This is a Pageburst digital textbook; This valuable review tool features 1,000 multiple-choice questions with explanatory answers, organized by topic, according to Parts I and II of the NBCE boards. No other product on the market is as comprehensive and useful. It provides a Q&A review with rationale and quick reference tools to help users prepare for the boards. Updated references in each section direct students to supplemental reading for further information. Tables, boxes, and other quick-reference tools summarize content at a glance. The CD-ROM contains all the questions from the book plus approximately 500 additional questions, answers, and rationales, as well as automatically scored quizzes. Approximately 1,000 multiple-choice questions with explanatory answers are organized and formatted according to the national boards. Updated references in each section refer readers to supplemental resources, making it easier to investigate specific topics. CD-ROM with automatically scored quizzes enables students to practice and see their scores at the end of each test. Illustrations visually reinforce difficult topics and aid understanding. Tables, boxes, and other quick reference tools summarize the content at a glance. Approximately 500 additional questions are provided on CD-ROM with answers, and rationales. Practice questions are the best way to prepare for success on the exam - and only one book makes practicing for NCLEX-RN® Incredibly Easy! NCLEX Q&A Review Made Incredibly Easy provides 6,500 total questions in the text and online - more than ever before! Completely updated to reflect the latest test plan and featuring the high quality questions that help students pass the NCLEX exam, the fifth edition features all question types appearing on the test - including audio and graphic option questions. Page after page of study questions with clear rationales make for effective, efficient study sessions, and the Incredibly Easy approach promotes knowledge retention while decreasing study anxiety. You'll actually enjoy learning, stay motivated, and improve your performance on the licensing exam! Take the stress out of studying with: More practice questions than ever before! 3,000 practice questions included in the text Over 3,000 NCLEX-style practice questions on the companion website, including audio questions and graphic option questions All the question types featured on the exam: NEW Audio questions - available exclusively on thePoint NEW Graphic option questions Multiple-response / multiple-choice questions Fill-in-the-blank calculation questions Chart exhibit questions Drag-and-drop questions Hotspot questions Special strategy sections: Get to know the exam structure, as detailed in the current test plan Review strategies for success Insightful test-taking tips Develop the clinical judgment skills needed to pass the Next-Generation NCLEX-RN® Exam (NGN) on your first try with this one-of-a-kind workbook! Developing Clinical Judgment for Professional Nursing Practice and NGN Readiness, 2nd Edition provides practical thinking exercises and case studies to help you build clinical judgment skills and make safe clinical decisions. The workbook offers practice with all NGN item types, including the new "bowtie" items. And all core nursing content areas are covered, with chapters organized to guide you through the entire NGN test plan. From renowned nursing educator Donna D. Ignatavicius, this practical resource ensures that you're ready for all the item types you will encounter on the NGN and ready to apply clinical judgment skills in RN practice. Emphasis on clinical judgment skills helps you prepare for the Next-Generation NCLEX-RN® Examination (NGN) through practical thinking exercises in which you apply the cognitive skills delineated in the National Council of State Boards of Nursing (NCSBN) Clinical Judgment Measurement Model (CJMM) to realistic case studies. Comprehensive collection of clinical reasoning exercises allows you to answer questions ranging from basic to more complex, each based on a challenging client situation. Evolve website offers the opportunity to answer questions in an interactive format for a realistic test-taking experience with automated scoring and remediation. Answer key at the end of the book includes detailed rationales and references for each question. Questions organized into six parts address all core clinical areas, guiding you through the entire NGN test plan. NEW! Completely new organization by core content areas divides the book into these parts: medical-surgical, psychiatric-mental health, pediatric, maternal-newborn, and critical care. NEW! Four new chapters and expanded content throughout address all 14 item types for the Next-Generation NCLEX® Exam (NGN) with unfolding case studies and standalone thinking exercises. NEW! Fully updated content also reflects the latest NCLEX-RN® test plan, the most current evidence-based practice, and the latest national and international guidelines. NEW! Item types for the NGN include the new "bowtie" items, preparing you for the types of questions encountered on the NGN. NEW! All-new practice questions provide more robust preparation for the NGN. NEW! Integration of pharmacology exercises is provided in all core chapters, and all pharmacology questions are highlighted with a distinctive icon. NEW! Medical record illustrations show client information for thinking exercises in case studies. Who says studying has to be boring? The Illustrated Study Guide for the NCLEX-PN® Exam, 10th Edition uses colorful drawings and mnemonic cartoons to bring difficult concepts to life and help you recall the content you need to know to excel on the NCLEX-PN examination. Written in a concise and visually appealing outline format, this book makes learning and studying easier and more fun. The companion Evolve website includes more than 3,000 review questions, including alternate item and Next Generation NCLEX® formats, and allows you to personalize your study by creating practice exams, identifying strengths and weaknesses, and reviewing answers and rationales. Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. More than 3,000 review questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing customized review based on personal study needs. The review questions include multiple choice, alternate item format, and NGN. Answers and rationales are provided for all review questions. Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX® examination. Nursing Priority boxes make it easier to distinguish priorities of nursing care. Older Adult Care Focus boxes in the book provide special considerations and nursing care strategies for the older adult. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Appendixes for each chapter summarize medications and nursing procedures for quick reference. Special icons distinguish pediatric and adult disorders and identify content on self-care and home care A separate chapter on pharmacology and medication administration helps you focus on this area of emphasis on the NCLEX® examination. NEW! Patient scenarios and Next Generation NCLEX® question types familiarize you with these new item types. NEW! NCSBN Clinical Judgment Measurement Model and the six cognitive skills are reviewed in the context of preparing for the nursing profession and taking the NCLEX-PN® examination. NEW! Separate Pediatric Nursing Care chapter makes it easier to find information to care for the pediatric client. Are Preparing for the TMC Exam? If so, did you know that going through practice questions in one of the most effective strategies that students are using to pass the exam? That is exactly why you need to grab a copy of this book. Inside, we're going to share 35 of our best TMC Practice Questions with you. All, of course, covering the one of the most important sections of the exam - Patient Assessment. Each practice question in this book also comes with a detailed rationale that explains exactly why the answer is correct. Not to mention, it also explains why the other answer choices are wrong. This is so important when it comes to actually learning the information that you need to know. So if you're ready to master Patient Assessment, I'll see you on the inside. About the Author Johnny Lung, the founder of Respiratory Therapy Zone, is a Registered Respiratory Therapist who has helped thousands of students pass the licensure board exams through books, videos, study guides, and online courses. You can learn more by going to RespiratoryTherapyZone.com What Students are Saying "I passed it on my first attempt, just like you said." - Deanna H. "They helped me pass boards on my first attempt, and thankfully they're much more affordable than the other study guides out there." - Joy A. "I love their practice questions! I highly recommend to their resources for the TMC Exam and Clinical Sims." - Megan L. "Their practice questions are challenging and really make you think! So helpful!" - Susanna H. "They keep the information basic and easy to understand without all the complicated nonsense. I highly recommend their stuff for the board exams." - Timothy H. A review book for students preparing for the family nurse practitioner board examination. It contains 1000 questions and detailed answers. Assure your mastery of medical-surgical nursing knowledge while honing your critical thinking and test-taking skills. The 3rd Edition of this popular resource features over 2,300 questions (including 550 alternate-format questions) that reflect the latest advances in medical-surgical nursing and the latest NCLEX-RN® test plan. They organize the seemingly huge volume of information you must master into manageable sections divided by body systems and specific diseases If you want sample questions, answers, and rationales, this book will give you a great feel for what it's like to get through a residency interview day. Written by two practitioners who have extensive experience with the interview process, you'll get the nuts and bolts of what it takes to become an exceptional candidate. In interviews, you can't be ordinary, you must be memorable. This book will help you answer questions in a way that both shows your value and helps you stand out. Fundamentals of Nursing Test Review Over 100 Questions Breeze through your nursing school and NCLEX testing exam and pass with ease. This book is set up so that you can take the test in the first section without answers and rationales. The second section includes the questions, answers, and rationales. This book contains Multiple Choice True False SATA Questions - Select