparks Purdue's interest. Due to a mysterious reference to the deadly gas employed at Auschwitz during World War II, Purdue assembles a party of archaeologists and art experts, including historian Dr. Nina Gould. Chemical analysis proves that an ancient alchemic practice caused the man to turn to stone. Similar to the Greek myth of Medusa, the team find themselves on a perilous hunt for what is reputed to be called the Medusa Stone.

However, interpersonal tension within the group suggests that there might be more than one interested party involved in the search. Between the collectors, experts and conclusive old information found on a deceased SS officer, the chase escalates into a web of secret agendas. Is the existence of such an item all just speculative desire or does it hold more unsettling truth beyond the silent walls of Nazi ambition? Does Greek Mythology hold the key to the power of the Medusa Stone or does its thrall lie in the greed of men? The Medusa Stone leads the reader on a roller-coaster ride in search of a legend. Packed with breathtaking suspense and nerve-shredding action, *The Medusa Stone* is a thrilling read for all fans of action, suspense, and intrigue. A word from the author: Hello and thank you for your interest in my book. It has come to my attention that some people have been mistaking my books for those written by the famous author duo Douglas Preston and Lincoln Child. This is not the case. I wish to clarify that I am not, by any means, related to Douglas Preston or Lincoln Child, Lee Child or any other author called Preston Child. I hope this clears up the confusion.

Days of Rage Aug 05 2023 In former delta force operator and New York Times bestseller Brad Taylor's latest Pike Logan thriller, the Taskforce must stop their most devastating threat yet: a weapon of mass destruction. The Taskforce is used to being the hunter, but this time they're the hunted. Intent on embroiling the US in a quagmire that will sap its economy and drain its legitimacy, Russia passes a potential weapon of mass destruction to Boko Haram, an extreme Islamic sect in Nigeria. Daughter of War Jan 10 2024 ****A New York Times Bestseller**** Former Special Forces Officer and New York Times bestselling author Brad Taylor delivers a heart-pounding thriller featuring Taskforce operators Pike Logan and Jennifer Cahill as they come face to face with a conspiracy where nothing is as it seems. Hot on the trail of a North Korean looking to sell sensitive US intelligence to the Syrian regime, Pike Logan and the Taskforce stumble upon something much graver: the sale of a lethal substance called Red Mercury. Unbeknownst to the Taskforce, the Syrians plan to use the weapon of mass destruction against American and Kurdish forces, and blame the attack on terrorists, causing western nations to reassess their participation in the murky cauldron of the Syrian civil war. Meanwhile, North Korea has its own devastating agenda: a double-cross that will dwarf the attack in Syria even as it lays the blame on the Syrian government. Leveraging Switzerland's fame for secrecy and its vast network of military bunkers, now repurposed by private investors for the clandestine storage of wealth, North Korea will use Red Mercury to devastate the West's ability to deliver further sanctions against the rogue regime. As the Taskforce begins to unravel the plot, a young refugee unwittingly holds the key to the conspiracy. Hunted across Europe for reasons she cannot fathom, she is the one person who can stop the attack--if she can live long enough for Pike and Jennifer to find her.

Hunter Killer Jun 03 2023 Pike Logan tracks highly-trained Russian assassins to Brazil in this blistering, action-packed thriller from New York Times bestselling author and former Special Forces Officer Brad Taylor. "It's an excellent read, and I greatly enjoyed it." —Nelson DeMille Pike Logan and the Taskforce were once the apex predators, an unrivaled hunting machine that decimated those out to harm the United States, but they may have met their match. While Pike Logan and Jennifer Cahill prepare to join their team on a counter-terrorist mission in the triple frontier—the lawless tri-border region where Argentina, Brazil, and Paraguay meet—they are targeted in Charleston, South Carolina. A vicious explosion kills a friend, and the perpetrators have set it up to look like an accident. While the authorities believe this was not foul play, Pike knows the attack was meant for him. When he loses contact with the team in South America, Pike is convinced he and the Taskforce are under assault. His men are the closest thing to family that Pike has, which means he will do anything, even ignore direct orders to stand down, to find them. Pike and Jennifer head to Brazil to investigate their disappearance and run headlong into a crew of Russian assassins. Within days they are entangled in a byzantine scheme involving Brazilian politics and a cut-throat battle for control of offshore oil fields. Forged in combat, the Russians are the equal of anything the Taskforce has encountered before, but they make a mistake in attacking Pike's team, because Pike has a couple of elite Israeli assassins of his own. And Pike will stop at nothing to protect his family.

