[The Rice Diet Solution](#) Kitty Gurkin Rosati, Robert Rosati, 2006-06-06 Can you really lose twenty pounds in a month? Will you really keep it off this time? With *The Rice Diet Solution*, you will. *The Rice Diet Program* has been helping dieters successfully lose weight since 1939. Now in book form, this world-renowned weight loss method can help you change the way you eat forever. *The Rice Diet Program* in Durham, North Carolina, was one of the first medical facilities in America to use diet as the primary way to treat disease. On this high-complex carb, low-fat, and low-sodium whole foods diet, Ricers lose weight faster, more safely, and more effectively than people on any other diet. Men lose on average twenty-eight to thirty pounds, and women on average nineteen to twenty pounds per month.

The Rice Diet also detoxes your body ridding it of excess water weight and toxins from processed foods and the environment. The program's results have been documented by extensive studies and confirmed by thousands of people who report amazing weight loss as well as immediate improvement in such conditions as heart disease, diabetes, and hypertension. Here's how it works: The Rice Diet strictly limits salt and sodium-rich ingredients. Salt, like refined sugar, is an appetite stimulant, so when you reduce salt intake, you lose water weight and are less inclined to overeat. The Rice Diet also limits saturated fats and instead relies on carbohydrates, fruits, vegetables, grains, and beans as the main source of nutrition. The fiber cleanses your system and satisfies you so you feel full quickly. The Rice Diet makes it easy to limit calories when you're eating foods that truly satisfy your hunger; it's a challenge to eat 1,500 calories per day. To make it easy to follow the program, The Rice Diet Solution includes hundreds of tasty, filling, easy-to-prepare recipes, some from the Rice House kitchen, others inspired by major chefs, and adapted to Rice Diet standards.
