For a New Generation Lee D. Kricher,2016-08-02 A New Generation Church is a church with attendees whose average age is at least as young as the average age of the community in which the church exists Any church can become a New Generation Church that reaches and continues to reach the next generation The Psalmist writes We will not hide these truths from our children we will tell the next generation about the glorious deeds of the Lord about his power and his mighty wonders Psalm 78 4 NLT No Christian would purposely hide the timeless truths of Christianity from the next generation But often we do not because of the substance of our church but because of the approach of our church For A New Generation is not about changing your church s statement of faith or core beliefs It is about evaluating and changing as needed your church s programs ministries and practices in order to more effectively connect with and stay connected with the next generation Written for both church leaders and members For a New Generation presents 5 practical strategies that will lay a foundation for a church to thrive for generations to come It is based on the assumption that accepting the status quo is the greatest threat to your church s core mission and perhaps to the long term survival of your church

The Hillsong Movement Examined Tanya Riches, Tom Wagner, 2017-11-02 This interdisciplinary volume brings together leading writers and thinkers to provide a critique of a broad range of topics related to Hillsong Church Hillsong is one of the most influential visible and in some circles controversial religious organizations movements of the past thirty years Although it has received significant attention from both the academy and the popular press the vast majority of the scholarship lacks the scope and nuance necessary to understand the complexity of the movement or its implications for the social cultural political spiritual and religious milieus it inhabits This volume begins to redress this by filling important gaps in knowledge as well as introducing different audiences to new perspectives In doing so it enriches our understanding of one of the most influential Christian organizations of the late 20th and early 21st centuries

There Is More Brian Houston, 2018-03-20 Founder and Global Senior Pastor of Hillsong Church and author of *LIVE LOVE LEAD* shows how with God's power you can believe and achieve a life that exceeds every earthly expectation When you surrender control and follow God's guidance you become empowered and equipped to do the impossible reach higher and go further than you could have ever imagined giving Him all the glory By building our lives around godly principles surrounding ourselves with wisdom and living for a cause greater than ourselves we can effectively live out God's purposes and have an enduring impact As Brian Houston has personally discovered when we depend on Jesus as the source for our identity our lives can be a lasting legacy that maximize the gifts He has given each of us as unique individuals There is More is for anyone who wants to be challenged to live with expectancy Ephesians 3 is a call to release the immeasurable potential within you and the exceeding abundant and above plans and purposes of a Holy God that are beyond your greatest imagination Now to Him who is able to do exceedingly abundantly above all that we ask or think according to the power that works in us to Him be glory in the church by Christ Jesus to all generations forever and ever Amen Ephesians 3:20-21