all that apply Practicing multiple tests in nursing school is one of the keys to passing. Getting a handle on the types of test questions will help you gain confidence and knowledge to pass the test easily. Click "Buy Now" and get your copy today. To pass the NCLEX-PN® exam on your first try, you need practice! Saunders Q & A Review for the NCLEX-PN® Examination, 6th Edition prepares you for exam success with more than 5,600 practice questions, each reflecting current nursing knowledge and the latest test plan framework. Answer questions in the book, or go to the Evolve website to answer interactive questions in Study mode or in Exam mode for a more realistic testing experience. To enhance your review, each practice question includes a test-taking strategy and rationales for both correct and incorrect answers. Written by NCLEX experts Linda Silvestri and Angela Silvestri, this book is part of the popular Saunders Pyramid to Success, which has helped thousands of nurses pass the NCLEX-PN exam! 1,265 NCLEX-PN® Examination-Style questions are included in the book, and the Evolve website includes all of the questions from the book plus an additional 4,400 questions. Content organized by Client Needs and Integrated Processes mirrors the actual NCLEX-PN exam, providing a logical review for exam preparation and end-of-course standardized exams. UNIQUE! Detailed test-taking strategy and rationale for each

question provides clues for analyzing and uncovering the correct answer option, along with rationales for both correct and incorrect options. Case studies include a client scenario and accompanying practice questions. UNIQUE! Priority Nursing Action tips are provided for each question to clarify the most important nursing considerations and interventions for each scenario. Categorization of questions allows you to select questions by cognitive level, client needs, integrated process, and clinical content area. All alternate item format questions are included, providing the practice needed to master critical thinking skills and understand prioritization. Graphic options questions on Evolve familiarize you with these alternate item format question types that could appear on the NCLEX®. Introductory chapters cover preparation guidance for the NCLEX-PN, test-taking strategies, clinical judgment and NGN item types, non-academic preparation, and a new graduate's perspective on the NCLEX-PN experience. NEW! Next Generation NCLEX® (NGN) Examination-Style questions prepare you for the biggest change to the NCLEX-PN test plan to date. NEW! Content reflecting the latest NCLEX-PN® test plan incorporates the most current clinical updates. NEW review questions are added on special populations, gastrointestinal, and complex care, covering the latest guidance. Are Preparing for the TMC Exam? ABOUT THE SERIES Prentice Hall's Nursing Reviews & Rationales Series is the complete foundation for success both within the classroom and on the NCLEX-RN. Each volume includes a review of core content, while providing hundreds of practice questions and comprehensive rationales. The only review series to offer a free CD-ROM and Companion Website with each book. The complete series includes: Nursing Fundamentals Child Health Nursing Fluids, Electrolytes, & Acid-Base Balance Maternal-Newborn Nursing Medical-Surgical Nursing Mental Health Nursing Nutrition & Diet Therapy Pathophysiology Pharmacology As a working parent of 4-year-old triplet daughters, I understand time management presents one of the greatest barriers to my pharmacology students' success. Many students feel that cold sense of overwhelm and information overload. This easy-to-read guide organizes pharmacology into manageable, logical steps you can fit in short pockets of time. The proven system helps you memorize medications quickly and form immediate connections. With mnemonics from students and instructors, you'll see how both sides approach learning. After you've finished the 200 Top Drugs in this book, reading pharmacology exam questions will seem like reading plain English. You'll have a new understanding of pharmacology to do better in class, clinical and your board exam. You'll feel the confidence you'd hoped for as a future health professional. For patients and caregivers, this book provides a means to memorize medications to quickly and articulately communicate with your health providers. Pass the NCLEX-RN Exam effortlessly on your 1st try with these 750 Practice Exam Questions and Answers with Rationales. These expert written practice exam cram guide is aligned with the most recent NCLEX-RN test plan. It has been peer reviewed and covers the topics actually tested by the NCSBN and state nursing boards. Written by professionals and leaders in the field of nursing with over 50 years of combined experience. In this simple course, the "NCLEX-RN Test Prep Questions and Answers with Explanations: Study Guide to Pass the License Real Exam Effortlessly - Exam Review for Registered Nurses" not only will you learn to pass the state licensing exam, you will also learn: - How to study for the Nursing exam quickly and effectively. - 7 Secrets to Passing any exam.- The best way to approach the licensing exam in order to pass the 1st time.It will also answer questions like: - Do I need other course materials from companies like Kaplan or Pearson?