The Seven Deadly Sins and the Seven Heavenly Virtues

Feb 08 2023 THE SEVEN DEADLY SINS AND THE SEVEN HEAVENLY VIRTUES by JULIAN BOUND 'The Seven Sins and Virtues as viewed in religion, ancient mythology and in art and literature.' The Seven Deadly Sins and the antidotes of The Seven Heavenly Virtues have been depicted throughout history in forms of both Greek and Roman mythology and in the world of art and literature. Perceived as being associated within the doctrine of the Christian faith, the eastern religions of Buddhism, Hinduism and Sikhism all share a parallel view of the seven sins and virtues, yet are expressed in the theology of different precepts. Examining the similarities of each sin and virtue within religions of the world, and of the portrayal in mythology and art and literature, 'The Seven Deadly Sins and The Seven Heavenly Virtues' also invites the reader to identify which sin they are prone to and of what virtue best displays their greatest qualities; the result of which is an exploration of the self within the aspects of the seven sins and seven virtues, and so acting as a guide for each soul's unique individual path.

The Sinner's Guide Jul 01 2022

Deadly Sins and Saving Virtues Jun 12 2023 Using biblical narratives, the Beatitudes and Erick H. Erikson's life cycle theory, Donald Capps reveals ways to combat the deadly sins by nurturing saving virtues. With his work rooted deeply in the Bible, Capps attempts to show comparisons that link each traditional deadly sin with a particular stage of

personality development, using biblical figures to provide dynamic examples of virtue and sin. Providing broad implications for practicing ministry, Capps book will intrigue all who wish to explore virtue and sin from a pastoral, biblical and psychological perspective.

***The Vampire's Promise* Feb 13 2021 Althea, Devnee, and Lacey all bargain with a vampire for popularity, beauty, and freedom, but are faced with the consequences of their deals when the vampire chooses his victims.**

***Dangerous Virtues* Apr 10 2023 Five short stories by a Spanish writer. The title story is on two women communicating by staring, while The Dead is on an unhappy wedding anniversary. and index.**

The Book of Virtues Jan 27 2022 Responsibility. Courage. Compassion. Honesty. Friendship. Persistence. Faith. Everyone recognizes these traits as essentials of good character. In order for our children to develop such traits, we have to offer them examples of good and bad, right and wrong. And the best places to find them are in great works of literature and exemplary stories from history. William J. Bennett has collected hundreds of stories in *The Book of Virtues*, an instructive and inspiring anthology that will help children understand and develop character -- and help adults teach them. From the Bible to American history, from Greek mythology to English poetry, from fairy tales to modern fiction, these stories are a rich mine of moral literacy, a reliable moral reference point that will help anchor our children and ourselves in our

culture, our history, and our traditions -- the sources of the ideals by which we wish to live our lives.

Complete with instructive introductions and notes, *The Book of Virtues* is a book the whole family can read and enjoy -- and learn from -- together.

Deadly Offer Sep 03 2022 DIVAlthea's dreams are about to become her nightmares/divDIV Althea has always been a sweet, kind girl. In middle school, she had a group of friends to hang out with. She was on the softball team, took gymnastics, and won ribbons for horseback riding. But high school is horrible for Althea. She doesn't make the cheerleading squad. Her group of friends splits apart to form new cliques, and Althea is left to sit alone at lunch. That is, until she discovers a vampire living in the attic tower of her family home. A vampire who can make her dreams come true: a spot on the cheerleading squad; popularity; a boyfriend. All the vampire wants in return is a small sacrifice, and Althea is in too deep to back out now./divDIV /divDIVThe first book in Caroline B. Cooney's *Vampire's Promise* trilogy reveals the danger behind the door of the Shuttered Room . . ./divDIV /divDIVThis ebook features an illustrated biography of Caroline B. Cooney including rare images and never-before-seen documents from the author's personal collection./div

