## The Protocols Of The Learned Elders Of Zion

Protocols of the Learned Elders of Zion Sergei Nilus, Victor Emile Marsden, 2014 The Protocols of the Elders of Zion is a tract alleging a Jewish and Masonic plot to achieve world domination Purportedly written by a secret group of Jews known as the Elders of Zion the document underlies 24 protocols that are supposedly followed by the Jewish people The Protocols has been proven to be a forgery The forgery contains numerous elements typical of what is known in literature as a False Document a document that is deliberately written to fool the reader into believing that what is written is truthful and accurate even though in actuality it is not It is also one of the best known and most discussed examples of literary forgery with analysis and proof of its fraudulent origin going as far back as 1921 The forgery is also an early example of Conspiracy Theory literature

**The Protocols of the Learned Elders of Zion** Sergyei Nilus, 2014-12-28 Of the Protocols themselves little need be said in the way of introduction The book in which they are embodied was published by Sergyei Nilus in Russia in 1905 A copy of this is in the British Museum bearing the date of its reception August 10 1906 All copies that were known to exist in Russia were destroyed in the Kerensky regime and under his successors the possession of a copy by anyone in Soviet land was a crime sufficient to ensure the owner s of being shot on sight The fact is in itself sufficient proof of the genuineness of the Protocols The Jewish journals of course say that they are a forgery leaving it to be understood that Professor Nilus who embodied them in a work of his own had concocted them for his own purposes Mr Henry Ford in an interview published in the New York WORLD February 17th 1921 put the case for Nilus tersely and convincingly thus The only statement I care to make about the PROTOCOLS is that they fit in with what is going on They are sixteen years old and they have fitted the world situation up to this time THEY FIT IT NOW Indeed they do The word Protocol signifies a precis gummed on to the front of a document a draft of a document minutes of proceedings In this instance Protocol means minutes of the proceedings of the Meetings of the Learned Elders of Zion These Protocols give the substance of addresses delivered to the innermost circle of the Rulers of Zion They reveal the converted plan of action of the Jewish Nation developed through the ages and edited by the Elders themselves up to date Parts and summaries of the plan have been published from time to time during the centuries as the secrets of the Elders have leaked out The bases for this supposition are the following namely that Freemason policy follows the lines of the Protocols and that S A Nilus tells us that the copy which came into his hands in 1901 bore the following inscription Signed by the Representatives of Zion of the 33rd Degree

**The Protocols of the Learned Elders of Zion -The Great in the Small & Antichrist** Sergei Nilus,Victor Marsden,2014-09-23 The Protocols of the Elders of Zion or The Protocols of the Meetings of the Learned Elders of Zion is a Jewish plan for global domination It was first published in Russia in 1903 translated into multiple languages in the early part of the 20th century Henry Ford funded printing of 500 000 copies that were distributed throughout the US in the 1920s The Protocols document the minutes of a late 19th century meeting of Jewish leaders discussing their goal of global Jewish hegemony by subverting the morals of Gentiles and by controlling the press and the world s economies

**The Protocols of the Meetings of the Learned Elders of Zion** Sergieĭ Nilus,2003 The Protocols of the Elders of Zion was supposedly written in 1897 from the minutes of 24 secret meetings between Jews and Freemasons in which they conspired to bring down Western civilization and jointly rule the world In reality it is nothing of the sort Protocols tells of a Jewish plot to take over the world Historians have long said the work is a forgery concocted by Czar Nicholas II s secret police to blame Russia s troubles on Jews In 1921 Philip Graves of the London Times revealed The Protocols to be a fraud showing it to be based on a French satire aimed at Napoleon III Professor Nilus was a priest in the Orthodox Church in Russia He published the first Russian language edition in 1905 In 1920 Henry Ford bought The Dearborn Independent a virile and very independent journal published in his home town He used it to publish the Protocols of the Elders of Zion and a series of articles about the book as part of his series of 81 articles between 1920 and 1922 on the Jewish Question in America which he called the world s foremost problem The Dearborn Independent was distributed nationwide to Ford dealer showrooms and was offered free of charge to the general public The relevant articles are collected here so that the whole can be studied at one time This book is an important document in the history of anti Semitism and has been used as required reading in many university anti Semitism courses

**The Protocols of the Meetings of the Learned Elders of Zion With Preface and Explanatory Notes** Victor E. Marsden,1986-06-01

**The Protocols of the Learned Elders of Zion** Sergei Nilus,2017-03-05 According to the claims made by some of its publishers the Protocols are the minutes of a late 19th century meeting where Jewish leaders discussed their goal of global Jewish hegemony by subverting the morals of Gentiles and by controlling the press and the world s economies The Protocols of the Elders of Zion is the most notorious and widely distributed antisemitic publication of modern times Its lies about Jews which have been repeatedly discredited continue to circulate today especially on the Internet The individuals and groups who have used the Protocols are all linked by a common purpose to spread hatred of Jews The Protocols is entirely a work of fiction intentionally written to blame Jews for a variety of ills Those who distribute it claim that it documents a Jewish conspiracy to dominate the world The conspiracy and its alleged leaders the so called Elders of Zion never existed

**The Protocols of the Learned Elders of Zion** Victor E Marsden,2017-06-08 Translated from the Russian by Victor Marsden The Protocols supposedly outlines a plan of action by elders of the Jewish Nation to rule the world to take control over key organizations including assets in order to manipulate world affairs in their favor Some say the issue has already been settled conclusively that it is clearly a forgery Although there may be final evidence to this effect we have not seen a clear and convincing version of it produced by those making the claim Others maintain that it was and is absolutely genuine proven by the fact that all copies were destroyed in Russia in the early 1900s by the Kerensky regime In the following years anyone caught with a copy could be and sometimes were shot on sight It was law The Protocols were taken seriously by the Russians and by people in America like the famed industrialist Henry Ford This seems to give it validity but people and nations have been known to be fooled If The Protocols are a forgery they still form an interesting book which deserves to be studied in the same way The War of the Worlds radio broadcast duped many thousands into thinking we were being invaded by Martians in the early part of the 20th century If however The Protocols are genuine which can never be proven conclusively it might cause some of us to keep a wary eye on world affairs We neither support nor deny its message we simply make it available for those who wish a copy

10 Is it possible for any sound logical mind to hope with any success to guide crowds by the aid of reasonable counsels and arguments when any objection or contradiction senseless though it may be can be made and when such objection may find more favor with the people whose powers of reasoning are superficial Men in masses and the men of the masses being guided solely by petty passions paltry beliefs traditions and sentimental theorems fall a prey to party dissension which hinders any kind of agreement even on the basis of a perfectly reasonable argument