- What kinds of questions are on the NCLEX-RN Exam? - Should I use the NCLEX-RN Exam Prep for Dummies Book? This Study Guide contains 750 exam questions and answers with full explanations. You will receive questions and answers that are similar to those on the actual licensing exam. You deserve the BEST exam prep program there is to prepare you to pass, and it gets no better than this. The NCLEX-RN Test Prep is one of the hardest state exam to pass in the United States. We have compiled this simple exam cram book that quickly and easily prepares you to take your state licensing exam and pass it on the 1st try. Our Exam Review is designed to help you pass the exam in the quickest, easiest and most efficient manner possible. More than 2,000 questions help students prepare for the NCLEX-RN examination. Review questions are grouped by clinical area to evaluate student knowledge of medical-surgical, pediatric, obstetric, and psychiatric nursing. Two comprehensive practice exams of 375 questions each provide students with test-taking experience. This is a comprehensive review for the new trauma-certified registered nurse exam, featuring innovative clinical judgment--enhancing content review, 500 practice-test Q&As with rationales, test-taking skills, and in-depth coverage of the test blueprint. This review is distinguished by its unique "Think in Questions" format, which helps readers to anticipate the kinds of questions that might be asked and promotes critical thinking throughout the exam. The content review is comprised of bite-size sections for easier learning and memorization that include thousands of unfolding questions, answers, and hints. The review's user-friendly format guides candidates through each topic with a short content review followed by a Socratic-style Q&A reasoning process to assist in arriving at the best possible clinical judgment. It also includes plentiful tables and charts to reinforce learning, a chapter on test-taking skills, specific guidance on preparing for the certification exam, and useful suggestions related to the exam format. Key Features: Goes beyond mere memorization of facts with "Think in Questions" Socratic-style content review Provides content review, practice exam-style Q&A with rationales, test-taking skills, and test blueprint format Includes thousands of unfolding questions, answers, and hints Contains "bite-size" sections for each topic for easier learning and memorization Includes 500 exam-style questions with rationales The Board of Certification for Emergency Nursing (BCEN) is the sole owner of the Trauma Certified Registered Nurse (TCRN) certification program. BCEN does not endorse any TCRN certification exam review resources or have a proprietary relationship with Springer Publishing Company. The second edition of NCLEX-RN Questions & Answers Made Incredibly Easy! is a completely updated NCLEX review book. Over 3,500 questions and answers with rationales are included. The book is divided into six parts: Part 1 provides studying and test-taking strategies for the test itself. Parts 2-6 cover adult care, psychiatric care, maternal-neonatal care, pediatric care, and professional issues. The professional issues section is new to this edition, and includes chapters on management, leadership, and legal and ethical issues. Six comprehensive sample tests with 75 questions each are also included. The book continues the light-hearted approach of the Incredibly Easy! Series™, and familiar cartoon characters from the series provide support for the reader and point out vital information. NCLEX-RN Questions & Answers Made Incredibly Easy, 6th edition, is an NCLEX review book that provides more than 6,500 questions and answers with rationales. In this new edition, the questions are much more challenging (Application level and higher is the NCLEX buzz phrase). The content is divided into six parts that cover all the major areas included on the NCLEX-RN examination. Part 1 explains the NCLEX examination itself. It offers studying and test-taking strategies and describes the test format in detail, including alternate-format questions. Parts 2 through 6 cover each of the five major areas in nursing practice: adult care, psychiatric care, maternal-neonatal care, care of the child, and professional issues. The book also includes six comprehensive examinations (75 questions each, for a total of 450 questions) with answers, rationales, and client-needs category information at the end of each test. Goes beyond memorization with a Socratic-style content review to promote critical thinking This innovative review for nurses preparing for the Certified Neuroscience Registered Nurse (CNRN ®) exam mirrors the test-format blueprint, focusing on the specific subject matter on the exam. It is carefully calibrated to provide an effective balance of clinical judgment-enhancing content review in the form of unfolding questions, answers, rationales, and hints to enhance the critical reasoning process. Following the review chapters, a practice exam of 220 randomized Q&As can be taken to simulate the actual certification exam. This "Think in Questions" content review is designed to help readers anticipate the kind of questions that will be asked and promote critical thinking throughout the