The Problem Was Me Feb 27 2023 A motivational can-do guide to putting aside negative self-talk and taking your life to the next level. A single negative message in our childhood can carry a lifetime sentence. Unfortunately, many people experienced barrage after barrage of negative messages while growing up. These messages can morph into what author Thomas Gagliano calls, "The warden, an oppressive bully who sat on my shoulder for years." Mr. Gagliano and Dr. Abraham Twerski inspire readers to silence this inner voice of self-doubt and fear and begin living proactive, satisfying lives. Moving past addictive acting out depends on right action and right thinking. With candor and humility, the authors show readers how to work an honest recovery program and break the cycle of negative thinking and addictive acting out.

How to Avoid a Climate Disaster Dec 16 2021 #1 NEW YORK TIMES BEST SELLER • In this urgent, authoritative book, Bill Gates sets out a wide-ranging, practical—and accessible—plan for how the world can get to zero greenhouse gas emissions in time to avoid a climate catastrophe. Bill Gates has spent a decade investigating the causes and effects of climate change. With the help of experts in the fields of physics, chemistry, biology, engineering, political science, and finance, he has focused on what must be done in order to stop the planet's slide to certain environmental disaster. In this book, he not only explains why we need to work toward net-zero emissions of greenhouse gases, but also details what we need to do to achieve this profoundly important goal. He gives us a clear-eyed description of the challenges we face. Drawing on his understanding of innovation and what it takes to get new ideas into the market, he describes the areas in which technology is already helping to reduce emissions, where and how the current technology can be made to function more effectively, where breakthrough technologies are needed, and who is working on these essential innovations. Finally, he lays out a concrete, practical plan for achieving the goal of zero emissions—suggesting not only policies that governments should adopt, but what we as individuals can do to keep our government, our employers, and ourselves accountable in this crucial enterprise. As Bill Gates makes clear, achieving zero emissions will not be simple or easy to do, but if we follow the plan he sets out here, it is a goal firmly within our reach.

The Tapping Solution for Manifesting Your Greatest Self Jun 09 2021 The New York Times best-selling creator of the Tapping Solution offers a three-week program of practical self-inquiry and hands-on work designed to unlock your life's full potential. Have you ever had the feeling your life just isn't working? That no matter how much you push and direct, or sit back and let go, the square peg you're holding just won't fit into the round hole that is your life? What if, instead, the roadblocks went away? What if you could experience more ease and flow in your life, banish self-doubt, fear, and anxiety, and live your greatest life? Can you imagine what that would look like--and more important, what it would feel like? Now Tapping Solution creator and New York Times best-selling author Nick Ortner helps you not only imagine it but make it a reality. The Tapping Solution for Manifesting Your Greatest Self guides you through a 21-day process of self-discovery and self-development using the simple, proven practice called Tapping (also known as Emotional Freedom Techniques). Each of the 21 stages includes a Daily Challenge and a Tapping Meditation to help the changes you're making take root. And you can work through the program at your own pace--doing one stage every day, every three days, every week, or whatever you

like--with exclusive e-mail reminders from Nick to support you throughout the process. Drawing on wisdom sources from Aristotle to Dr. Seuss, along with Nick's own deep well of insight and stories from his daily life, this book is terrific fun to read. It's also a powerful tool for transformation. "We're going to work together to let your light shine brighter than ever before," Nick writes, "to create the life experiences you most deserve and desire." Ready? Then let's get tapping!

Chatter Dec 28 2022 Our inner voice is a powerful compass that helps us navigate the world. At its worst it can seem like a demoralising critic, hellbent on sabotaging our potential; but if it is positively harnessed, it will become an inspiring coach and lifelong guide. In this book, psychology professor Ethan Kross brings more than 20 years of research to demystify the voice inside our head. Weaving cutting-edge science with compelling true stories, he shares powerful but simple tools to make your brain's musings work for you.

