## The Heart Of Redness Zakes Mda

The Heart of Redness Zakes Mda, 2007-05-15 A startling novel by the leading writer of the new South Africa In *The Heart of Redness* shortlisted for the prestigious Commonwealth Writers Prize Zakes Mda sets a story of South African village life against a notorious episode from the country's past The result is a novel of great scope and deep human feeling of passion and reconciliation As the novel opens Camagu who left for America during apartheid has returned to Johannesburg Disillusioned by the problems of the new democracy he follows his famous lust to Qolorha on the remote Eastern Cape There in the nineteenth century a teenage prophetess named Nonqawuse commanded the Xhosa people to kill their cattle and burn their crops promising that once they did so the spirits of their ancestors would rise and drive the occupying English into the ocean The failed prophecy split the Xhosa into Believers and Unbelievers dividing brother from brother wife from husband with devastating consequences One hundred fifty years later the two groups descendants are at odds over plans to build a vast casino and tourist resort in the village and Camagu is soon drawn into their heritage and their future and into a bizarre love triangle as well *The Heart of Redness* is a seamless weave of history myth and realist fiction It is arguably the first great novel of the new South Africa a triumph of imaginative and historical writing

**The Heart of Redness** Zakes Mda, 2003-08 In a new novel by one of the premier writers of the new South Africa an exile returns from America where he fled during the apartheid regime to find his newly democratic country in a shambles Reprint 15 000 first printing

**The Zulus of New York** Zakes Mda, 2019-03-01 The Great Farini would stride on to the stage and announce Ladies and gentlemen and now for the highlight of the day the ferocious Zulus The impresario Farini introduced Em Pee and his troupe to his kind of show business and now they must earn their bread In 1885 in a bustling New York City they are the performers who know the true Zulu dances while all around them fraudsters perform silly jigs Reports on the Anglo Zulu War portrayed King Cetshwayo as infamous and audiences in London and New York flock to see his kin What the gawking spectators don't know is that Em Pee once carried nothing but his spear and shield when he had to flee his king But amid the city's squalid vaudeville acts appears a vision that leaves Em Pee breathless in a cage in Madison Square Park is Acol a Dinka princess on display For Em Pee it is love at first sight though Acol is not free to love anyone back

The Madonna of Excelsior Zakes Mda, 2007-05-15 A new novel by a towering presence in contemporary South African literature In 1971 nineteen citizens of Excelsior in South Africa's white ruled Free State were charged with breaking apartheid's Immorality Act which forbade sex between blacks and whites Taking this case as raw material for his alchemic imagination Zakes Mda tells the story of a family at the heart of the scandal and of a country in which apartheid concealed interracial liaisons of every kind Niki the fallen madonna transgresses boundaries for the sake of love her choices have repercussions in the lives of her black son and mixed race daughter who come of age in post apartheid South Africa where freedom prompts them to reexamine their country's troubled history at

first hand By turns earthy witty and tragic *The Madonna of Excelsior* is a brilliant depiction of life in South Africa and of the dramatic changes between the 1970s and the present **Sometimes There Is a Void** Zakes Mda,2012-01-03 A New York Times Notable Book of the Year South African novelist and playwright Zakes Mda s remarkable life story of growing up in South Africa Lesotho and America told with style and gusto Zakes Mda is the most acclaimed South African writer of the independence era His novels tell stories that venture far beyond the conventional narratives of a people s struggle against apartheid In this memoir he tells the story of a life that intersects with the political life of his country but that at its heart is the classic adventure story of an artist lover father teacher and bon vivant Zanemvula Mda was born in 1948 into a family of lawyers and grew up in Soweto s ambitious educated black class At age fifteen he crossed the Telle River from South Africa into Basutoland Lesotho exiled like his father a founding spirit of the Pan Africanist Congress Exile was hard but it was just another chapter in Mda s coming of age He served as an altar boy and was preyed on by priests flirted with shebeen girls feared the racist Boers read comic books alongside the literature of the PAC fell for the music of Dvor k and Coltrane wrote his first stories and felt the void at the heart of things that makes him an outsider wherever he goes The Soweto uprisings called him to politics playwriting brought him back to South Africa where he became writer in residence at the famed Market Theatre three marriages led him hither and yon acclaim brought him to America where he began writing the novels that are so thick with the life of his country In all this Mda struggled to remain his own man and with *Sometimes There Is a Void* he shows that independence opened the way for the stories of individual South Africans in all their variety *She Plays with the Darkness* Zakes Mda,2004-03 In a mountain village in Lesotho the beautiful Dikosha lives for setting herself apart from her fellow villagers Her brother Radisene struggles amid political upheaval to find a life for himself As the years pass Radisene s fortunes rise and fall in the city while Dikosha remains in the village never leaving and never aging **The Whale Caller** Zakes Mda,2006-10-17 A voice for which one should feel not only affection but admiration The New York Times *The Whale Caller* Zakes Mda s fifth novel is his most enchanting and accessible book yet a romantic comedy of sorts in which the changing face of post apartheid South Africa is revealed through prodigious lyrical storytelling As the novel opens the seaside village of Hermanus on the country s west coast is overrun with whale watchers foreign tourists wearing floral shirts and toting expensive binoculars determined to see whales in their natural habitat But when the tourists have gone home the *Whale Caller* lingers at the shoreline wooing a whale he calls Sharisha with cries from a kelp horn When Sharisha fails to appear for weeks on end the *Whale Caller* frets like a jealous lover oblivious to the fact that the town drunk Saluni a woman who wears a silk dress and red stiletto heels is infatuated with him After much ado which Mda relates with great relish the two misfits fall in love But each of them is ill equipped for romance and their on again off again relationship suggests something of the fitful nature of change in post apartheid South Africa where just living from one day to the next can be challenge enough Mda has spoken of the end of apartheid as a lifting of the South African novelist s burden to write

on political subjects With *The Whale Caller* he has written a tender charming novel the work of a virtuoso among international writers

