The Courage of Marge O'Doone Apr 13 2024 Many of James Oliver Curwood's action-adventure novels follow intrepid explorers who are equal parts foolish and brave as they make their way in the wilds of northern Canada. In *The Courage of Marge O'Doone*, a chance encounter on a train turns into the adventure of a lifetime for two audacious souls. Will the pair be able to make it back alive?

International Copyright and Access to Knowledge Mar 12 2024 The principle of Access to Knowledge (A2K) has become a common reference point for a diverse set of agendas that all hope to realize technological and human potential by making knowledge more accessible. This book is a history of international copyright focused on principles of A2K and their proponents. Whilst debate and discussion so far has covered the perspectives of major western countries, the author's fresh approach to the topic considers emerging countries and NGOs, who have fought for the principles of A2K that are now fundamental to the system. Written in a clear and accessible style, the book connects copyright history to current problems, issues and events.
