The Five Keys to Mindful Communication Susan Gillis Chapman, 2012-04-10 Good communication is essential to any healthy relationship whether it is between spouses family members friends or co workers In this book Susan Chapman a marriage and family therapist and a longtime meditation teacher explains how mindfulness can be brought to bear in the way we speak and listen to each other so that we can strengthen our connections and better accomplish our goals Drawing on Buddhist principles and on her training as a psychotherapist Chapman explains how the practice of mindfulness learning to become fully present in the moment makes it possible for us to listen more deeply to others and to develop greater clarity and confidence about how to respond Chapman highlights five key elements of mindful communication silence mirroring encouraging discerning and responding and she dedicates a chapter of the book to each Other topics include identifying your communication patterns and habits uncovering the hidden fears that often sabotage communication staying open in the midst of difficult conversations so that we can respond wisely and skillfully and learning how mindful communication can help us to become more truthful compassionate and flexible in our relationships

First Timers and Old Timers Kenneth L. Untiedt, 2012 The Texas Folklore Society has been alive and kicking for over one hundred years now and I don't really think there's any mystery as to what keeps the organization going strong The secret to our longevity is simply the constant replenishment of our body of contributors We are especially fortunate in recent years to have had papers given at our annual meetings by new members young members many of whom are college or even high school students These presentations are oftentimes given during sessions right alongside some of our oldest members We've also had long time members who've been around for years but had never yet given papers thankfully they finally took the opportunity to present their research fulfilling the mission of the TFS to collect preserve and present the lore of Texas and the Southwest You'll find in this book some of the best articles from those presentations The first fruits of our youngest or newest members include Acayla Haile on the folklore of plants Familiar and well respected names like J Rhett Rushing and Kenneth W Davis discuss folklore about monsters and the classic widow's revenge tale These works and the people who produced them represent the secret behind the history of the Texas Folklore Society as well as its future Kenneth L Untiedt

Empire of Illusion Chris Hedges, 2009-07-28 Pulitzer prize winner Chris Hedges charts the dramatic and disturbing rise of a post literate society that craves fantasy ecstasy and illusion Chris Hedges argues that we now live in two societies One the minority functions in a print based literate world that can cope with complexity and can separate illusion from truth The other a growing majority is retreating from a reality based world into one of false certainty and magic In this other society serious film and theatre as well as newspapers and books are being pushed to the margins In the tradition of Christopher Lasch's *The Culture of Narcissism* and Neil Postman's *Amusing Ourselves to Death* Hedges navigates this culture attending WWF contests as well as Ivy League graduation ceremonies exposing an age of terrifying decline and heightened self delusion
