Genesis Curriculum was created to allow families to learn together with ready-to-go lessons that make learning easy and fun. Genesis Curriculum takes a book of the Bible and turns it into daily lessons in science, social studies, and language arts. Daily lessons also include reading a portion from the Bible, practicing a weekly memory verse, discussing a thought-provoking question, and learning a Biblical language. The third year in our series is the Book of Matthew. (It can also be used as the first year.) You will begin learning Greek this year. You will learn John 1:1-5 in Greek and begin learning the Greek alphabet. Writing will review the grammar of proper sentence structure but will also have a focus on poetic writing with alliteration, onomatopoeia, assonance, and consonance. Christians live in a culture with more questions than ever - questions that affect one's acceptance of the Bible as authoritative and trustworthy. Now, discover easy-to-understand answers that reach core truths of the Christian faith and apply the biblical worldview to a wide variety of subjects. Genesis Curriculum - The Book of Genesis Workbook is the main workbook to be used along with the Genesis Curriculum - The Book of Matthew lessons. The Genesis Curriculum Workbook is for each child and has all of their work for the year. There's no daily busywork, but there are writing, grammar, vocabulary, and spelling activities as well as science and social studies reviews that will be completed in their workbook. There are also Greek writing pages. The main lessons will tell you when to work on each

page. Genesis Curriculum takes the Bible and puts it into daily science, social studies and language arts lessons. It is intended for children about 6-8, first and second grade. It seems we wake each day to a world engulfed in chaos and confusion... a society mired in godlessness and humanism... and families struggling to guide their children in faith. Yet, God gave us the answer... His Holy Word. Begin as He recorded for us to begin, with Genesis. After many years of teaching and speaking on the importance of foundational faith, leading apologetics author Ken Ham of Answers in Genesis has created a clear and powerful study that helps root families and young or struggling believers in biblical truth. He makes it easy to build a vital Genesis-founded worldview in this simple yet profound study that explores the importance and implications of pivotal events, verse by verse, from Creation to Babel. Discover important context to answer relevant faith questions Easy-to-understand exploration of the biblical text The essential guide to laying a faith-foundational view Faith without a strong foundation crumbles in the face of today's relentless cultural rejections. Christians, young and old, will find the strong foundation they need in the biblical bedrock of Genesis. Big Step is the second book in GC's Steps Series. It is recommended for ages 4 and 5. It's daily practice in the three R's. Students will practice with sight words and a modernized McGuffey Primer as well as make progress in math and writing. Children will identify numbers and count to twenty as well as use counting and a number line to add and subtract. Pre-handwriting skills will be taught with tracing and a variety of activity pages. There are 180 days' worth of reading and activities. Genesis Curriculum - The Book of Genesis Workbook is the main workbook to be used along with the Genesis Curriculum - The Book of Genesis lessons. NATIONWIDE POLLS AND DENOMINATIONAL REPORTS ARE SHOWING THAT THE NEXT GENERATION IS CALLING IT QUILTS ON THE TRADITIONAL CHURCH. Details the Bible-based homeschool teaching approach for parents, and discusses Christian education, learning styles, unit studies, bible study, and more. There's no mistake...God is seeking you. Friends, teachers, and the world in general will tell you that Christianity and faith is a lie. Atheism and Eastern religions are more fashionable. The culture tells you to look and act certain ways or people will think you're a loser or weird. If you say you believe in God, you can expect people to be in your face, doing their best to tear down God, the Bible, and your belief in Christ. By now, you may even have a few doubts – everything seems so crazy and pointless, how can you believe God really does care about what is going on with you? Or if God is in charge of this chaos called life? You aren't the only one with questions! Find great answers to 15 popular faith questions and discover why the world is such a mess, why you can believe in Christ, and why God wants a relationship with you! Whether you are just considering homeschooling or have been teaching for years, this guide contains a wealth of practical information on the foundation, fundamentals, and form of Christian homeschool education. Topics discussed include understanding Christian education, parental rights and responsibilities, accountability and structure, teaching several children, using textbooks effectively, teaching art and music at home, and more. Never short of questions, let these titles bring answers to children who may just want to know, or who may be struggling in their walk with Christ. Parents and teachers need not be afraid of the tough questions with these solid apologetics titles in The Answers Book for Kids series. Too many children have grown up and left the Church because they asked tough questions and no one seemed to have an answer. Now, here are those answers! Where was the Tower of Babel built? How many languages came from Babel? Have you ever found a frozen person from the Ice Age? Genesis Curriculum Tracing offers little hands big spelling words to practice their handwriting. An immensely respected leader in today's homeschool movement, Dr. Ruth Beechick encourages families to center all aspects of their children's learning on God's Word in *A Biblical Home Education*. Beechick begins by showing how the subjects of worldview, science, and history have been pulled apart from the Bible and how they can be sensibly reconnected. In the author's words, "Since the fear of the Lord is the beginning of wisdom, that anti-God teaching can lead only to foolishness." Also included are chapters on thinking, reading, writing and study skills, learning methods, curriculum tips, and extensive teaching helps. When you look at the marvels of Earth and outer space, have you ever wondered: How did this all come about? And that leads to that ultimate question: Why are we here? *Guide to Creation* is a fascinating survey that explores these questions and more: Why is our world so perfectly fit for life yet still full of imperfections? What best explains the precision and consistency in the laws of science? How should we handle the times when science and the Bible seem to disagree? This book will take you on an incredible journey for the answers, which can be found all around us—in things as tiny as cells to as large as superstars. Along the way you'll learn what both science and the Bible say. A wealth of discoveries await you! It's easy to say we trust Christ for everything, but are we living that truth? We've been given clear instruction in a powerful promise for parents. God tells us in Deuteronomy to "teach our children diligently." This passage and many others give us great insight as to how to do that and enjoy the promised blessing that always accompanies the mandates we are given. Learn the practical view of discipleship parenting, what God expects from parents, and how to put these truths into action. See how parenting with the vision of teaching them diligently will intentionally bear fruit and affect change in your own life as well. Move beyond giving lip-service to what you believe, and make the conscious choice to rely on the wisdom of God's holy instruction for your life and parenting. So, why are we as Christian parents still uncertain? Why do we live in fear? Why are we losing our children in record numbers? What can we do about it?
