This book explores the fascinating and complex lives of the honey badger, the African jackals (black-backed and side-striped), African golden wolves, and Eurasian golden jackals. In recent years, interest in these creatures has grown exponentially, through wildlife documentaries and media clips showing the aggressive, fearless, and tenacious behaviour of the honey badger, with jackals often presented in a supporting role. Written by renowned journalist and educator Keith Somerville, this accessible volume includes historical narratives, folklore, and contemporary accounts of human-wildlife relationships and conflicts. It traces the evolution of the species; their foraging and diet; the development of their relationships with humans; and their commensal, kleptocratic, and symbiotic relationships with other carnivores, raptors and birds. It also charts the recent expansion in European jackal numbers and ranges, now including as far west as the Netherlands and as far north as Finland. Blending historical observations by non-scientists, colonial officials, administrators, and early conservationists with contemporary scientific accounts, it presents a new multidisciplinary approach that will interest researchers, scientists, and students in wildlife conservation, human-wildlife relations, zoology, biology, and environmental science. Sweet chocolates and short love stories go hand in hand like a warm fire, a glass of wine, and a good book. These stories are meant to be enjoyed either alone or with friends- at home or on the beach, it does not matter. Like chocolates some stories are dark, some nutty, but all are delicious. Enjoy the chocolates. Inside the book, A Box of Chocolates, are award winning short stories like Yes Officer, Dog With No Name, Mighty Miss and poignant love stories like I Met Someone, The Painter from Syros, The Lemon Trees and Have a Heart. Also included as a bonus are excerpts from Bryan's bestselling novels Love Letters, Indie, A Second Chance and much, much more. It has been one of those days. You've worked like a Trojan, displaying titanic strength and stoic endurance to overcome the Herculean labours that have faced you in order to meet that deadline. We regularly employ classically-derived expressions in our everyday language, yet many of us have little understanding of the origin of these common phrases. But an incomplete classical education need no longer be your Achilles heel. Opening Pandora's Box offers a light-hearted yet fascinating look at the stories behind the expressions. For example, did you know that the phrase 'the face that launched a thousand ships' originates from the story of the kidnapping of Helen of Troy, but the actual line comes from a poem by Christopher Marlowe? Opening Pandora's Box provides a useful introduction to classical mythology as well as giving an insight into our language. This is an extremely powerful and intriguing story of a young girl Sophia and her friends . Sophia and her friends visit her Farmhouse for a stay where they find a unique box. After they reach the farmhouse they learn many secrets which they were unaware of. Sophia's parents embarks on a journey of mysteries behind the box which leads them to many surprises. An innocent mistake leads to behavioral changes in Sophia . Sophia's parents and friends attempt to help her unfolds many untold secrets which keeps them astonished . The combined efforts to help Sophia come out of the misery puts her into more trouble. The incidents of the story are wholly absorbing. It is a story of The Mystery Box, how they find it and how it changes their life to an extent that it starts affecting them at each and every point in their life. They make lot of efforts to come out of it which puts them in more and more trouble until they learn the truth. The intriguing history of Dickens's London, showing how tourists have reimagined and reinvented the Dickensian metropolis for more than 150 years Tourists have

sought out the landmarks, streets, and alleys of Charles Dickens's London ever since the death of the world-renowned author. Late Victorians and Edwardians were obsessed with tracking down the locations—dubbed “Dickensland”—that famously featured in his novels. But his fans were faced with a city that was undergoing rapid redevelopment, where literary shrines were far from sacred. Over the following century, sites connected with Dickens were demolished, relocated, and reimagined. Lee Jackson traces the fascinating history of Dickensian tourism, exploring both real Victorian London and a fictional city shaped by fandom, tourism, and heritage entrepreneurs. Beginning with the late nineteenth century, Jackson investigates key sites of literary pilgrimage and their relationship with Dickens and his work, revealing hidden, reinvented, and even faked locations. From vanishing coaching inns to submerged riverside stairs, hidden burial grounds to apocryphal shops, Dickensland charts the curious history of an imaginary world. "A one-two punch! Half kick in the ass, half cheerleading encouragement." —Steven Pressfield, author of *The War of Art* If you are happy being just a dreamer, perhaps you don't need this book. If you're enjoying the status quo, don't even consider reading this book. If you are content waiting for success to find you, please put this book down and go find something else to read. Why has *Poke the Box* become a cult classic? Because it's a book that dares readers to do something they're afraid of. It could be what you need, too. "Is Seth Godin the Pied Piper for however many of us have been afraid to fail? Will I answer his call? Will you?" —Peter Shermeta, reviewing the original edition of *Poke the Box*

