GIMP Mark Zupan,Tim Swanson,2006-10-17 Mark Zupan was a college soccer star out drinking one night with friends Tired from the game and from a few too many beers he decided to take a nap in the back of his best friend s pickup truck Still asleep when the vehicle started and drove away he was suddenly jolted awake as the truck crashed Mark was thrown into a canal and was stuck in frigid water barely clinging to a tree branch for fourteen hours When he was finally rescued Mark discovered the terrible truth he d broken his neck and would most likely be a quadriplegic facing life in a wheelchair with only limited use of his four limbs At first Mark s only goal was to walk again and when that proved impossible he fell into the depths of despair and retreated from the world and from the people closest to him increasingly bitter and furious with himself But through love friendship and an introduction to a new sport Mark realized that he could live a more than full life in a chair and has gone on to create an existence that s truly exceptional Now a Paralympic athlete playing quad rugby aka murderball who s starred in a movie Mark explains in his memoir that in a way getting hurt was the best thing that could ever have happened to him and that despite people s prejudices a guy in a chair still gets to have sex

with his girlfriend party with his friends and even crowd surf at Pearl Jam shows Inspiring defiant and revealing GIMP will appeal not only to fans of Murderball but also to anyone ready to be motivated by a touching captivating and heartfelt story about triumphing over adversity