The Self-Talk Solution Mar 11 2024 Are you worried you will never be happy again? Do you wish you could quiet the voice in your head that makes you feel like you are a failure and there is no hope? Or do you want to strengthen the positive voice in your head, that helps you find happiness and achieve your greatest potential? If you answered yes to at least one of the questions above, this guide is specifically written for you. While there are several books written about self-talk, this guide provides tangible strategies based on psychological research that you can use immediately to both change negative self-talk to positive self-talk and turn it into action. Did you know that negative self-talk is a habit that can be changed? Just like getting into the habit of brushing your teeth as a child, negative self-talk is a habit that can be changed and you can make the change now! In 2014, Ethan Kross wrote about the power of self-talk as a regulatory mechanism in the *Journal of Personality and Social Psychology* - it affects what we do, whether we realize it or not - and the way we use self-talk matters. As a regulatory mechanism, self-talk guides you in times of need, and it also acts as your inner critic. But sometimes your inner critic can guide you into unnecessary negative thoughts. His work, among others' shared in this guide, provides strategies and facts based on scientific evidence that help you to affect and improve the way you use self-talk. In this guide you'll discover: The reasons why negative self-talk is stopping you from finding happiness and how positive self-talk can save you! Why you feel drained of energy and helpless (and how you can fix this in no time at all!) What the absolute key is to quieting the voice of negative self-talk A complete picture of how self-talk affects you - finding long term solutions and not just a "band-aid" to fix the problem The best secret - and simple - tricks you can use to strengthen the positive self-talk voice How to improve both your life and your relationships, without spending a fortune on therapy The 14 key suggestions for how to take self-talk to the next level by turning positive self-talk into action! ...and much, much more! By relying on the most up-to-date psychological studies and findings, this guide provides the background information and tangible tools to understand the power of self-talk. You will learn how to eliminate negative self-talk and welcome positive self-talk, freeing you to do the things you've always wanted to do. If you finally want to understand how self-talk is hurting you, and, how you can change it to improve your life, click "Add to Cart" now! Why wait another day?

Long Way Down Sep 24 2022 "An intense snapshot of the chain reaction caused by pulling a trigger." —Booklist (starred review) "Astonishing." —Kirkus Reviews (starred review) "A tour de force." —Publishers Weekly (starred review) A Newbery Honor Book A Coretta Scott King Honor Book A Printz Honor Book A Time Best YA Book of All Time (2021) A Los Angeles Times Book Prize Winner for Young Adult Literature Longlisted for the National Book Award for Young People's Literature Winner of the Walter Dean Myers Award An Edgar Award Winner for Best Young Adult Fiction Parents' Choice Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A Vulture Best YA Book of 2017 A Buzzfeed Best YA Book of 2017 An ode to Put the Damn Guns Down, this is New York Times bestselling author Jason Reynolds's electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he's going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

Self-Talk for Weight Loss Sep 05 2023 Explains how to change one's attitudes towards food and eating, discusses the concept of self-talk, and looks at techniques for positive reinforcement

Think and Eat Yourself Smart Jun 02 2023 Science is beginning to understand that our thinking has a deep and complicated relationship with our eating. Our thoughts before, during, and after eating profoundly impact our food choices, our digestive health, our brain health, and more. Yet most of us give very little thought to our food beyond taste and basic nutritional content. In this revolutionary book, Dr. Caroline Leaf packs an incredible amount of information that will change readers' eating and thinking habits for the better. Rather than getting caught up in whether we should go raw or vegan, gluten-free or paleo, Leaf shows readers that every individual is unique, has unique nutritional needs, and has the power to impact their own health through the right thinking. There's no one perfect solution. Rather, she shows us how to change the way we think about food and put ourselves