Caught in an ever tightening grip of misfortune, a west country farming family struggling with their own individual demons, face ruin at the onset of war. Each has their own personal entrapment to escape from, with the secret of a runaway evacuee bringing further disruption. The arrival of an enigmatic local character who holds the key to help in his own unique and sometimes humorous ways begins to unravel the problems. But why would he? And at what cost to himself? Jane Yolen poetically reminds young readers that a simple box can be a child's most imaginative plaything as artist Chris Sheban illustrates its myriad and magical uses. Reviews - Booklist, November 2021 “A Box! A box is a wonder indeed. The only such magic that you'll ever need.” This book offers gentle

suggestions for what to do with a cardboard box, from the practical to the fantastical and from solitary to social.” This book is about a lady who knows that her man is in love with her. She sees that it's one thing to love someone. But it is a totally different experience to have someone in love with you, and you're in love with him too. What splendor. You will begin to see how their love for one another brings about an amazing collaboration between them and their family and friends. Everyone likes to take part in a good thing, not to mention the fact that all of your senses are being tantalized--your taste buds, your sense of smell, your emotions, just to name a few. As you are reading, you will find yourself in a love-struck zone. Of course, you will feel a magnitude of excitement while reading. The other individuals in this book are very colorful as well as passionate. They are simply in love with the passion that they have witnessed in the couple mentioned in this book. You would know that they were in love too. Once you read this book, you'll find yourself saying these about this couple., "They're in the right place, at the right time, for all the right to happen." Last but not least, you will find that this is the most wonderful short story romance novel you have ever encountered. Joanna Ford is one of the top defense attorneys in the country. Much like fire, she is comforting, but painful; beautiful, yet deadly; loud, yet silencing; patterned, but unpredictable. Although merciless in the courtroom, "I love you", is the inscription on Pandora's box. Under her rough exterior lies a soft spot for her best friends, and a deep-rooted desire for her husband, Jackson. But be careful, Anna. It is often the things we desire the most that destroy us... This book was converted from its physical edition to the digital format by a community of volunteers. You may find it for free on the web. Purchase of the Kindle edition includes wireless delivery. This box set contains three complete novels: Books 1-3 of the Out of Time Series. Don't miss books 4-10, including the brand new REVOLUTION IN TIME, also available on Google Play! Out of Time: A Time Travel Mystery (Book #1) Mystery, romance and adventure... Professor Simon Cross has spent his life searching for evidence of vampires and avoiding emotional entanglements. When a mysterious accident transports Simon and his assistant, Elizabeth West, back in time, Simon finally finds both the proof that he's been looking for, and the romance that he hasn't. Simon and Elizabeth's developing relationship is tested by demons real and imagined. In 1920s Manhattan, there are more than mobsters vying for power in the city's speakeasies. When the local kingpin with a dark secret sets his sights on Elizabeth, day to day struggles become a fight for their very lives. When the Walls Fell (Book #2) Professor Simon Cross and his assistant Elizabeth West have returned from their accidental journey into the past and are adjusting to their new life together as a couple. But an unwanted visit from the Council for Temporal Studies could change everything. A murder in the past is changing the future, and if the killing isn't stopped, Simon Cross might never be born. When they arrive in 1906 San Francisco, Elizabeth and Simon have no idea who wants Victor Graham dead or how it will happen. With the earthquake that leveled most of the city just days away, the race to save Graham thrusts them into a complex mystery of jealousy and revenge where murder might be the least of their worries. Fragments (Book #3) Simon & Elizabeth are back in book #3 of the Out of Time Series! Professor Simon Cross and his assistant, Elizabeth West, thought their time traveling days were over. That's before they stumble across a World War II photograph -- with missing time traveler, Evan Eldridge, injured and