**Dance of Life** Gail Fincham,2012-04-22 In recent years the work of Zakes Mda novelist painter composer theater director and filmmaker has attracted worldwide critical attention Gail Fincham's book examines the five novels Mda has written since South Africa's transition to democracy *Ways of Dying* 1995 *The Heart of Redness* 2000 *The Madonna of Excelsior* 2002 *The Whale Caller* 2005 and *Cion* 2007 *Dance of Life* explores how refigured identity is rooted in Mda's strongly painterly imagination that creates changed spaces in memory and culture Through a combination of magic realism African orature and intertextuality with the Western canon Mda rejects dualistic thinking of the past and the present the human and the nonhuman the living and the dead the rural and the urban He imbues his fictional characters with the power to orchestrate a reconfigured subjectivity that is simultaneously political social and aesthetic

**Ways of Dying** Zakes Mda,1997 *Ways of Dying* tells the story of the eccentric but dignified professional mourner Toloki His odyssey takes him from a rural village community to the shabby vibrant outskirts of a contemporary South African city where the tenderness that springs up between him and the beautiful and tragic Noria helps them to heal the past By turns magical brutal and funny this compelling work is a major new contribution to South African writing

Black Diamond Zakes Mda,2012-10-02 Kristin Uys is a tough Roodepoort magistrate who lives alone with her cat She is on a one woman crusade to wipe out prostitution in the town for reasons that have personal significance for her Although she is unable to convict the Visagie Brothers Stevo and Shortie on charges of running a brothel she manages to nail Stevo for contempt of court and gives him a summary six month sentence From Diepkloof Prison the outraged Stevo orchestrates his revenge against the magistrate aided and abetted by his rather inept brother Shortie and his erstwhile nanny Aunt Magda who believes mass action will force the powers that be to release Stevo Kristin receives menacing phone calls and her home is invaded and vandalised Even her cat is threatened The chief magistrate insists on assigning a bodyguard to protect her To Kristin s consternation security guard Don Mateza moves into her home and trails her everywhere Nor does this suit Don s long time girlfriend Tumi former model and successful businesswoman who is intent on turning Don into a Black Diamond sooner rather than later And Don soon finds that his new assignment has unexpected complications which Tumi simply does not understand In *Black Diamond* Zakes Mda tackles every conceivable South African stereotype skilfully and with the lightest touch turning them upside down and exposing their ironies often hilariously This is a clever quirky novel that captures the essence of contemporary life in Gauteng and will resonate with all South Africans *Postcolonial Identity in Wole Soyinka* Mpalive-Hangson Msiska,2007 Soyinka s representation of postcolonial African identity is re examined in the light of his major plays novels and poetry to show how this writer s idiom of cultural authenticity both embraces hybridity and defines itself as specific and particular For Soyinka such authenticity involves recovering tradition and inserting it in postcolonial modernity to facilitate transformative moral and political justice The past can be both our enabling future and our nemesis In a distinctive approach grounded in cultural studies *Postcolonial Identity in Wole Soyinka* locates the artist s intellectual and political concerns within the broader field of postcolonial cultural theory arguing that although ostensibly distant from mainstream theory Soyinka focuses on fundamental questions concerning international culture and political identity formations the relationship between myth and history tradition and modernity and the unresolved tension between power as a force for good or evil Soyinka s treatment of the relationship between individual selfhood and the various framing social and collective identities so the book argues is yet another aspect linking his work to the broader intellectual currents of today Thus Soyinka s vision is seen as central to contemporary efforts to grasp the nature of modernity His works conceptualize identity in ways that promote and modify national perceptions of Africanness rescuing them from the colonial and neocolonial logic of cultural denigration in a manner that fully acknowledges the cosmopolitan and global contexts of African postcolonial formation Overall what emerges from the present study is the conviction that in Soyinka s work it is the capacity to assume personal and collective agency and the particular choices made by particular subjects at given historical moments that determine the trajectory of change and ultimately the nature of postcolonial existence itself *Postcolonial*

Identity in Wole Soyinka is a major and imaginative contribution to the study of Wole Soyinka African literature and postcolonial cultural theory and one in which writing and creativity stand in fruitful symbiosis with the critical sense It should appeal to Soyinka scholars to students of African literature and to anyone interested in postcolonial and cultural theory

**Welcome to Our Hillbrow** Phaswane Mpe,2014-07-01 Welcome To Our Hillbrow is an exhilarating and disturbing ride through the chaotic and hyper real zone of Hillbrow microcosm of all that is contradictory alluring and painful in the changing South African psyche Everything is there the shattered dreams of youth sexuality and its unpredictable costs AIDS xenophobia suicide the omnipotent violence that often cuts short the promise of young people and the Africanist understanding of the life continuum that does not end with death but flows on into an ancestral realm Infused with the rhythms of the inner city pulsebeat this courageous novel is compelling in its honesty and its broad vision which links Hillbrow rural Tiragalong and Oxford It spills out the guts of Hillbrow living with the same energy and intimate knowledge with which the Drum writers wrote *Sophiatown* into being

fable of love and family What makes the better art perfect mimicry or inspiration Who makes the better wife a princess or a mysterious dancer Ageless and contemporary deceptive in its simplicity and mythical in its scope The Sculptors of Mapungubwe encompasses all we know of love envy and the artist s primal power to forge art from nature and nature into art Mda s newest novel will only strengthen his international reputation as one of the most trenchant voices of South Africa
