## Love Maybe Heather Hepler

*Love? Maybe* Heather Hepler, 2013 Wary of romance following her mother's second divorce and resisting her friends' attempts to fix her up with the hottest guy in school, Piper's life is complicated when she receives a series of valentines from a secret admirer. **Love? Maybe.** Heather Hepler, 2012-01-05 Just because Piper's birthday is on Valentine's Day does not mean she's a romantic. In fact, after watching her father and then her stepfather leave, she's pretty sure she doesn't believe in love at all. Then her friends concoct a plan to find them all Valentine's dates, and somehow Piper finds herself with the most popular guy in school. But true love never follows a plan, and a string of heartfelt gifts from a secret admirer has Piper wondering if she might be with the wrong guy. Readers seeking a romance with sweet, salty, and spicy moments should be entertained. Publishers Weekly [Frosted Kisses](#) Heather Hepler, 2015-10-27 Navigating best friends and boys has never been sweeter than in Heather Hepler's brand new novel. Former Manhattan girl Penny has quickly discovered that life in a small town is never dull. Not when there's a festival for every occasion, a Queen Bee to deal with, an animal shelter to save, and a cute boy to crush on. There's a new girl in town, Esmeralda. She's beautiful, French, and just happens to be Queen Bee. Charity's best friend Penny hopes the arrival of Esmeralda means Charity might be too busy to keep making her life miserable. But Penny doesn't have a lot of time to worry about Charity. Her best friend Tally has recruited her to help raise money to save the local animal shelter. Then there's Marcus, the adorable and mysterious boy that Penny thinks maybe likes her as much as she likes him. Plus, this is Penny's first holiday season as a divorced kid, although she has no idea what this means. Can Penny help her friends save the shelter, navigate her new family dynamics, and get the boy, or will Charity and Esmeralda find a way to ruin everything? **We Were Beautiful** Heather Hepler, 2019-04-02 The trace amount of alcohol in her bloodstream. The tremendous amount of guilt on her shoulders. A severely scarred face that is a daily reminder of the car crash that killed her sister. But when Mia finally pieces together her memories of the night Rachel died, the shocking truth might be as jarring as the crunch of metal. It's been a year since fifteen-year-old Mia Hopkins was in a car crash that killed her older sister Rachel and left her own face terribly scarred. The doctors tell her she was lucky to survive. Her therapist says it will take time to heal. The police reports claim there were trace amounts of alcohol in her bloodstream. But no matter how much she tries to reconstruct the events of that fateful night, Mia's memory is spotty at best. She's left with accusations, rumors, and guilt so powerful it is quickly consuming her. As the rest of Mia's family struggles with their own grief, Mia is sent to New York City to spend the summer with a grandmother she's never met. All Mia wants to do is hide from the world, but instead she's stuck with a summer job in the bustling kitchens of the caf down the street. There she meets Fig, blue-haired, friendly, and vivacious, who takes Mia under her wing. As Mia gets to know Fig and her friends, including Cooper, the artistic boy who's always on Mia's mind, she realizes that she's not the only one with a painful past. Over the summer, Mia starts to

learn that redemption isn't as impossible as she once thought but her scars inside run deep and aren't nearly so simple to heal especially when Mia finally pieces together her memories of the awful night Rachel died *We Were Beautiful* is a unique coming of age story about tragedy forgiveness and love Written by acclaimed award winning author Heather Hepler Perfect for fans of Robyn Schneider and Justina Chen A poignant clean YA romance unafraid to explore serious contemporary life issues
