The Immortals Amit Chaudhuri,2010-09-21 In 1980s Bombay a highly regarded voice teacher and his affluent sixteen year old student enter into a relationship that will have unexpected and lasting consequences in their lives and the lives of their families With exquisitely sensuous detail quiet humor and unsentimental poignancy Amit Chaudhuri paints a luminous portrait of the spiritual and emotional force behind a revered Indian tradition of two fundamentally different but intricately intertwined families and of a society choosing between the old and the new

Friend of My Youth Amit Chaudhuri,2019-02-05 An intensely personal novel about childhood memory and history by one of today s most celebrated authors now available in the US for the first time *Friend of My Youth* begins with the novelist Amit Chaudhuri returning to Bombay the city in which he grew up to give a reading Ramu the friend of his youth with whom he likes to get together when he comes back is not there after years of disabling drug addiction Ramu has signed up for an intensive rehab program But Amit Chaudhuri has errands to run in Bombay for his mother and wife which take him back to the Taj Mahal Hotel the site not that long before of a brutal terrorist attack Amit Chaudhuri writes novels the way an extraordinary instrumentalist makes music stating and restating his themes trying them out in different keys and to various effect developing and dropping them only to pick them up again and turn them completely around He engages both our minds and our hearts He makes us marvel *Friend of My Youth* his deceptively casual and continually observant and inventive new novel makes us see and feel the great city of Bombay while bringing us into the quizzical tender rueful and reflective sensibility of its central character Amit Chaudhuri not to be confused we are told with the novelist who wrote this book *Friend of My Youth* reflects on the nature of identity the passage of time the experience of friendship the indignities of youth and middle age the lives of parents and children and for all the humor that seasons its pages terror the terror that can strike from nowhere the terror that is a fact of daily life *Friend of My Youth* is fearfully and wonderfully made

A Strange and Sublime Address Amit Chaudhuri,2024-05-14 Writer and musician Amit Chaudhuri s elegant debut novel in which an Indian ten year old experiences the entirely distinct experiences of life in Bombay where his family lives and Calcutta where he visits relatives during his summer vacation Ten year old Sandeep lives in a high rise in Bombay where his father has an important job that keeps him busy all the time Come summer Sandeep and his mother travel to Calcutta to spend time with his aunt his self absorbed and improvident uncle and Abhi his favorite cousin His relatives house is shadowy and rambling

the vast city around it ramshackle and alluring They fascinate curious observant Sandeep Days pass the heat grows the rains come the visit ends In the winter Sandeep and his family return to Calcutta and encounter an unexpected turn of events But Sandeep has arrived at a new sense of things an understanding of how the marvelous inheres in the mundane that will be his we feel for good At once delicate and incisive A Strange and Sublime Address succeeds in both immersing us in a boy's inner world and depicting that boy and his world from outside It was Amit Chaudhuri's first book the work of a novelist whose striking originality of conception would subsequently become ever more clear The three decades since the publication of A Strange and Sublime Address have only confirmed its appeal and poetry

Calcutta Amit Chaudhuri,2013-09-10 The award winning author Amit Chaudhuri has been widely praised for the beauty and subtle power of his writing and for the ways in which he makes place as complex a character as his men and women Now he brings these gifts to a spellbinding amalgam of memoir reportage and history in this intimate luminous portrait of Calcutta Chaudhuri guides us through the city where he was born the home he loved as a child the setting of his acclaimed novels a place he now finds captivating for all the ways it has and perhaps more powerfully has not changed He shows us a city relatively untouched by the currents of globalization but possessed of a self renewing way of seeing of inhabiting space of apprehending life He takes us along vibrant avenues and derelict alleyways introduces us to intellectuals Marxists members of the declining haute bourgeoisie street vendors domestic workers brings to life the city's sounds and smells its architecture its traditional shops and restaurants new malls and hotels And using the historic elections of 2011 as a fulcrum Chaudhuri looks back to the nineteenth century when the city burst with a new vitality and toward the politics of the present finding a city still not recovered from history yet possessed of a singular modernity Chaudhuri observes and writes about Calcutta with rare candor and clarity making graspable the complex ultimately ineluctable reasons for his passionate attachment to the place and its people

The Immortals James Gunn,2004-09-13 James Gunn's masterpiece about a human fountain of youth collects the author's classic short stories that ran in elite science fiction magazines throughout the 1950s What is the price for immortality For nomad Marshall Cartwright the price is knowing that he will never grow old That he will never contract a disease an infection or even a cold That because he will never die he must surrender the right to live For Dr Russell Pearce the price is eternal suspicion He appreciates what synthesizing the elixir vitae from the Immortal's genetic makeup could mean for humankind He also fears what will happen should Cartwright's miraculous blood fall into the wrong hands For the wealthy and powerful no price is too great Immortality is now a fact rather than a dream But the only way to achieve it is to own it exclusively And that means hunting down and caging the elusive Cartwright or one of his offspring

Real Time Amit Chaudhuri,2015-06-02 Amit Chaudhuri's stories range across the astonishing face of the modern Indian subcontinent From divorcees about to enter into an arranged marriage to the teenaged poet who develops a relationship with a lonely widower from singing teachers to housewives to white collar businessmen *Real Time* deftly explores the juxtaposition of the new and old worlds in his native