Operator Down Jul 04 2023 It was to be a simple mission. Nothing more than assessing whether a merchant in the fabled Israeli Diamond Exchange was involved in a scheme that could potentially embarrass the state of Israel. But nothing is ever that simple as Aaron Bergman - a former leader of an elite direct action team under the Mossad - should have known. Beginning to untangle a web that extends through both the American and Israeli intelligence community, Pike is forced to choose between his Israeli friends and his Taskforce mission.

Destined Sep 13 2021 *Destined* delivers all the romance and action that fans expect as it brings Aprilynne Pike's *Wings* series to a deeply satisfying conclusion. Laurel used to think she was an ordinary girl from Crescent City, California. She never would have believed she was truly a faerie from a realm called Avalon. Now Laurel must risk her life to save Avalon from destruction by Yuki—a rare and powerful Winter faerie—and troll-hunter Klea. But Laurel won't have to fight alone; David and Tamani, two boys she loves in different ways, will be by her side, along with her best friend, Chelsea. Readers of the *Need* and *Graceling* series will want to follow Laurel's story from its beginning in *Wings* to its heart-stopping end in *Destined*.

Passage Through Hell Feb 16 2022 Taking the culturally resonant motif of the descent to the underworld as his guiding thread, David L. Pike traces the interplay between myth and history in medieval and modernist literature. *Passage through Hell* suggests new approaches to the practice of comparative literature, and a possible escape from the current morass of competing critical schools and ideologies. Pike's readings of Louis Ferdinand Céline and Walter Benjamin reveal the tensions at work in the modern appropriation of structures derived from ancient and medieval descents. His book shows how these structures were redefined in modernism and persist in contemporary critical practice. In order to recover the historical corpus of modernism, he asserts, it is necessary to acknowledge the attraction that medieval forms and motifs held for modernist literature and theory. By pairing the writings of the postwar German dramatist and novelist Peter Weiss with Dante's *Commedia*, and Christine de Pizan with Virginia Woolf, Pike argues for a new level of complexity in the relation between medieval and modern poetics. Pike's supple and persuasive reading of the *Commedia* resituates that text within the contradictions of medieval tradition. He contends that the Dantean allegory of conversion, altered to suit the exigencies of modernism, maintains its hold over current literature and theory. The postwar writers Pike treats--Weiss, Seamus Heaney, and Derek Walcott--exemplify alternate strategies for negotiating the legacy of modernism. The passage through hell emerges as a way of disentangling images of the past from their interpretation in the present.

The Forgotten Soldier Apr 20 2022 In this heart-stopping thriller from New York Times bestselling author Brad Taylor, Pike Logan returns with his most dangerous and personal threat yet: a Taskforce Operator gone rogue. For years, the extralegal counterterrorist unit known as the Taskforce has worked in the shadows, anticipating and preventing attacks around the globe. Created to deal with a terrorist

threat that shuns the civilized rule of law, it abandoned the same, operating outside of the US Constitution. Though wildly successful, it was rooted in a fear that the cure could be worse than the disease. And now that fear has come home. A Special Forces soldier is killed on an operation in Afghanistan, and complicit in the attack is a government official of an allied nation. While the US administration wants to forget the casualty, one Taskforce member will not. When he sets out to avenge his brother's death, his actions threaten to not only expose the Taskforce's activities, but also destroy a web of alliances against a greater evil. Pike Logan understands the desire, but also the danger. Brought in to eliminate the risk, he's now forced to choose between his friend and the administration he's sworn to protect, while unbeknownst to either of them, the soldier's death is only the beginning...

