The Curse Workers Holly Black, 2022-01-25 Cassel Sharpe comes from a family of curse workers people who have the power to change emotions memories and luck with the slightest touch of their hands And since curse work is illegal they're also all criminals Many become mobsters and con artists but not Cassel He doesn't have magic so he's an outsider the straight kid in a crooked family except for the small detail that he killed his best friend Lila three years ago Cassel has carefully built up a facade of normalcy blending into the crowd But his facade starts to crumble when he finds himself sleepwalking propelled into the night by terrifying dreams about a white cat that wants to tell him something He's noticing other disturbing things too including the strange behavior of his two older brothers who are keeping secrets from him As Cassel begins to suspect he's an unwitting pawn in a huge con game he must unravel his past and his memories To find the truth Cassel will have to out-con the conmen

Black Heart Holly Black, 2012-04-03 In book three of the Curse Workers series the perfect end to this gem of a trilogy Kirkus Reviews starred review trust is a priceless commodity and the lines between right and wrong become dangerously blurred Cassel Sharpe knows he's been used as an assassin but he's trying to put all that behind him He's trying to be good even though he grew up in a family of con artists and cheating comes as easily as breathing to him He's trying to do the right thing And he's trying to convince himself that working for the government is the right choice even though he's been raised to believe they are the enemy of all curse workers But with a mother on the lam the girl he loves about to take her place in the Mob and all new secrets coming to light what's right and what's wrong become increasingly hard to tell apart When the Feds ask him to do the one thing he said he would never do again he starts to wonder if they really are the good guys or if it's all a con And if it is Cassel may have to make his biggest gamble yet on love Love is dangerous and trust is priceless in Holly Black's powerful edgy dark fantasy series Publishers Weekly