on the path towards health. Anyone who is tired of traditional diet plans that don't work, who struggles with emotional eating, or who simply isn't satisfied with their level of health will find in this book the key to discovering how they can begin developing a healthier body, brain, and spirit. **Burnout** May 21 2022 NEW YORK TIMES BESTSELLER • “This book is a gift! I’ve been practicing their strategies, and it’s a total game-changer.”—Brené Brown, PhD, author of the #1 New York Times bestseller *Dare to Lead* This groundbreaking book explains why women experience burnout differently than men—and provides a simple, science-based plan to help women minimize stress, manage emotions, and live a more joyful life. What is burnout? Many women in America have experienced it. What’s expected of women and what it’s really like to be a woman in today’s world are two very different things—and women exhaust themselves trying to close the gap between them. How can you “love your body” when every magazine cover has ten diet tips for becoming “your best self”? How do you “lean in” at work when you’re already operating at 110 percent and aren’t recognized for it? How can you live happily and healthily in a sexist world that is constantly telling you you’re too fat, too needy, too noisy, and too selfish? Sisters Emily Nagoski, PhD, and Amelia Nagoski, DMA, are here to help end the cycle of feeling overwhelmed and exhausted. Instead of asking us to ignore the very real obstacles and societal pressures that stand between women and well-being, they explain with compassion and optimism what we’re up against—and show us how to fight back. In these pages you’ll learn • what you can do to complete the biological stress cycle—and return your body to a state of relaxation • how to manage the “monitor” in your brain that regulates the emotion of frustration • how the Bikini Industrial Complex makes it difficult for women to love their bodies—and how to defend yourself against it • why rest, human connection, and befriending your inner critic are keys to recovering and preventing burnout With the help of eye-opening science, prescriptive advice, and helpful worksheets and exercises, all women will find something transformative in these pages—and will be empowered to create positive change. Emily and Amelia aren’t here to preach the broad platitudes of expensive self-care or insist that we strive for the impossible goal of “having it all.” Instead, they tell us that we are enough, just as we are—and that wellness, true wellness, is within our reach. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BOOKRIOT** “Burnout is the gold standard of self-help books, delivering cutting-edge science with energy, empathy, and wit. The authors know exactly what’s going on inside your frazzled brain and body, and exactly what you can do to fix it. . . . Truly life-changing.”—Sarah Knight, New York Times bestselling author of *Calm the F*ck Down*

The Israeli Solution Nov 26 2022 A landmark manifesto issuing a bold call for a one-state solution to the Israeli-Palestine conflict. The reigning consensus in elite and academic circles is that the United States must seek to resolve the Palestinians' conflict with Israel by implementing the so-called two-state solution. Establishing a Palestinian state, so the thinking goes, would be a panacea for all the region’s ills. In a time of partisan gridlock, the two-state solution stands out for its ability to attract supporters from both sides of America's ideological divide. But the great irony is that it is one of the most irrational and failed policies the United States has ever adopted. Between 1970 and 2013, the United States presented nine different peace plans for Israel and the Palestinians, and for the past twenty years, the two state solution has been the centerpiece of U.S. Middle East policy. But despite this laser focus, American efforts to implement a two-state peace deal have failed—and with each new attempt, the Middle East has become less stable, more violent, more radicalized, and more inimical to democratic values and interests. In *The Israeli Solution*, Caroline Glick, senior contributing editor to the *Jerusalem Post*, examines the history and misconceptions behind the two-state policy, most notably: - The huge errors made in counting the actual numbers of Jews and Arabs in the region. The 1997 Palestinian Census, upon which most two-state policy is based, wildly exaggerated the numbers of Palestinians living in the West Bank and Gaza. - Neglect of the long history of Palestinian anti-Semitism, refusal to negotiate in good faith, terrorism, and denial of Israel’s right to exist. - Disregard for Israel’s stronger claims to territorial sovereignty under international law, as well as the long history of Jewish presence in the region. - Indifference to polling data that shows the Palestinian people admire Israeli society and governance. Despite a half-century of domestic and international terrorism, anti-semitism, and military attacks from regional neighbors who reject its right to exist, Israel has thrived as the Middle East’s lone democracy. After a century spent chasing a two-state policy that hasn’t brought the Israelis and Palestinians any closer to peace, *The Israeli Solution* offers an alternative path to stability in the Middle East based on Israeli sovereignty over Judea and Samaria.