exam. Topical "bite-size" sections and plentiful tables and charts facilitate easier learning and memorization. An introductory chapter includes sections devoted to test-taking skills and practices, specific guidance for taking the CNRN ® exam, and an exploration of the journey towards certification. Key Features: Familiarizes the world of certifications Explicates the CNRN ® exam Defines proven test-taking skills and preparations Mirrors exam content blueprint A total of 450 exam-style Q&As with rationales Springer Publishing Company recognizes that the Certified Neuroscience Registered Nurse (CNRN ®) exam is a registered service mark of the American Board of Neuroscience Nursing (ABNN). and has applied this service mark to the first mention of the exam in each of the chapters in this book and on its cover "This will be very helpful to students studying leadership and management for the NCLEX. The questions are pertinent and well written, and they cover a wide range of topics. This review is a worthwhile resource for student preparation." Score: 96, 4 Stars. -- Doody's Medical Reviews Based on an innovative, active learning paradigm, this course review for the Leadership and Management Nursing Skills NCLEX-RN features the use of unfolding case studies to thoroughly engage students while helping them to develop critical thinking and problem-solving skills. Unlike other content review books, this resource builds required content into compelling case scenarios that mimic situations in real-life practice. It features answers and rationales at the end of each chapter and includes 200 questions comprised of 150 multiple choice and 50 alternative NCLEX-RN style questions. The book is also infused with Web links and resources that will keep students engaged and further reinforce realistic decision-making. The review focuses on developing leadership and management competencies, patient care management including advanced directives, ethical and legal issues, organizational management, and delegating responsibilities to other members of the health care team. Students love this innovative approach to learning how to think like a nurse! Faculty find the case studies useful for clinical make-up assignments. Available in both print and eBook formats, the review is enhanced by the inclusion of URLs linking to resources that expands scope of content and increases content assimilation. Key Features: Promotes active learning through use of unfolding case studies Eschews traditional repetitive question review for an intensified learning experience Provides answers conveniently located at the end of each chapter and rationales for both correct AND incorrect answers Serves as a handy resource for clinical make-up assignments Includes more than 200 questions including 150 multiple choice and 50 alternative NCLEX questions NCLEX-RN REVIEW MADE INCREDIBLY EASY, 6E is designed to help nursing students prepare to take the licensing examination. The book blends critical content review in an easy-to-follow and bulleted format, pharmacology tables that summarize core medication information, and thousands of questions covering all the Client Need categories of NCLEX and the major content areas of pre-licensure programs. The product reviews core curriculum concerns and more than 3,000 questions that prompt active learning and higher-order thinking. Questions align with the National Council of State Boards of Nursing (NCSBN) 2019 RN test plan and are written in the style used on the licensing examination. Other features include the use of all the types of alternate-format questions found on the licensing examination, detailed rationales for both correct and incorrect answers, and information about the NCLEX-RN. An accompanying code gives student access to a 7-day free trial of Lippincott PassPoint-RN. This unique review book organizes questions according to Client Needs, the areas covered in the latest NCLEX examination test plan. Rationales are provided for all answer choices, plus test-taking strategies, and references to Elsevier nursing textbooks. This review includes many critical thinking and alternate item formats, plus a comprehensive exam consisting of 300 questions. Print+CourseSmart Completely revised to meet the latest Board of Nurse Examiners criteria for the NCLEX-RN®, this review book contains over 3,500 questions and answers with rationales covering all areas included on the exam. Two substantially updated introductory chapters discuss studying and test-taking strategies and describe the exam format in detail. Subsequent sections cover adult care, psychiatric care, maternal-neonatal care, and care of the child, plus chapters on leadership and management and law and ethics. Six 75-question comprehensive tests appear at the end of the book. This Third