Deadly Virtues Dec 18 2023 In this fast-paced thriller, *Deadly Virtues*, acclaimed writer Jo Bannister proves once again why she is considered "one of the genre's best" (Booklist) The town of Norbold, England is

famous for its low crime rate, thanks to the zero-tolerance policy of Chief Superintendent John Fountain. And Norbold's newest police recruit, Hazel Best, is happy to help keep it that way. But numbers never tell the whole story, do they? Jerome Cardy knew he was going to die. He also knew that it would be made to appear like an accident. He might not be able to prevent it, but Jerome was determined to make sure that someone knew what was going to happen—even if that someone was a man with a concussion lying with his dog in a jail cell next to him. After Jerome is found beaten to death by a fellow inmate in another cell, Ash is unable to forget Jerome's last awkward words to him: "I had a dog once. Othello. That was its name. Othello." Certain there is a hidden message in these words, Ash is determined to discover the truth. But it won't be easy—no one believes his account of that night. And Hazel Best must decide whether pursuing the truth is worth her career.

The Seven Deadly Virtues and Other Stories Jan 19 2024

***Children's Book of Virtues* Mar 29 2022** A collection of stories and poems presented to teach virtues, including compassion, courage, honesty, friendship, and faith.

The Seven Deadly Virtues Apr 22 2024

The Fallen: Genesis Aug 14 2023 THE FALLEN: GENESIS (A Deadly Virtues Prequel) IN THE BEGINNING...They told them they were evil.They told them they were possessed by demons.They told them

that darkness ran in their veins. Holy Innocents Home for Children is a haven for orphaned boys who have nothing and no one. The priests watch over them, educate them, raise them in the family of the church. Except for some. Seven of the orphans are no ordinary boys. They attract the attention of the priests for their acts of violence, of bloodlust. The priests realize these boys are drawn to the darkness. And the priests are no ordinary priests. They are the Brethren, a secret sect who believe themselves on a divine mission to seek out evil in the boys in their care. Seek it out, and then drive it out. The seven have fallen from God's grace. And the Brethren will cleanse their blackened souls... Dark Contemporary Romance novella. Contains sexual situations, violence, sensitive and taboo subjects, offensive language and topics some may find triggering. Recommended for age 18 years and up.

The Deadly Virtue Feb 25 2022

A Small Treatise on the Great Virtues Apr 29 2022
Drawing on thinkers from Aristotle to Simone Weil, by way of Aquinas, Kant, Rilke, Nietzsche, Spinoza, and Rawls, among others, Comte-Sponville elaborates on the qualities that constitute the essence and excellence of humankind.

The Dadly Virtues Mar 21 2024 From the all-star cast who brought you **The Seven Deadly Virtues** comes a book with a look at the good life... or the crazy-stressful-overwhelmed life... of a father. **The Dadly Virtues** is a tongue-in-cheek collection of

encouragement and guidance for any stage of fatherhood, from pacifying babies to prepping for senior prom, from cutting the cord to getting the first, “Best Grandpa” t-shirt. P.J. O’Rourke sets the stage with the chapter, “What Do Men Get from Fatherhood? Besides What They Put In ...” and then is followed by:

- Matthew Continetti’s, “Newborn Terror: The Moment You Realize that ‘Bundle of Joy’ Is a Euphemism for Something Very Different.”
- Stephen F. Hayes’ “Siblings: The Best Gift You’ll Ever Give Your Kids.”
- Jonah Goldberg’s “Get Your Kid a Dog: The Moral Case for Pets.”
- Tucker Carlson’s “In Praise of Adventure: How to Fill a Child’s Life with Excitement and Danger (without Getting Them Killed).”
- Michael Graham’s, “Dating: Enjoy the Movie and Please Keep the Impregnation to a Minimum.”
- Christopher Caldwell’s “College: It’s Not as Bad as You Think; It’s Worse.”
- Andrew Ferguson’s “Emerging Adults and Empty Nesters: Just When You Had Fatherhood All Figured Out.”
- Toby Young’s “The Dark Side: Bad Parenting and the Things We Think, but Do Not Say.”
- Joseph Epstein’s “Thanks, Grandpa: Grandfatherhood and the Spirit of the Age.”

• And more. Father-to-be, two-time-dad, or granddad, each essay will make you laugh and, at the same time, reinforce your commitment to the virtuous—the dadly—life.