Alosha Jun 10 2021 From New York Times bestselling author Christopher Pike comes the first novel in the young adult fantasy Alosha Trilogy, featuring a teenager discovering her true identity and potential destiny. Every young girl dreams that she's secretly a princess of a far-off land and that someday her true parents will come to claim her and usher her into a life of luxury, a fabulous existence where she might even have magical powers and be swept off her feet by a handsome prince. Teenager Ali Warner has reason to cling to such a fantasy. Her mother died in a car accident a year ago. Her father, a trucker determined to work through his grief, hasn't acknowledged Ali's burgeoning figure or complicated emotions. Her friends still aren't sure how to talk about her mother's death. And the Southern California forest that has always been Ali's refuge is about to be ravaged by logging. Ali is about to discover that she is a princess--a fairy princess. And that she has to save the world. For real. To claim her fairy powers, Ali must overcome seven potentially lethal challenges. Then she must scale a mountain and confront the King of the Dwarves and the King of the Elves, whose armies are poised to invade Earth. With her bemused 21st century friends, a sly leprechaun, and an extremely loyal, extremely ugly, troll by her side, Ali begins the most momentous journey of her young life, a journey during which she will learn much about herself and the past she thought she knew. She will conquer fire and water, earth and air, and even time itself. She will be both betrayer and betrayed, will see death close at hand, and will snatch victory from the jaws of defeat. Ali Warner is Alosha. Welcome to her world. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Exit Fee Nov 27 2022 "Taylor is one of today's premiere authors writing about the world of special ops." —Associated Press Former Special Forces officer Brad Taylor's thrilling new novella sets Pike Logan and Jennifer Cahill against a Serbian gang that makes the mistake of kidnapping someone they both hold dear. Pike Logan and Jennifer Cahill are no strangers to international conflict, but this time they're facing a threat much closer to home. Amena, the young Syrian refugee they have taken into their care, is having trouble settling into her new life in South Carolina. As they all struggle to figure out the bounds of their new life, a fight with Pike sends Amena running to the streets of Charleston, where she befriends a girl and her Serbian guardian who may not be as harmless as they seem. Pike, wild with worry over Amena's disappearance, makes it his mission to bring her home safely, but she is in much more danger than they realize. To make matters worse, classified nuclear information may also be on the line. While Pike is on the warpath, Amena learns of the Serbian's true nature and the terrible 'exit fee' he exacts from girls who don't play by his rules. Now it's up to Pike to find her— but the risk will be much higher than he imagines. Includes an excerpt from Brad Taylor's upcoming Pike Logan thriller, *Hunter Killer*.

Oak Flat Jul 24 2022 NATIONAL BESTSELLER • A powerful work of visual nonfiction about three generations of an Apache family struggling to protect sacred land from a multinational mining corporation, by MacArthur "Genius" and National Book Award finalist Lauren Redniss, the acclaimed author of *Thunder & Lightning* "Brilliant . . . virtuosic . . . a master storyteller of a new order."—Eliza Griswold, *The New York Times Book Review* (Editors' Choice) NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS Oak Flat is a serene high-elevation mesa that sits above the southeastern Arizona desert, fifteen miles to the west of the San Carlos Apache Indian Reservation. For the San Carlos tribe, Oak Flat is a holy place, an ancient burial ground and religious site where Apache girls celebrate the coming-of-age ritual known as the Sunrise Ceremony. In 1995, a massive untapped copper reserve was discovered nearby. A decade later, a law was passed transferring the area to a private company, whose planned copper mine will wipe Oak Flat off the map—sending its natural springs, petroglyph-covered rocks, and old-growth trees tumbling into a void. Redniss's deep reporting and haunting artwork anchor this mesmerizing human narrative. Oak Flat tells the story of a race-against-time struggle for a swath of American land, which pits one of the poorest communities in the United States against the federal government and two of the world's largest mining conglomerates. The book follows the fortunes of two families with profound connections to the contested site: the Nosies, an Apache family whose teenage daughter is an activist and leader in the Oak Flat fight, and the Gorhams, a mining family whose patriarch was a sheriff in the lawless early days of Arizona statehood. The still-unresolved Oak Flat conflict is ripped from today's headlines, but its story resonates with foundational American themes: the saga of westward expansion, the resistance and resilience of Native peoples, and the efforts of profiteers to control the land and unearth treasure beneath it while the lives of individuals hang in the balance.

