The Sumerians Samuel Noah Kramer,2010-09-17 The Sumerians the pragmatic and gifted people who preceded the Semites in the land first known as Sumer and later as Babylonia created what was probably the first high civilization in the history of man spanning the fifth to the second millenniums B C This book is an unparalleled compendium of what is known about them Professor Kramer communicates his enthusiasm for his subject as he outlines the history of the Sumerian civilization and describes their cities religion literature education scientific achievements social structure and psychology Finally he considers the legacy of Sumer to the ancient and modern world There are few scholars in the world qualified to write such a book and certainly Kramer is one of them One of the most valuable features of this book is the quantity of texts and fragments which are published for the first time in a form available to the general reader For the layman the book provides a readable and up to date introduction to a most fascinating culture For the specialist it presents a synthesis with which he may not agree but from which he will nonetheless derive stimulation

American Journal of Archaeology An uncontested authority on the civilization of Sumer Professor Kramer writes with grace and urbanity Library Journal

The Salem Belle Ebenezer Wheelwright,2016-01-08 The Salem Belle is a historical novel a tale of vengeance and superstition set against the Salem witchcraft tragedy of 1692 Rejected by the beautiful Mary the Salem belle the bitter Trellison accuses her of witchcraft mistakenly thinking himself motivated by religious faith She is quickly tried and convicted and her brother James and her fianc Walter must try to rescue the persecuted woman Engaging in its own right The Salem Belle invites renewed interest because it is a critical source for Nathaniel Hawthorne s masterwork The

Scarlet Letter Hawthorne transformed three scenes from Wheelwright s novel for his own In so doing Hawthorne covertly elaborated his lifelong theme original sin and the possibility of redemption Hawthorne scholar Richard Kopley who has recovered The Salem Belle for twenty first century literary study introduces and annotates Wheelwright s novel providing relevant historical details as well as pertinent details about Wheelwright s life and reading Kopley also furnishes three appendixes that will facilitate understanding of The Salem Belle and further analysis of its place in American literary history

Ancient Law Henry Sumner Maine,1885 **Capitalism and Desire** Todd McGowan,2016-09-20 Despite creating vast inequalities and propping up reactionary world regimes capitalism has many passionate defenders but not because of what it withholds from some and gives to others Capitalism dominates Todd McGowan argues because it mimics the structure of our desire while hiding the trauma that the system inflicts upon it People from all backgrounds enjoy what capitalism provides but at the same time are told more and better is yet to come Capitalism traps us through an incomplete satisfaction that compels us after the new the better and the more Capitalism s parasitic relationship to our desires gives it the illusion of corresponding to our natural impulses which is how capitalism s defenders characterize it By understanding this psychic strategy McGowan hopes to divest us of our addiction to capitalist enrichment and help us rediscover enjoyment as we actually experienced it By locating it in the present McGowan frees us from our attachment to a better future and the belief that capitalism is an essential outgrowth of human nature From this perspective our economic social and political worlds open up to real political change Eloquent and enlivened by examples from film television consumer culture and everyday life *Capitalism and Desire* brings a new psychoanalytically grounded approach to political and social theory The Construction Chart Book CPWR--The Center for Construction Research and Training,2008 The Construction Chart Book presents the most complete data available on all facets of the U S construction industry economic demographic employment income education training and safety and health issues The book presents this information in a series of 50 topics each with a description of the subject matter and corresponding charts and graphs The contents of The Construction Chart Book are relevant to owners contractors unions workers and other organizations affiliated with the construction industry such as health providers and workers compensation insurance companies as well as researchers economists trainers safety and health professionals and industry observers The Noncommissioned Officer and Petty Officer Department of Defense,National Defense University Press,2020-02-10 The Noncommissioned Officer and Petty Officer BACKBONE of the Armed Forces Introduction The Backbone of the Armed Forces To be a member of the United States Armed Forces to wear the uniform of the Nation and the stripes chevrons or anchors of the military Services is to continue a legacy of service honor and patriotism that transcends generations Answering the call to serve is to join the long line of selfless patriots who make up the Profession of Arms This profession does not belong solely to the United States It stretches across borders and time to encompass a culture of service expertise and in most cases patriotism Today the Nation s young men and women voluntarily take an oath to support and

defend the Constitution of the United States and fall into formation with other proud and determined individuals who have answered the call to defend freedom This splendid legacy forged in crisis and enriched during times of peace is deeply rooted in a time tested warrior ethos It is inspired by the notion of contributing to something larger deeper and more profound than one s own self Notice This is a printed Paperback version of the The Noncommissioned Officer and Petty Officer BACKBONE of the Armed Forces Full version All Chapters included This publication is available Electronic version in the official website of the National Defense University NDU This document is properly formatted and printed as a perfect sized copy 6x9

Killing Hope William Blum,2022-07-14 In Killing Hope William Blum author of the bestselling Rogue State A Guide to the World s Only Superpower provides a devastating and comprehensive account of America s covert and overt military actions in the world all the way from China in the 1940s to the invasion of Iraq in 2003 and in this updated edition beyond Is the United States as it likes to claim a global force for democracy Killing Hope shows the answer to this question to be a resounding no Teaching Civic Engagement Alison Rios Millett McCartney,Elizabeth A.
