Spotlight on the Minor Prophets: 12 Book Bundle James Paris, 2013-09-10 This is the full 12 Bible Study guide books in the Spotlight On The Minor Prophets series Jonah Obadiah Joel Micah Amos Hosea Nahum Zephaniah Habakkuk Haggai Zechariah and Malachi Taken from a Christian standpoint this is an introduction to the Old Testament Prophets known commonly as the Minor Prophets This title in no way implies that they are inferior in any way to the giants amongst the prophets such as Isaiah or Ezekiel but rather the word minor merely applies to the brevity of the writings of these Old Testament prophets Bible Study Guide for Group or Individual use These are not intended to be in depth bible studies as such but instead an introduction or summary of the Prophets their times and influences both then and today This short bible series on the Old Testament Prophets looked at from a New Testament Christian point of view is intended for individual or group use and I have found them useful for encouraging debate and conversation on all the topics that affected the peoples at that time and now affect ourselves in today's world Studying the minor prophets reveals pearls of wisdom Job states that As sure as sparks fly upwards Man is born to trouble The social and economic troubles that the ancients faced are the same ones as we face now It has been said that if we do not learn from our mistakes then we are doomed to repeat them Perhaps it's time to listen to their problems and see what The Lord had to say through his spokesmen whom we know as the Minor Prophets I for one fully believe that the guidance offered to these Old Testament characters can for the most part be profitably applied by the New Testament Christian when looked upon in the light of the New Covenant that Christianity has to offer