After Virtue Dec 06 2022 Highly controversial when it was first published in 1981, Alasdair MacIntyre's After Virtue has since established itself as a landmark work in contemporary moral philosophy. In this book,

MacIntyre sought to address a crisis in moral language that he traced back to a European Enlightenment that had made the formulation of moral principles increasingly difficult. In the search for a way out of this impasse, MacIntyre returns to an earlier strand of ethical thinking, that of Aristotle, who emphasised the importance of 'virtue' to the ethical life. More than thirty years after its original publication, *After Virtue* remains a work that is impossible to ignore for anyone interested in our understanding of ethics and morality today.

Positive Psychotherapy Sep 22 2021 For over a century the focus of psychotherapy has been on what ails us, with the therapeutic process resting upon the assumption that unearthing past traumas, correcting faulty thinking, and restoring dysfunctional relationships is curative. And indeed, they are - but in the rush to identify and reduce symptoms of mental disorder, something important has been overlooked: the positives. Should enhancing well-being, and building upon character strengths and virtues, be explicit goals of therapy? Positive Psychotherapy provides therapists with a session-by-session therapeutic approach based on the principles of positive psychology, a burgeoning area of study examining the conditions and processes that enable individuals, communities, and institutions to flourish. This clinician's manual begins with an overview of the theoretical framework for positive psychotherapy, exploring character strengths and positive psychology

practices, processes, and mechanisms of change. The second half of the book contains 15 positive psychotherapy sessions, each complete with core concepts, guidelines, skills, and worksheets for practicing skills learned in session. Each session also includes at least one vignette as well as discussion of cross-cultural implications. Mental health professionals of all orientations will find in Positive Psychotherapy a refreshing alternative to symptom-based approaches that will endow clients with a sense of purpose and meaning that many have found lacking in more traditional therapies.

***Dangerous Virtues* Nov 17 2023 Has the World Confused Evil with Righteousness? When sin is disguised as virtue, the path to cultivating righteousness becomes impossible. Such is the challenge Christians face in the modern age. Not long ago, most people would agree that the seven deadly sins are in fact deadly. But ask them today, and you'll hear a different answer. Today, "anger" is often considered an admirable emotion, "lust" the only expression of love, and "greed" the unassailable right to "get what's yours." The world can rebrand sin all it wants and declare the death of truth, but it has no power against the truth of the Scripture. What God calls sin is sin—no matter what the world says. And sin always has the same destination—death and destruction. *Dangerous Virtues* examines how to recognize these seven deadly sins as they are subtly disguised in today's culture. Dr. John Koessler**

provides a theology of sin and why the Christian must develop a prayerful heart and discerning eye to identify where sin exists in a world where good is called evil and evil called good.

The Bad Catholic's Guide to the Seven Deadly Sins Oct 04 2022 Scripture places high priority on the disciplinemaking capacity of the church, This book shows how to accomplish it. Foreword by Howard Ball.

The End of Policing Apr 17 2021 The massive uprising following the police killing of George Floyd in the summer of 2020--by some estimates the largest protests in US history--thrust the argument to defund the police to the forefront of international politics. It also made The End of Policing a bestseller and Alex Vitale, its author, a leading figure in the urgent public discussion over police and racial justice. As the writer Rachel Kushner put it in an article called "Things I Can't Live Without", this book explains that "unfortunately, no increased diversity on police forces, nor body cameras, nor better training, has made any seeming difference" in reducing police killings and abuse. "We need to restructure our society and put resources into communities themselves, an argument Alex Vitale makes very persuasively." The problem, Vitale demonstrates, is policing itself--the dramatic expansion of the police role over the last forty years. Drawing on first-hand research from across the globe, The End of Policing describes how the implementation of alternatives to policing, like drug legalization, regulation, and harm reduction instead of the policing

of drugs, has led to reductions in crime, spending, and injustice. This edition includes a new introduction that takes stock of the renewed movement to challenge police impunity and shows how we move forward, evaluating protest, policy, and the political situation.