Edition also includes nearly 100 new alternate-format questions. NCLEX Q&A Review Made Incredibly Easy provides 6,500 total questions in the text and online – more than ever before! Completely updated to reflect the latest test plan and including the high quality questions that help students prepare effectively for the NCLEX exam, the fifth edition features all question types appearing on the test – including audio and graphic option questions on the companion website. Page after page of study questions with clear rationales make for effective, efficient study sessions, and the Incredibly Easy approach promotes knowledge retention while decreasing study anxiety. The book's first section offers studying and test-taking strategies and describes the test format in detail, including alternate-format questions. Information for international students and graduate nurses taking the NCLEX-RN® is also included. Subsequent sections cover each of the five major areas in nursing practice: adult care, psychiatric care, maternal-neonatal care, care of the child, and professional issues. The book also includes six comprehensive examinations—75 questions each, for a total of 450 questions—with answers, rationales, and client-needs category information at the end of each test. Davis's Q&A Review for the NCLEX-RN® gives you an overview of the latest test plan and outlines the test-taking strategies you need to prepare for the exam. Practice questions guide you through all of the content covered on the NCLEX, while two comprehensive exams test mastery of all subject areas covered on the NCLEX exam. Lippincott's Content Review for NCLEX-RN® provides comprehensive content and Q&A review for effective, efficient NCLEX-RN preparation. Written by Diane Billings, Ed.D, RN, FAAN, a nationally recognized test-item writer whose NCLEX preparation books have helped thousands of students pass the exam, it is a perfect companion to the best-selling Lippincott's Q&A Review for NCLEX-RN®, 10th edition and the new Lippincott's NCLEX-RN 10,000 - Powered by PrepU online adaptive quizzing resource for a complete approach to NCLEX study. Organized both by Nursing Topic and Client Needs categories and offering in-depth coverage of nursing topics often tested on the exam, this comprehensive resource offers:

- An NCLEX overview plus thorough content review in outline format
- Test-taking strategies to help you better prepare for the exam
- Three 100-question post-tests to help you gauge your understanding of important nursing topics
- More than 3,000 high-level practice questions, including alternate-format questions, with a detailed rationale for all correct and incorrect responses.
- A free back-of-book CD-ROM contains additional review questions to complement the text questions
- Student resources - study tips, an NCLEX tutorial and much more are available on thePoint.com NEW! Updates reflect the Next Generation NCLEX® Examination (NGN) and include careful attention to NCLEX Examination formatting such as boldfacing key words and referencing "healthcare providers" versus "physicians." NEW! Enhanced emphasis on application-level questions includes an increased percentage of alternate-format questions. NEW emphasis on outpatient scenarios that demonstrate clinical judgment shows the application of skills to nursing roles outside of the acute care setting. NEW! Updated nursing diagnoses reflect the latest NANDA-I taxonomy to ensure familiarity with the most current NANDA-approved diagnostic language. NEW! Enhanced integration of the Core Competencies for Interprofessional Collaborative Practice supports a focus on interprofessional collaborative care. NCLEX-RN QUESTIONS & ANSWERS MADE INCREDIBLY EASY!, 7E is designed to help pre-licensure nursing students prepare for the licensing examination. This book and its accompanying electronic resources feature thousands of questions at the application level or above to prompt active learning and higher-order thinking. The book's seven parts cover the basics of NCLEX test construction and how students should prepare, the four major content areas of pre-licensure programs (medical-surgical, psychiatric/mental health, maternity, and pediatrics), a section on issues in nursing, and three comprehensive tests of varying lengths that help simulate the actual NCLEX experience. The questions align with the National Council of State Boards of Nursing (NCSBN) 2016 RN test plan. Throughout the book, the Made Incredibly Easy design, art, and captions help to engage students and present a fun, relaxed, encouraging, and supportive learning experience. Other features include the use of all the types of alternate-format questions and detailed rationale for both correct and incorrect answers. Prepare for exam success with Mosby's Review Questions for the NCLEX-RN(R) Examination! Over 5,000 exam-style practice questions help you assess your strengths and weaknesses, develop test-taking skills, and reduce your test anxiety. Written by testing experts Patricia M. Nugent, Phyllis K. Pelikan, Judith S. Green, and Barbara A. Vitale, this book makes review easy by organizing material into the core clinical areas of medical-surgical nursing, mental health, maternity, and pediatrics. Rationales are provided for both correct and incorrect answers, and alternate item format questions ensure that you're prepared for the latest version of the exam. A companion CD lets you review in three different practice modes to gain experience in computerized tests. Convenient organization by core clinical area, body system, and disorders makes it easy to select the practice questions you prefer. Over 5,000 questions provide plenty of practice, with more than 3,000 questions in the book and over 2,000 additional questions on the CD. Rationales for both correct and