India Here are stories as sweet and ironic as they are deft and revealing *Afternoon Raag* Amit Chaudhuri,2024-05-14 Winner of the UK's Encore Award for best second novel a lyrical story of a Bengali student at Oxford University who is caught in the complications of a love triangle *Afternoon Raag* is a book of branching and overlapping stories a book that like memory moves unpredictably in time In it a nameless first person narrator looks back at his student days in Oxford a period of loneliness and discovery when his affections were torn between two women and to the summer vacations that took him from England to Bombay where his parents lived and later to Calcutta where he was born Descriptions of Oxford's green lawns and drab dorms of friends and classes and the relentless drizzle sit beside Bombay street scenes and recollections of the teacher now dead from whom the narrator and his mother learned music *Afternoon Raag* is a book about the uncertainty of youth and the strange inevitability of growing up Its images are wonderfully vivid its rhythms elastic and entrancing Throughout it is haunted by the spirit of the music teacher the master singer who gives shape to the elusive and annihilating passage of time

Telling Tales Amit Chaudhuri,2013-08-22 Spanning a writing career of over twenty years acclaimed novelist and author of *Calcutta Two Years in the City* Amit Chaudhuri is also one of the most gifted essayists and critics writing today whose work has appeared in the pages of many of the most prestigious newspapers and journals in the world including *The London Review of Books* *The Times Literary Supplement* *Granta* *The Guardian* and *The Dublin Review* Collected here for the first time *Mere Writing* is a selection of Chaudhuri's most enduring short non fiction that showcases his sense of humour his idiosyncratic capacity to transform the mundane his political engagement and his mastery of words From playing *Cowboys and Indians* as a child in India to an outsider's perspective on the British class system to a plane that was hijacked by Pakistani men and taken to Afghanistan at the turn of the millennium to the works of V S Naipaul and to the humble Indian savoury the *chanachur* these essays display Chaudhuri's ability to find meaning in every aspect of the physical and intellectual world and will consolidate his reputation as one of most original and elegant writers publishing in English today

Black Lake Johanna Lane,2014-05-20 A debut novel about a family losing grip of its legacy a majestic house on the cliffs of Ireland The Campbells have lived happily at *Dulough* an idyllic rambling estate isolated on the Irish seaside for generations But upkeep has drained the family coffers and so John Campbell must be bold to keep *Dulough* he will open its doors to the public as a museum He and his wife daughter and son will move from the luxury of the big house to a dank small caretaker's cottage The upheaval strains the already tenuous threads that bind the family and when a tragic accident befalls them long simmering resentments and unanswered yearnings surface As each character is given a turn to speak their voices tell a complicated fascinating story about what happens when the upstairs becomes the downstairs and what legacy is left when family secrets are revealed

What Ever Happened to Modernism? Gabriel Josipovici,2010-09-28 The quality of today's literary writing arouses the strongest opinions For novelist and critic Gabriel Josipovici the contemporary novel in English is profoundly disappointing a poor relation of its groundbreaking Modernist forebears This agile and passionate book asks

why Modernism Josipovici suggests is only superficially a reaction to industrialization of a revolution in diction and form essentially it is art arriving at a consciousness of its own limits and responsibilities And its origins are to be sought not in 1850 or even 1800 but in the early 1500s with the crisis of society and perception that also led to the rise of Protestantism With sophistication and persuasiveness Josipovici charts some of Modernism's key stages from Diderot Rabelais and Cervantes to the present bringing together a rich array of artists musicians and writers both familiar and unexpected including Beckett Borges Friedrich Schlegel Stevens Robbe Grillet Beethoven and Wordsworth He concludes with a stinging attack on the current literary scene in Britain and America which raises questions not only about national taste but about contemporary culture itself Gabriel Josipovici has spent a lifetime writing and writing about other writers This book is a strident call to arms and a tour de force of literary artistic and philosophical explication that will stimulate anyone interested in art in the twentieth century and today

Freedom Song Amit Chaudhuri, 2024-05-14 Winner of the Los Angeles Times Book Prize for Fiction a graceful depiction of middle class Calcutta seen through the lives of two interlinked families living in the city during the 1990s *Freedom Song* is a novel about family life and city life at an uneasy moment in time Set in Calcutta in 1993 the book begins by introducing us to Khuku whose husband Shib is a retired executive and whose son has gone to live in America Khuku's old friend Mini a teacher suffering from a bad case of arthritis is paying a visit which gives the two women a chance to gossip and reminisce and see the town Khuku's brother Bhola lives nearby with his wife and two grown children Everyone is concerned about his son Bhaskar who has recently joined the Communist Party He sells the party newspaper on the streets He engages in street theater and while no longer in his first youth he remains unmarried *Freedom Song* circles around this small upper middle class world with its customs memories pleasures and worries but also ventures out into the wider world in which the destruction of the venerable Babri Masjid by Hindu fundamentalists has started a cycle of sectarian violence A novel of ordinary life of work and love shadowed by larger uncertainty *Freedom Song* is a transfixing performance deeply humane and winningly humorous by one of the subtlest and sharpest writers of our time A world of insight and feeling emerges from Amit Chaudhuri's wonderfully expansive sentences and style is revealed as nothing less than a form of knowledge