The Seven Deadly Virtues Jun 19 2021

Sharp and Dangerous Virtues Aug 02 2022 It's 2047 in Dayton, Ohio. In response to food and water shortages, the U.S. government has developed an enormous, and powerfully successful, agricultural area—the “Heartland Grid”—just north of the city. In the meantime, in the wake of declining American power a multinational force has established itself in Cleveland. Behind these quickly shifting alliances lies a troubling yet tantalizing question: what will the American future look like? *Sharp and Dangerous Virtues* is the story of ordinary people caught in situations they had never planned for or even imagined. There are Chad and Sharis, a married couple with two sons, holding out for normal life in their decaying suburb; Tuuro, a black church custodian whose false confession of murder is used for political purposes; Lila, Dayton's aging, lonely Commissioner of Water, who dreams of being part of the “pure” existence of the Grid residents; and Charles and Diana, idealistic lovers trying desperately to preserve the nature center that has become their refuge. What will these people do? What choices are left for them, and what choices have been taken away? Whom and what can they trust? Novelist Moody—known for her vivid portrayals of complicated

characters and relationships in novels such as Best Friends and Sometimes Mine—weaves together cataclysmic events and the most intimate of human emotions to create a future that seems achingly real. Sharp and Dangerous Virtues will change the way you think and feel.

Back to Virtue May 31 2022 "We have reduced all virtues to one: being nice. And, we measure Jesus by our standard instead of measuring our standard by Him." For the Christian, explains author Peter Kreeft, being virtuous is not a means to the end of pleasure, comfort and happiness. Virtue, he reminds us, is a word that means "manly strength." But how do we know when we are being meek--or just cowardly? When is our anger righteous--and when is it a sin? What is the difference between being virtuous--and merely ethical? Back to Virtue clears up these and countless other questions that beset Christians today. Kreeft not only summarizes scriptural and theological wisdom on leading a holy life, he contrasts Christian virtue with other ethical systems. He applies traditional moral theology to present-day dilemmas such as abortion and nuclear armament. Kreeft restores to us what was once common knowledge: the Seven Deadly Sins have an antidote in the Beatitudes. By setting up a close contrast between the two sets of behaviors, Kreeft offers proven guidance in the often bewildering process of discerning right from wrong as we move into the questionable mores of the twenty-first century. He provides a road map of virtue, a map for

our earthly pilgrimage synthesized from the accumulated wisdom of centuries of Christians, from Paul and the early Church Fathers through C.S. Lewis.

Deadly Vices Jul 13 2023 Gabriele Taylor presents a philosophical investigation of the 'ordinary' vices traditionally seen as 'death to the soul': sloth, envy, avarice, pride, anger, lust, and gluttony. This complements recent work by moral philosophers on virtue, and opens up the neglected topic of the vices for further study. Whilst in a mild form the vices may be ordinary and common failings, Deadly Vices makes the case that for those wholly in their grip they are fatally destructive, preventing the flourishing of the self and of a worthwhile life. An agent therefore has a powerful reason to avoid such states and dispositions and rather to cultivate those virtues that counteract a deadly vice. In dealing with individual vices, their impact on the self, and their interrelation, Deadly Vices offers a unified account of the vices that not only encompasses the healing virtues but also engages with issues in the philosophy of mind as well as in moral philosophy, and shows the connection between them. Literary examples are used to highlight central features of individual vices and set them in context.

The Seven Deadly Virtues May 23 2024

***The Seven Heavenly Virtues and the Seven Deadly Sins*
Oct 24 2021 We value virtue but do not discuss it. The honest book-keeper, the faithful wife, the earnest scholar get little of our attention compared to the embezzler, the tramp, the cheat. - John Steinbeck The**

Seven Heavenly Virtues is a classic interpretation of seven basic concepts that will lead us to glory. In alphabetical order, (each of which conveniently corresponds to one of the Seven Deadly Sins), along with some examples demonstrating each. According to Christian theology, The Seven Heavenly Virtues are the stepping stones to the glorification of the soul. They are a combination of the three Theological Virtues and the four Cardinal Virtues. The purpose of the Seven Virtues is to guide you on the path of righteousness, and keep you away from sins. In fact, they tell the virtuous what he should do, as opposed to The Seven Deadly Sins that tell you what you should keep away from. This article provides an insight into The Seven Holy Virtues and their meanings. The description is accompanied by a Bible verse that high-lights the value of each one of these virtues.

