Love, Lucas Chantele Sedgwick, 2015-05-05 A 2015 Whitney Award Nominee A powerful story of loss, second chances, and first love reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother Lucas to cancer, she thinks she'll never recover. Between her parents arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Letters From The Earth Mark Twain, 2017-04-04 The Creator sat upon the throne thinking Behind him stretched the illimitable continent of heaven steeped in a glory of light and color before him rose the black night of Space like a wall His mighty bulk towered rugged and mountain like into the zenith and His divine head blazed there like a distant sun At His feet stood three colossal figures diminished to extinction almost by contrast archangels their heads level with His ankle bone When the Creator had finished thinking He said I have thought Behold He lifted His hand and from it burst a fountain spray of fire a million stupendous suns which clove the blackness and soared away and away and away diminishing in magnitude and intensity as they pierced the far frontiers of Space until at last they were but as diamond nailheads sparkling under the domed vast roof of the universe At the end of an hour the Grand Council was dismissed They left the Presence impressed and thoughtful and retired to a private place where they might talk with freedom None of the three seemed to want to begin though all wanted somebody to do it

In Search of Sisterhood Paula J. Giddings, 2009-10-06 *In Search of Sisterhood* is the definitive history of the largest Black women's organization in the United States and is filled with compelling fascinating anecdotes told by the Delta Sigma Theta members themselves illustrated with rare early photographs of the Delta women This book contains the story of Delta Sigma Theta Sorority DST and details the increasing involvement of Black women in the political social and economic affairs of America Founded at a time when liberal arts education was widely seen as either futile dangerous or impractical for Blacks and especially Black women DST is in Giddings's words a compelling reflection of Black women's aspirations for themselves and for society Giddings notes that unlike other organizations with racial goals Delta Sigma Theta was created to change and benefit individuals rather than society As a sorority it was formed to bring women together as sisters but at the same time to address the divisive often class related issues confronting Black women in our society There is in Giddings's eyes a tension between these goals that makes Delta Sigma Theta a fascinating microcosm of the struggles of Black women and their organizations DST members have included Mary McLeod Bethune Mary Church Terrell Margaret Murray Washington Shirley Chisholm Barbara Jordan and on the cultural side Leontyne Price Lena Horne Ruby Dee Judith Jamison and Roberta Flack