incorrect answers help you understand the reasoning behind each answer option. Alternate item format questions include multiple response, fill-in-the-blank, hot spot (figure or illustration), chart/exhibit, and drag and drop prioritizing to enhance your critical thinking skills. Three practice modes -- study, quiz, and exam -- on the companion CD let you choose your style of review. Content selection on the companion CD lets you to choose questions by client needs category, nursing process step, or content area, so you can focus your study on your weakest areas. Two 265-question comprehensive exams (one in the book, one on the CD) let you practice with an NCLEX-RN exam-style test. Coverage of new content on the 2010 NCLEX-RN test plan prepares you for the exam with the most up-to-date information. An increase to over 300 alternate item format questions provides additional practice with these important critical thinking questions. 12 chart/exhibit alternate item format questions introduce the newest alternate item format type. The road to nursing success begins here! A complete review of core concepts. More than 2,265 classroom-tested, NCLEX®-style questions. (Alternate-item format, too!) Test-taking hints and rationales for correct and incorrect answers. TWO BOOKS IN ONE! Course review now. NCLEX®-prep later. Assure your mastery of medical surgical nursing knowledge while honing your critical thinking and test-taking skills. The 2nd Edition of this popular resource features 2,000 questions that reflect the latest advances in medical-surgical nursing and the new, 2010 NCLEX-RN® test plan. The seemingly huge volume of information you must master has been organized into manageable sections divided by body systems and specific diseases. Each chapter is a self-contained unit. For each practice question, you'll find the answer, rationales for correct and incorrect responses, and a test-taking tip. The comprehensive exam at the end of each chapter assesses your strengths and weaknesses, identifying areas for further study. The bonus CD-ROM, featuring 265 questions, offers an interactive approach to course review and exam preparation. "The success books have helped me so much in many of my nursing courses, specifically in my med-surg nursing class. I found that the success books helped me to know where to focus my studying and also gave me a lot of great review questions that really prepared me for my exams! By using the med-surg success book, my grades shot up from an 89 to a 96. Also through the med-surg success book, my grades were consistently in the mid to high 90's range. I encourage all my friends to use the success books and they can agree that it has really helped them as well." - Esther Hung, Student Nurse at Molloy College, Rockville Centre, NY Click Here for a Special Mail-In Rebate Offer Approx.352 pages Innovative workbook format helps you prepare for the Next-Generation NCLEX-PN® Exam (NGN-PN) through practical thinking exercises that challenge you to apply the National Council of State Boards of Nursing (NCSBN) Clinical Judgment Measurement Model to common clinical scenarios. A comprehensive collection of carefully developed clinical reasoning exercises range from basic to more complex and address all key content areas. Logical three-part organization: Part 1 is an introduction to clinical judgment with examples of how to approach the thinking exercises in the workbook. Part 2 consists of exercises that focus on applying clinical judgment for clients across the lifespan experiencing commonly occurring physical and mental health problems. Part 3 consists of exercises that focus on applying clinical judgment for older-adult clients, a main focus of care for LPN/LVNs. A robust quizzing engine on the companion Evolve website features all of the book's questions in an interactive format to provide a realistic simulated test-taking experience and feedback for remediation. An extensive answer key with detailed rationales provides essential review and remediation. Approx.368 pages This one-of-a-kind workbook dedicated to developing clinical judgment skills helps prepare you for the Next-Generation NCLEX® Exam (NGN) through practical thinking exercises in which you will apply the National Council of State Boards of Nursing (NCSBN) Clinical Judgment Model (CJM). A comprehensive collection of carefully developed clinical reasoning exercises range from basic to more complex and address all specialty areas. Answer key with robust rationales to remediate learning follows at the end of the book. Six-part organization guides you through the entire NGN test plan. Answer questions in the book itself or on a companion Evolve website for automated scoring and remediation. This study tool provides a wealth of activities to reinforce content from the text. The activities accommodate many learning styles and promote the reader's ability to apply information in the patient care setting. Applying Your Knowledge exercises challenge readers to develop critical thinking skills. Mastering the Information exercises expand the reader's understanding of drug therapy and develop insight about client teaching needs. NCLEX-style multiple-choice and alternate-format questions offer opportunities to practice test-taking skills. Are Preparing for the TMC Exam?