Pride Dec 26 2021 Of the seven deadly sins, pride is the only one with a virtuous side. It is certainly a good thing to have pride in one's country, in one's community, in oneself. But when taken too far, as Michael Eric Dyson shows in *Pride*, these virtues become deadly sins. Dyson, named by *Ebony* magazine as one of the 100 most influential African Americans, here looks at the many dimensions of pride. Ranging from Augustine and Aquinas, MacIntyre and Hauerwas, to Niebuhr and King, Dyson offers a thoughtful, multifaceted look at this "virtuous vice." He probes the philosophical and theological roots of pride in examining its transformation in Western culture.

Dyson discusses how black pride keeps blacks from being degraded and excluded by white pride, which can be invisible, unspoken, but nonetheless very powerful. Dyson also offers a moving glimpse into the teachers and books that shaped his personal pride and vocation. Dyson also looks at less savory aspects of national pride. Since 9/11, he notes, we have had to close ranks. But the collective embrace of all things American, to the exclusion of anything else, has taken the place of a much richer, much more enduring, much more profound version of love of country. This unchecked pride asserts the supremacy of America above all others--elevating our national beliefs above any moral court in the world--and attacking critics of American foreign policy as unpatriotic and even traitorous. Hubris, temerity, arrogance--the unquestioned presumption that one's way of life defines how everyone else should live--pride has many destructive manifestations. In this engaging and energetic volume, Michael Eric Dyson, one of the nation's foremost public intellectuals, illuminates this many-sided human emotion, one that can be an indispensable virtue or a deadly sin.

Deadly Virtues Mar 09 2023 Stephanie Burton is dripping in degrees—both academic and professional. And, she's drop-dead gorgeous. Hers is a voice that pierces the din and circus antics of cable news broadcasting; she conveys genuine compassion and civility to her growing audience, compelling viewers to reach higher, behave more nobly. Eventually, she's

hailed as “America’s Moral Compass.” But something evil lurks behind Stephanie’s attractive and charismatic persona. Privately, she contends with emotional scars as sordid as any of the sensationalized stories the networks feast upon. In her deep-seated hatred for men, she carries out a plan to make them pay. When thirty-four-year-old Prize Calloway’s dead body is discovered in his Grandview, Missouri, apartment, officials begin to look for connections. Soon, Andie Morrison, a data analyst with the Kansas City Police Department ties Calloway’s death to two other brutal sex killings and a motivational speaking tour. The investigation heads down one blind alley after another as the public fixates on every detail, with one virtuous voice at the center.

***The Conviction to Lead* Mar 17 2021 Change the Way You Think about Leadership At the age of thirty-three, Dr. Albert Mohler became the youngest president in the 164-year history of Southern Baptist Theological Seminary. He was the driving force behind the school's transformation into a thriving institution with an international reputation characterized by a passionate conviction for truth. In the process he became one of the most important and prominent Christian voices in contemporary culture. What will it take to transform your leadership? Effective leaders need more than administrative skills and vision. They need to be able to change the hearts and minds of those they lead. Leadership like this requires passionate beliefs that can stand up to pressure from without and within. In**

this updated edition Dr. Mohler has added a new introduction and conclusion based on an additional 10 years of leadership. He has also completely rewritten the chapter "The Digital Leader." The Conviction to Lead will crystallize your convictions while revolutionizing your thinking, your decision-making, your communication, and ultimately, those you lead. "Dr. Al Mohler has written a book that shakes us up and challenges our thinking. The Conviction to Lead is poised to become one of the all-time classic works on Christian leadership."--JIM DALY, President - Focus on the Family "Having rarely thought about leadership, I was hooked from the first chapter--to my complete surprise. This is a powerful book and gracefully written."--FRED BARNES, Executive Editor--The Weekly Standard