Self-Talk Secrets 2 In 1 Nov 07 2023 Are you worried you will never be happy again? Are you unconsciously bringing negativity to your relationships with your spouse, family, coworkers, and friends? Or is there one area of your life where you feel like a failure and you're ready to change? If you answered yes to any of the questions above, this guide is specifically written for you. While there are several books written about self-talk, this guide provides tangible strategies based on psychological research that you can use immediately to both change negative self-talk to positive self-talk and turn it into action. It explores the "how" and "why" of negative self-talk to help you master positive self-talk - going beyond just definitions and motivational phrases that didn't work for you before. With positive self-talk, you can find the self-motivation to change your life and ultimately lead you to greater success. Have you heard the phrase "you are what you believe?" Did you realize this applies to all aspects of life from work, to family, and even your love life? Research tells us that positive self-talk can change those beliefs and the negative self-talk habits that inhibit us from finding success. In 2014, Ethan Kross wrote in the *Journal of Personality and Social Psychology* about the power of self-talk as a regulatory mechanism - it affects what we do, whether we realize it or not - and the way we use self-talk matters. Benjamin Gardner shared "Making Health Habitual" in 2012 in the *British Journal of General Practice*, explaining self-talk as a habit - a powerful force in the brain. Their work, among others' shared in this guide, provides strategies and facts based on scientific evidence, that help us to affect and improve the way we use self-talk. This book includes: *The Self-Talk Solution: The Proven Concept Of Breaking Free From Intense Negative Thoughts To Never Feel Weak Again* *The Power Of Self-Talk: How To Stop Beating Yourself Up, Take Action And Achieve Success In Your Life* In this guide you'll discover: How to truly love yourself and your body - without committing to a crazy diet or workout program! Why you feel drained of energy and helpless (and how you can fix this in no time at all!) A complete picture of how self-talk affects you - finding long term solutions and not just a "band-aid" to fix the problem Why the phrase "you are what you believe" may be seriously hindering you - but also how it can make you incredibly successful Why athletes, world leaders, and celebrities use visualization every day - and why you should too! The 10 little-known (and most efficient!) ways to improve your marriage and family life, all with self-talk! The 14 key suggestions (that actually work!) for how to take self-talk to the next level by turning positive self-talk into action! ...and much, much more! All of us have areas of our life we want to improve, and whether negative self-talk is affecting many aspects of your life, or just one, you can learn to harness the power of self-talk to find success and greater happiness. By relying on the most up-to-date psychological studies and findings, this guide provides the background information and tangible tools to understand the power of self-talk, so it can become a powerful force in your life. The Self-Talk Solution May 13 2024 *The Self-Talk Solution* is a complete Self-Talk program, providing the reader with specific Self-Talk applications in the areas of personal growth, family and relationships, fitness and health, career and skill building, problem solving, personal organization, and accomplishment.

The Self-Care Solution Jan 29 2023 ABC’s chief medical correspondent helps you ring in the New Year right with a resolution that’s actually doable: a year-long plan to improve your emotional and physical health—from giving up alcohol to doing a digital detox, but each for only one month. Dr. Jennifer Ashton is at the top of her field as an ob-gyn and news correspondent. But even at the top there’s still room to improve, and with *The Self-Care Solution*, she upends her life one month at a time, using her own experiences to help you improve your health and enhance your life. Dr. Ashton becomes both researcher and subject as she focuses on twelve separate challenges. Beginning with a new area of focus each month, she guides you through the struggles she faces, the benefits she experiences, and the science behind why each month’s challenge—giving up alcohol, doing more push-ups, adopting an earlier bedtime, limiting technology—can lead to better health. Month by month, Dr. Ashton tackles a different area of wellness with the hope that the lessons she learns and the improved health she experiences will motivate her (and you) to make each change permanent.

Throughout, she offers easy-to-comprehend health information about the particular challenge to help you understand its benefits and to stick with it. Whether it's adding cardio or learning how to meditate, Dr. Ashton makes these daily lifestyle choices and changes feel possible—and shows how beneficial a mindful lifestyle can be. Inspiring, practical, and informative, illustrated with helpful photos and charts, *The Self-Care Solution* teaches you how to recalibrate your life to enjoy a better, healthier year, one month at a time. Featuring guidance from top experts, entertaining case studies, easy-to-follow advice and tips, and Dr. Ashton's observations and insights, this book can help you achieve a better life balance and a more active and healthy lifestyle.

Soundtracks Oct 26 2022 Overthinking isn't a personality trait. It's the sneakiest form of fear. It steals time, creativity, and goals. It's the most expensive, least productive thing companies invest in without even knowing it. And it's an epidemic. When New York Times bestselling author Jon Acuff changed his life by transforming his overthinking, he wondered if other people might benefit from what he discovered. He commissioned a research study to ask 10,000 people if they struggle with overthinking too, and 99.5 percent said, "Yes!" The good news is that in *Soundtracks*, Acuff offers a proven plan to change overthinking from a super problem into a superpower. When we don't control our thoughts, our thoughts control us. If our days are full of broken soundtracks, thoughts are our worst enemy, holding us back from the things we really want. But the solution to overthinking isn't to stop thinking. The solution is running our brains with better soundtracks. Once we learn how to choose our soundtracks, thoughts become our best friend, propelling us toward our goals. If you want to tap into the surprising power of overthinking and give your dreams more time and creativity, learn how to DJ the soundtracks that define you. If you can worry, you can wonder. If you can doubt, you can dominate. If you can spin, you can soar. **The Body Keeps the Score** May 01 2023 Originally published by Viking Penguin, 2014.