The 47th Samurai Jun 22 2022 In *The 47th Samurai*, Bob Lee Swagger, the gritty hero of Stephen Hunter's bestselling novels *Point of Impact* and *Time to Hunt*, returns in this intense and exotic thriller. Bob Lee Swagger and Philip Yano are bound together by a single moment at Iwo Jima, 1945, when their fathers, two brave fighters on opposite sides, met in the bloody and chaotic battle for the island. Only Earl Swagger survived. More than sixty years later, Yano comes to America to honor the legacy of his heroic father by recovering the sword he used in the battle. His search has led him to Crazy Horse, Idaho, where Bob Lee, ex-marine and Vietnam veteran, has settled into a restless retirement and immediately pledges himself to Yano's quest. Bob Lee finds the sword and delivers it to Yano in Tokyo. On inspection, they discover that it is not a standard WWII blade, but a legendary shin-shinto katana, an artifact of the nation. It is priceless but worth killing for. Suddenly Bob is at the center of a series of terrible crimes he barely understands but vows to avenge. And to do so, he throws himself into the world of the samurai, Tokyo's dark, criminal yakuza underworld, and the unwritten rules of Japanese culture. Swagger's allies, hard-as-nails, American-born Susan Okada and the brave, cocaine-dealing tabloid journalist Nick Yamamoto, help him move through this strange, glittering, and ominous world from the shady bosses of the seamy Kabukicho district to officials in the highest echelons of the Japanese government, but in the end, he is on his own and will succeed only if he can learn that to survive samurai, you must become samurai. As the plot races and the violence escalates, it becomes clear that a ruthless conspiracy is in place, and the only thing that can be taken for granted is that money, power,

and sex can drive men of all nationalities to gruesome extremes. If Swagger hopes to stop them, he must be willing not only to die but also to kill.

Ring of Fire Dec 29 2022 Former Delta Force officer and New York Times bestselling author Brad Taylor delivers a relentlessly fast-paced, gripping thriller featuring Taskforce operators Pike Logan and Jennifer Cahill as they come face-to-face with an insidious threat to strike terror into the heart of America. Fifteen years ago, in order to win a contract in the Kingdom, a desperate defense contractor used a shell company to provide a bribe to a wealthy Saudi businessman. Now a powerful player in the defense industry, he panics when the Panama Papers burst onto the public scene. Providing insight into the illicit deeds of offshore financing, they could prove his undoing. To prevent the exposure of his illegal activities, he sets in motion a plan to interdict the next leak, but he is not the only one worried about spilled secrets. The data theft has left the Taskforce potentially vulnerable, leaving a trail that could compromise the unit. Back in the good graces of the new president, Pike Logan and Jennifer Cahill are ordered to interdict the next leak as well, in order to control the damage. Unbeknownst to either group, the Saudi has been using the shell company to fund terrorists all over the world, and he has a spectacular attack planned, coinciding with the fifteenth anniversary of 9/11. The information Pike and Jennifer uncover will put them on the trail of the imminent threat, but it's one that they might be unable to stop. Called Ring of Fire, it will cause unimaginable destruction across the United States, and the ensuing chaos and terror will distract the Taskforce from a truth no one sees: Ring of Fire was only the beginning, and the danger is far from over.

Casting Forward Sep 25 2022 In Casting Forward, naturalist, educator, and writer Steve Ramirez takes the reader on a yearlong journey fly fishing all of the major rivers of the Texas Hill Country. This is a story of the resilience of nature and the best of human nature. It is the story of a living, breathing place where the footprints of dinosaurs, conquistadors, and Comanches have mingled just beneath the clear spring-fed waters. This book is an impassioned plea for the survival of this landscape and its biodiversity, and for a new ethic in how we treat fish, nature, and each other.