The Seven Deadly Virtues and Other Stories Oct 16 2023

Tolerance Among the Virtues Nov 05 2022 In a pluralistic society such as ours, tolerance is a virtue—but it doesn't always seem so. Some suspect that it entangles us in unacceptable moral compromises and inequalities of power, while others dismiss it as mere political correctness or doubt that it can safeguard the moral and political relationships we value. Tolerance among the Virtues provides a vigorous defense of tolerance against its many critics and shows why the virtue of tolerance involves exercising judgment across a variety of different circumstances and relationships—not simply applying

a prescribed set of rules. Drawing inspiration from St. Paul, Aquinas, and Wittgenstein, John Bowlin offers a nuanced inquiry into tolerance as a virtue. He explains why the advocates and debunkers of toleration have reached an impasse, and he suggests a new way forward by distinguishing the virtue of tolerance from its false look-alikes, and from its sibling, forbearance. Some acts of toleration are right and good, while others amount to indifference, complicity, or condescension. Some persons are able to draw these distinctions well and to act in accord with their better judgment. When we praise them as tolerant, we are commending them as virtuous. Bowlin explores what that commendation means. *Tolerance among the Virtues* offers invaluable insights into how to live amid differences we cannot endorse—beliefs we consider false, actions we think are unjust, institutional arrangements we consider cruel or corrupt, and persons who embody what we oppose.

***Deadly Virtues* Sep 15 2023** A novel about three half-brothers who return to their Oregon home to solve the mystery of their father's drowning. Camoin demonstrates how the brothers come to terms with their complicated filial feelings and also discover devastating truths about themselves that shed new light on their father's death.

The Seven Deadly Virtues Jan 07 2023 Our virtues can become our vices. Faith. Love. Family. Power. Success. Goodness. Generosity. Who among us wouldn't want to exhibit strength in these areas in our lives? It's hard to

imagine this list being similar to the "seven deadly sins" that we strive to avoid, such as greed, lust, and slothfulness. But even so-called virtues can be harmful to our souls if we're not careful about how we pursue them in our lives. Todd Outcalt explores the fine line between virtues and vices, and he helps us to discern the difference between the two. Using biblical insights, classic and contemporary illustrations, and thoughtful commentary, he uncovers ways our flawed priorities and values can masquerade as healthy religious practices and goals. He opens our eyes to misconceptions of what true character is in the eyes of God and shows us how to reorient ourselves toward virtuous living. Pursuing God with clear motivations and pure hearts is not always as straightforward as it sounds. The Seven Deadly Virtues will help you recognize and remove the everyday stumbling blocks in your Christian walk that keep you from true spiritual growth and vitality.

Seven Deadly Virtues Feb 20 2024

The Seven Deadly Sins Nov 24 2021 We live with the idea of sin every day - from the greatest transgressions to the tiniest misdemeanours. But surely the concept was invented for an age where divine retribution and eternal punishment dominated the collective consciousness? In this lively collection of new writing, Nicola Barker, Dylan Evans, David Flusfeder, Todd McEwen, Martin Rowson, John Sutherland and Ali Smith go head to head with the capital vices to explore what we really mean when we talk about sin. The

resulting mixture of erudite and playful essays and startling new fiction might not make you a better person, but it will certainly give you pause for thought when you're next laying the law down or - heaven forfend - about to do something beyond the pale yourself.

The Seven Deadly Virtues Jun 24 2024 An all-star team of eighteen conservative writers offers a hilarious, insightful, sanctimony-free remix of William Bennett's *The Book of Virtues*—without parental controls. The *Seven Deadly Virtues* sits down next to readers at the bar, buys them a drink, and an hour or three later, ushers them into the revival tent without them even realizing it. The book's contributors include Sonny Bunch, Christopher Buckley, David "Iowahawk" Burge, Christopher Caldwell, Andrew Ferguson, Jonah Goldberg, Michael Graham, Mollie Hemingway, Rita Koganzon, Matt Labash, James Lileks, Rob Long, Larry Miller, P. J. O'Rourke, Joe Queenan, Christine Rosen, and Andrew Stiles. Jonathan V. Last, senior writer at the *Weekly Standard*, editor of the collection, is also a contributor. All eighteen essays in this book are appearing for the first time anywhere. In the book's opening essay, P. J. O'Rourke observes: "Virtue has by no means disappeared. It's as much in public view as ever. But it's been strung up by the heels. Virtue is upside down. Virtue is uncomfortable. Virtue looks ridiculous. All the change and the house keys are falling out of Virtue's pants pockets." Here are the virtues everyone (including the book's contributors)

