**Another America/Otra America** Barbara Kingsolver, 2022-02-22 From a bestselling and beloved author an intensely personal collection of poetry rich with political and human resonance Ursula K LeGuin Before becoming the bestselling author we know today Barbara Kingsolver as a new college graduate in search of adventure moved to the borderlands of Tucson Arizona What she found she says was another America Interweaving past political events from the US backed dictatorships in South America to the government surveillance carried out in the Reagan years Kingsolver's early poetry expands into a broader examination of the racism discrimination and immigration system she witnessed at close range The poems coalesce in a record of her emerging adulthood in which she confronts the hypocrisy of the national myth of America a confrontation that would come to shape her not only as an artist but as a citizen With a new introduction from Kingsolver that reflects on the current border crisis Another America is a striking portrait of a country deeply divided between those with privilege and those without and the lives of urgent purpose that may be carved out in between

**The Poisonwood Bible** Barbara Kingsolver, 2009-10-13 New York Times Bestseller Finalist for the Pulitzer Prize An Oprah's Book Club Selection Powerful Kingsolver has with infinitely steady hands worked the prickly threads of religion politics race sin and redemption into a thing of terrible beauty Los Angeles Times Book Review The Poisonwood Bible now celebrating its 25th anniversary established Barbara Kingsolver as one of the most thoughtful and daring of modern writers Taking its place alongside the classic works of postcolonial literature it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa The story is told by the wife and four daughters of Nathan Price a fierce evangelical Baptist who takes his family and mission to the Belgian Congo in 1959 They carry with them everything they believe they will need from home but soon find that all of it from garden seeds to Scripture is calamitously transformed on African soil The novel is set against one of the most dramatic political chronicles of the twentieth century the Congo's fight for independence from Belgium the murder of its first elected prime minister the CIA coup to install his replacement and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy Against this backdrop Orleana Price reconstructs the story of her evangelist husband's part in the Western assault on Africa a tale indelibly darkened by her own losses and unanswerable questions about her own culpability Also narrating the story by turns are her four daughters the teenaged Rachel adolescent twins Leah and Adah and Ruth May a prescient five year old These sharply observant girls who arrive in the Congo with racial preconceptions forged in 1950s Georgia will be marked in surprisingly different ways by their father's intractable mission and by Africa itself Ultimately each must strike her own separate path to salvation Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility

*Holding the Line* Barbara Kingsolver, 2012-11-26 *Holding the Line* Barbara Kingsolver's first non-fiction book is the story of women's lives transformed by a signal event. Set in the small mining towns of Arizona, it is part oral history and part social criticism exploring the process of empowerment which occurs when people work together as a community. Like Kingsolver's award-winning novels *Holding the Line* is a beautifully written book grounded on the strength of its characters. Hundreds of families held the line in the 1983 strike against Phelps Dodge Copper in Arizona. After more than a year, the strikers lost their union certification, but the battle permanently altered the social order in these small, predominantly Hispanic mining towns. At the time the strike began, many women said they couldn't leave the house without their husband's permission. Yet when injunctions barred union men from picketing, their wives and daughters turned out for the daily picket lines. When the strike dragged on and men left to seek jobs elsewhere, women continued to picket, organize support, and defend their rights, even when the towns were occupied by the National Guard. Nothing can ever be the same as it was before, said Diane McCormick of the Morenci Miners Women's Auxiliary. Look at us. At the beginning of this strike, we were just a bunch of ladies.

**Small Wonder** Barbara Kingsolver, 2009-10-13 In twenty-two wonderfully articulate essays, Barbara Kingsolver raises her voice in praise of nature, family, literature, and the joys of everyday life while examining the genesis of war, violence, and poverty in our world. From the author of *High Tide in Tucson* comes *Small Wonder*, a new collection of essays that begins with a parable gleaned from recent news: villagers search for a missing infant boy and find him unharmed in the cave of a dangerous bear that has mothered him like one of her own. Clearly, our understanding of evil needs to be revised. What we fear most can save us. From this tale, Barbara Kingsolver goes on to consider the chasm between the privileged and the poor, which she sees as the root cause of violence and war in our time. She writes about her attachment to the land, to nature, and to wilderness trees and mountains, the place from which she tells her stories. Whether worrying about the dangers of genetically engineered food crops or creating opportunities for children to feel useful and competent, like growing food for the family's table, Kingsolver looks for small wonders where they grow and celebrates them.

**Homeland** Barbara Kingsolver, 2011-10-06 FROM THE WINNER OF THE PULITZER PRIZE FOR FICTION TWICE WINNER OF THE WOMEN'S PRIZE FOR FICTION THE MULTI-MILLION COPY BESTSELLING AUTHOR From the international bestselling and prize-winning author of *Demon Copperhead*, *The Lacuna*, and *Poisonwood Bible*, the short stories in this collection are spread over landscapes ranging from northern California and the urban Southwest to the hills of eastern Kentucky and the Caribbean island of St. Lucia. In every setting, the characters are bound by a strong sense of place and the ties of love and family history: a child accepts the impossible responsibility of remembering her Cherokee great-grandmother's dying culture; a quietly dissolving couple must fight ghosts of past expectations to reach one another; a tough Mexican American woman finds herself in jail because of her commitment to a family legacy of doing the right thing. *Homeland and Other Stories* follows in the tradition of some of the great short-story writers of our time, including Alice Munro, Flannery O'Connor, and Annie Proulx. With disarming honesty, at times comic but often heartrending, Barbara Kingsolver emerges as a true master of the form. What readers are saying: Wonderful short stories, warm and engaging. I couldn't put it down. Thoroughly enjoyable. Barbara Kingsolver is one of the great storytellers of our time. Great stories, at times heartbreaking but combined with humor. Phenomenal. I'm adding this to my list of reasons to love Barbara Kingsolver.