One Rough Man Feb 11 2024 Vince Flynn and Brad Thor, move over: introducing a pulse-pounding new international thriller series by a former Delta Force commander.

Last Looks Dec 17 2021 NOW A MAJOR MOTION PICTURE! A razor-sharp, exquisitely paced, madly fun debut thriller that gleefully lampoons Hollywood culture and introduces the highly eccentric yet brilliant ex-detective gone rogue: Charlie Waldo There are run-of-the-mill eccentric Californians, and then there's former detective Charlie Waldo. Waldo, a onetime LAPD superstar, now lives in solitude deep in the woods, pathologically committed to owning no more than one hundred possessions. He has left behind his career and his girlfriend, Lorena, to pay self-imposed penance for an awful misstep on a pivotal murder case. But the old ghosts are about to come roaring back. There are plenty of difficult actors in Hollywood, and then there's Alastair Pinch. Alastair is a onetime Royal Shakespeare Company thespian who now slums it as the "wise" Southern judge on a tacky network show. He's absurdly rich, often belligerent, and typically drunk—a damning combination when Alastair's wife is found dead on their living room floor and he can't remember what happened. Waldo's old flame Lorena, hiding peril of her own, draws him toward the case, and Alastair's greedy network convinces Waldo to take it on. But after such a long time away from both civilization and sleuthing—and plagued by a confounding array of assailants who want him gone—Waldo must navigate complicated webs of ego and deceit to clear Alastair's name...or confirm his guilt.

The Forgotten Soldier Apr 01 2023 In this heart-stopping thriller from New York Times bestselling author Brad Taylor, Pike Logan returns with his most dangerous and personal threat yet: a Taskforce Operator gone rogue. For years, the extralegal counterterrorist unit known as the Taskforce has worked in the shadows, anticipating and preventing attacks around the globe. Created to deal with a terrorist threat that shuns the civilized rule of law, it abandoned the same, operating outside of the US Constitution. Though wildly successful, it was rooted in a fear that the cure could be worse than the disease. And now that fear has come home. A Special Forces soldier is killed on an operation in Afghanistan, and complicit in the attack is a government official of an allied nation. While the US administration wants to forget the casualty, one Taskforce member will not. When he sets out to avenge his brother's death, his actions threaten to not only expose the Taskforce's activities, but also destroy a web of alliances against a greater evil. Pike Logan understands the desire, but also the danger. Brought in to eliminate the risk, he's now forced to choose between his friend and the administration he's sworn to protect, while unbeknownst to either of them, the soldier's death is only the beginning...

The Insider Threat Oct 07 2023 In the eighth action-packed thriller in the New York Times bestselling Pike Logan series, ISIS, the most maniacal terrorist organization the modern world has ever seen, is poised to make their most audacious strike yet. The United States has anticipated and averted countless attacks from terrorist groups—thanks in large part to the extralegal counterterrorist unit known as the Taskforce. But in The Insider Threat, a much more insidious evil is about to shatter the false sense of safety surrounding civilized nations. While world powers combat ISIS on the battlefield, a different threat is set in motion by the group—one that can't be defeated by an airstrike. Off the radar of every Western intelligence organization, able to penetrate America or any European state, they intend to commit an act of unimaginable barbarity. Only Pike Logan and the Taskforce stand in the way of an attack no one anticipates, a grand deception that will wreak unthinkable chaos and reverberate throughout the Western world.

The Widow's Strike May 02 2023 Taskforce operators Pike Logan and Jennifer Cahill race to stop a global pandemic in this fast-paced thriller in the New York Times bestselling series. Invented by nature and genetically manipulated by man, a highly lethal virus has just fallen into the wrong hands. Angered by sanctions placed against its nuclear program, a rogue state is determined to release the virus. The only thing standing in its way is the extralegal counterterrorist unit known as the Taskforce. But as they follow the trail of the virus across Southeast Asia to the United States, the Taskforce soon learns that the enemy they face may not be the enemy they should fear...