was taught in Sunday school but have totally forgotten about until this very moment. In this sanctimony-free zone: • Joe Queenan observes: “In essence, thrift is a virtue that resembles being very good at Mahjong. You’ve heard about people who can do it, but you’ve never actually met any of them.” • P. J. O’Rourke notes: “Fortitude is quaint. We praise the greatest generation for having it, but they had aluminum siding, church on Sunday, and jobs that required them to wear neckties or nylons (but never at the same time). We don’t want those either.” • Christine Rosen writes: “A fellowship grounded in sociality means enjoying the company of those with whom you actually share physical space rather than those with whom you regularly and enthusiastically exchange cat videos.” • Rob Long offers his version of modern day justice: if you sleep late on the weekend, you are forced to wait thirty minutes in line at Costco. • Jonah Goldberg offers: “There was a time when this desire-to-do-good-in-all-things was considered the only kind of integrity: ‘Angels are better than mortals. They’re always certain about what is right because, by definition, they’re doing God’s will.’ Gabriel knew when it was okay to remove a mattress tag and Sandalphon always tipped the correct amount.” • Sonny Bunch dissects forbearance, observing that the fictional Two Minutes Hate of George Orwell’s 1984 is now actually a reality directed at living, breathing people. Thanks, in part, to the Internet, “Its targets are designated by a spontaneously created mob—one that, due to its hive-

mind nature—is virtually impossible to call off.” By the time readers have completed *The Seven Deadly Virtues*, they won’t even realize that they’ve just been catechized into an entirely different—and better—moral universe.

The Seven Deadly Virtues May 11 2023

***Glittering Vices* Jul 21 2021 Drawing on centuries of wisdom from the Christian ethical tradition, this book takes readers on a journey of self-examination, exploring why our hearts are captivated by glittery but false substitutes for true human goodness and happiness. The first edition sold 35,000 copies and was a C. S. Lewis Book Prize award winner. Now updated and revised throughout, the second edition includes a new chapter on grace and growth through the spiritual disciplines. Questions for discussion and study are included at the end of each chapter.**

The Gentleman's Guide to Vice and Virtue May 19 2021 A Kirkus Prize nominee and Stonewall Honor winner with 5 starred reviews! A New York Times bestseller! Named one of the best books of 2017 by NPR and the New York Public Library! "The queer teen historical you didn't know was missing from your life."—Teen Vogue "A stunning powerhouse of a story."—School Library Journal "A gleeful romp through history."—ALA Booklist A young bisexual British lord embarks on an unforgettable Grand Tour of Europe with his best friend/secret crush. An 18th-century romantic adventure for the modern age written by This Monstrous Thing author Mackenzi

Lee—Simon vs. the Homo Sapiens Agenda meets the 1700s. Henry “Monty” Montague doesn’t care that his roguish passions are far from suitable for the gentleman he was born to be. But as Monty embarks on his grand tour of Europe, his quests for pleasure and vice are in danger of coming to an end. Not only does his father expect him to take over the family’s estate upon his return, but Monty is also nursing an impossible crush on his best friend and traveling companion, Percy. So Monty vows to make this yearlong escapade one last hedonistic hurrah and flirt with Percy from Paris to Rome. But when one of Monty’s reckless decisions turns their trip abroad into a harrowing manhunt, it calls into question everything he knows, including his relationship with the boy he adores. Witty, dazzling, and intriguing at every turn, *The Gentleman's Guide to Vice and Virtue* is an irresistible romp that explores the undeniably fine lines between friendship and love. Don't miss Felicity's adventures in *The Lady's Guide to Petticoats and Piracy*, the highly anticipated sequel!
