Management: Principles And Practice Subramanian,2008-02 **IMF, WORLD BANK & ADB AGENDA ON**
PRIVATISATION Nihal Sri Ameresekere,2011-04-25 This shockingly explosive Book deals with the manipulative
privatization of Sri Lanka Insurance under a privatization program pushed by IMF World Bank and ADB questionably
mishandled by PricewaterhouseCoopers and Ernst involving a consortium of leading corporates controlled by one individual
portrayed as a close associate of former US President Bill Clinton This dubious deal was annulled as wrongful unlawful and
illegal by the Supreme Court the highest judiciary observing that it shocked the conscience of Court asserting that public
assets are held in trust on behalf of the people This Book exposes those holding elected and selected influential and powerful
public office unabashedly compromising national and public interests in the disposal of an invaluable national asset at a
ridiculous price to parties who had not even been pre qualified with one party incorporated in Gibraltar after the completion
of the process and whose source of funds channeled through a leading Bank remained a mystery This Book appallingly
reveals how pontificating professionals retrospectively manipulated the financials of Sri Lanka Insurance facilitating a
fraudulent demand for a refund from the Government It reveals the unashamed condoning of fraud and corruption and
bestowing on corrupt miscreants even more recognition shunning the rule of law and the absence of law enforcement and the
duplicitous stances of the Chamber of Commerce and the Institute of Chartered Accountants This book is an eye opener on
socio political realities and is invaluable to those dealing with privatization public finance and commerce fraud and
corruption forensic accounting and to legal academics and professionals and public interest activists **Hands-On Chaos**
