Canseco,2008-04-01 In 2005 Jose Canseco blew the lid off Major League Baseball s steroid scandal and no one believed him His New York Times bestselling memoir Juiced met a firestorm of criticism and outrage from the media coaches clubs and

players many of whom Canseco had personally introduced to steroids with a needle in the ass Baseball's former golden boy Rookie of the Year onetime Most Valuable Player and owner of two World Series rings was called a liar Now steroids are back in the headlines Record breaking athletes are falling from grace and the infamous Mitchell Report confirmed the names of major leaguers who have indeed used steroids while others remain under investigation The answer is clear Jose Canseco told the truth And why wouldn't he He started it all Finally in Vindicated Canseco picks up where Juiced left off revealing details even more shocking than in his controversial first book He spills never before implicated names arguably the biggest in the game of baseball and explores the mystery of one celebrated player about whom key information was suddenly excised from Juiced at the last minute He talks candidly about what the Mitchell Report did and didn't get right why steroid use became so rampant and how his life has changed since he tore the lid off Pandora's box Lest there be any doubt about the veracity of his claims Canseco subjected himself to three lie detector tests one of which was conducted by a former FBI special agent and top polygraph examiner who investigated the Unabomber Whitewater the Oklahoma City bombing and the 1993 bombing of the World Trade Center Transcripts of those taped interviews are also included in this straight talking examination of the current state of baseball This time he's not just out to clear his name He's out to clean up the game

Game of Shadows Mark Fainaru-Wada, Lance Williams, 2006-03-23 In the summer of 1998 two of baseball's leading sluggers Mark McGwire and Sammy Sosa embarked on a race to break Babe Ruth's single season home run record The nation was transfixed as Sosa went on to hit 66 home runs and McGwire 70 Three years later San Francisco Giants All Star Barry Bonds surpassed McGwire by 3 home runs in the midst of what was perhaps the greatest offensive display in baseball history Over the next three seasons as Bonds regularly launched mammoth shots into the San Francisco Bay baseball players across the country were hitting home runs at unprecedented rates For years there had been rumors that perhaps some of these players owed their success to steroids But crowd pleasing homers were big business and sportswriters fans and officials alike simply turned a blind eye Then in December of 2004 after more than a year of investigation San Francisco Chronicle reporters Mark Fainaru Wada and Lance Williams broke the story that in a federal investigation of a nutritional supplement company called BALCO Yankees slugger Jason Giambi had admitted taking steroids Barry Bonds was also implicated Immediately the issue of steroids became front page news The revelations led to Congressional hearings on baseball's drug problems and continued to drive the effort to purge the U.S. Olympic movement of drug cheats Now Fainaru Wada and Williams expose for the first time the secrets of the BALCO investigation that has turned the sports world upside down Game of Shadows Barry Bonds BALCO and the Steroid Scandal That Rocked Professional by award winning investigative journalists Mark Fainaru Wada and Lance Williams is a riveting narrative about the biggest doping scandal in the history of sports and how baseball's home run king Barry Bonds of the San Francisco Giants came to use steroids Drawing on more than two years of reporting including interviews with hundreds of people and exclusive access to secret

grand jury testimony confidential documents audio recordings and more the authors provide for the first time a definitive account of the shocking steroids scandal that made headlines across the country The book traces the career of Victor Conte founder of the BALCO laboratory an egomaniacal former rock musician and self proclaimed nutritionist who set out to corrupt sports by providing athletes with designer steroids that would be undetectable on state of the art doping tests Conte gave the undetectable drugs to 28 of the world s greatest athletes Olympians NFL players and baseball stars Bonds chief among them A separate narrative thread details the steroids use of Bonds an immensely talented moody player who turned to performance enhancing drugs after Mark McGwire of the St Louis Cardinals set a new home run record in 1998 Through his personal trainer Bonds gained access to BALCO drugs All of the great athletes who visited BALCO benefited tremendously Bonds broke McGwire s record but many had their careers disrupted after federal investigators raided BALCO and indicted Conte The authors trace the course of the probe and the baffling decision of federal prosecutors to protect the elite athletes who were involved Highlights of Game of Shadows include Barry Bonds A look at how Bonds was driven to use performance enhancing drugs in part by jealousy over Mark McGwire s record breaking 1998 season It was shortly thereafter that Bonds who had never used anything more performance enhancing than a protein shake from the health food store first began using steroids How Bonds s weight trainer steroid dealer Greg Anderson arranged to meet Victor Conte before the 2001 baseball season with

Bases Loaded Kirk Radomski,2009-01-27 On a quiet street on Long Island early on a December morning in 2005 more than fifty federal agents stood outside a lovely new home waiting for the front door to be opened When it did there stood the central figure in one of the biggest scandals in sports history Kirk Radomski Radomski was a regular New York kid who from the age of fifteen had the amazing fortune of working in the Mets clubhouse The focus of his job was to give the players whatever they wanted or needed he got their uniforms ready packed up their homes at the end of the season cashed their checks and helped them beat the drug tests that would have led to suspension And at the end of the 1986 season he even led the World Champions down Broadway during their victory parade Eventually he graduated to helping in other ways providing them with steroids and human growth hormones By the time the Feds knocked on his door he was the main clubhouse supplier of performance enhancing drugs to almost three hundred baseball players Under threat of a long prison sentence and after being identified by players he d helped he cooperated with Senator George Mitchell to produce the Mitchell Report providing names and dates Now he s ready to tell the whole story to the world Radomski made little money from these transactions and in this stunning book he will recount what baseball knew about the problem his life since the report came out and who took what This is the tale of a young man seeing his heroes turn into clay and the degradation of a once great sport into the drug addicted spectacle it has become