Chasing the Scream Sep 12 2021 The New York Times Bestseller What if everything you think you know about addiction is wrong? Johann Hari's journey into the heart of the war on drugs led him to ask this question--and to write the book that gave rise to his viral TED talk, viewed more than 62 million times, and inspired the feature film *The United States vs. Billie Holiday* and the documentary series *The Fix*. One of Johann Hari's earliest memories is of trying to wake up one of his relatives and not being able to. As he grew older, he realized he had addiction in his family. Confused, not knowing what to do, he set out and traveled over 30,000 miles over three years to discover what really causes addiction--and what really solves it. He uncovered a range of remarkable human stories--of how the war on drugs began with Billie Holiday, the great jazz singer, being stalked and killed by a racist policeman; of the scientist who discovered the surprising key to addiction; and of the countries that ended their own war on drugs--with extraordinary results. *Chasing the Scream* is the story of a life-changing journey that transformed the addiction debate internationally--and showed the world that the opposite of addiction is connection.

The Loneliness Solution Aug 24 2022 Statistics show that, despite our connected world--and partly because of it--we are lonelier than ever. Social media tricks us into thinking that we are engaged in genuine friendships, except we never quite get beyond that feeling of being outside someone else's life and looking in every so often at what they choose to show the world. Instead of intimacy we get little more than what amounts to digital small talk. But there is a solution. With plenty of good humor and practical advice, Jack Eason invites you to discover the benefits of doing life together with other brothers and sisters in Christ. Grounding his message in Scripture, Eason helps you - learn the obstacles to real community - reimagine what real friendship looks like - discover a place of true belonging - and more If you're tired of feeling lonely, this encouraging and community-building book is just what you need.

Alcoholics Anonymous Feb 15 2022 A 75th anniversary e-book version of the most important and practical self-help book ever written, Alcoholics Anonymous. Here is a special deluxe edition of a book that has changed millions of lives and launched the modern recovery movement: Alcoholics Anonymous. This edition not only reproduces the original 1939 text of Alcoholics Anonymous, but as a special bonus features the complete 1941 Saturday Evening Post article "Alcoholics Anonymous" by journalist Jack Alexander, which, at the time, did as much as the book itself to introduce millions of seekers to AA's program. Alcoholics Anonymous has touched and transformed myriad lives, and finally appears in a volume that honors its posterity and impact.

Ask a Manager Feb 03 2021 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The Tapping Solution Jul 03 2023 Nick Ortner, founder of the Tapping World Summit and best-selling filmmaker of *The Tapping Solution*, is at the forefront of a new healing movement. In his upcoming book, *The Tapping Solution*, he gives readers everything they need to successfully start using the powerful practice of tapping – or Emotional Freedom Techniques (EFT). Tapping is one of the fastest and easiest ways to address both the emotional and physical problems that tend to hamper our lives. Using the energy meridians of the body, practitioners tap on specific points while focusing on particular negative emotions or physical sensations. The tapping helps calm the nervous system to restore the balance of energy in the body, and in turn rewire the brain to respond in healthy ways. This kind of conditioning can help rid practitioners of everything from chronic pain to phobias to addictions. Because of tapping's proven success in healing such a variety of problems, Ortner recommends to try it on any challenging issue. In *The Tapping Solution*, Ortner describes not only the history and science of tapping but also the practical applications. In a friendly voice, he lays out easy-to-use practices, diagrams, and worksheets that will teach readers, step-by-step, how to tap on a variety of issues. With chapters covering everything from the alleviation of pain to the encouragement of weight loss to fostering better relationships, Ortner opens readers' eyes to just how powerful this practice can be. Throughout the book, readers will see real-life stories of healing ranging from easing the pain of fibromyalgia to overcoming a fear of flying. The simple strategies Ortner outlines will help readers release their fears and clear the limiting beliefs that hold them back from creating the life they want.
