The First Airplane Diesel Engine Oct 28 2023 Unlike
some other reproductions of classic texts (1) We
have not used OCR(Optical Character Recognition), as
this leads to bad quality books with introduced
typos. (2) In books where there are images such as
portraits, maps, sketches etc We have endeavoured to
keep the quality of these images, so they represent
accurately the original artefact. Although
occasionally there may be certain imperfections with
these old texts, we feel they deserve to be made
available for future generations to enjoy.