in desperate need of help. They find Evan in 1942 London, ill and not quite sure what's happened. He remembers only one thing with crystal clarity -- the whereabouts of an artifact Hitler believes can win the war. That's information every Nazi spy in the country would kill to know. As if saving Evan and surviving war-torn England weren't enough, the outcome of the war hinges on Simon and Elizabeth finding Evan's artifact before the Nazis do. But time is running out: for them, for London, for the world. Be sure not to miss the rest of the Out of Time Series including: The Devil's Due (Book #4) Thursday's Child (Book #5) The Sands of Time (Book #6) A Rip In Time (Book #7) A Time of Shadows (Book #8) Voyage in Time: The Titanic (Book #9) Revolution in Time (Book #10) Sign up for Monique's newsletter so you don't miss an adventure! Darwinism is one of the most successful scientific theories, and its validity is largely unquestioned within the scientific community. Most criticism comes from creationist streams of thought, and primarily focuses on aspects of improbability, such as on the alleged improbability of the origin of life, or of accidental mutations and natural selection yielding the astonishing complexity of living beings. In this work, a new criticism of the theory of natural selection is introduced. Its aim is to show that a salient characteristic of living beings, sexual reproduction, defies Darwinism, and not based on an improbability, but on an impossibility of explanation. Moreover, it is a critique that does not endorse creationism, but demands that the discussion about the explanation of organic phenomena should be held in a much broader philosophical context. James Lamb has provided the Afro centric Spiritual community a tremendous literary historical-theological treatise. The psycho-social issues facing the African American community today have their roots in the legacy of white supremacy which has dominated Black life in all areas of human activity, including economics, education, entertainment, labor, law, politics, religion, sex and war. BLACK uncovers the historical legacy of this dehumanization process and provides the solution for the African American community to reclaim its African soul by restoring its memory of the Ancient Egyptian genius to address contemporary struggles of Black life in all areas of people activity, including economics, education, entertainment, labor, law, politics, religion, sex and war. Rev. Richard D. Bullard, THM Senior Pastor of Grace Evangelical Baptist Church Pine Bluff, Arkansas This book parallels the practice of religion and the history of African and African American culture. Rev. Lamb takes the reader on his lifelong journey of discovery and realizations of his morality and his responsibility as a man of the cloth. This book offers compelling dialogue that makes the reader reflect and search within for answers we should all seek for ourselves. Garbo Hearne, Independent Bookseller, Pyramid Art, Books & Custom Framing BLACK: A clear straight forward historical and present day look into the complex world of Black people. From genius Empires displayed historically through slavery, Jim Crow, racial tension and Black on Black crimes; BLACK stands as a monument of practical resource information giving revelation of a great history. BLACK should be required reading in all educational institutions. Frazier Lamb Social Worker Department of Children Family Services State of Connecticut Recently orphaned Becca Moskowitz, uncertain about starting college is offered a reprieve by her guardians, her great aunt, and uncle. Disturbed by dreams of her dead grandmother, her aunt, a psychiatrist has her on medication for "hallucinations." But Becca is not hallucinating, she is a psychic. Haunted by her dead

grandmother--who is typical of most ghosts--and not clear about what she wants Becca to do with the box once she finds it, Becca enlists the help of her friends. They encourage her to explore her new gifts and explain some of the pitfalls of having "special" talents. Nathan Steiner owns the curio shop where the box ends up. He bought it as a curiosity, a gift for his mother's birthday. Becca contacts Nathan's shop and tells his assistant the box was sold by mistake. The shop girl is repulsed by the box, and when Nathan leaves in the ambulance with his mother, she takes it to the basement to get rid of it. When Becca calls the shop to make sure she has the correct place and indicates she wants to buy the box, the possessed shop girl lures her to the store and locks her in the basement. Becca spends a terrifying night alone in the cellar while Nathan is with his mother at the hospital. When he returns to the store and releases her, she begs him to sell her the box, but he refuses. When a devil plot endangers her life, childhood friend Johnny Silva -- now a handsome Beverly Hills restaurant owner -- offers his protection, though their platonic friendship threatens to ignite in the Spanish countryside. RUNWAY - After fashion designer Fianna Fitzgerald's debut runway show, a walk on the Malibu beach with reclusive, widowed Irish rock star Niall Finley nearly claims their lives on the beach when they get caught in high ocean tides. From the runways of Los Angeles to Dublin, someone is trying to sabotage her debut season. Can she solve the mystery and leave Ireland with her heart intact? Get your three-book set now to escape into a glamorous, feel-good get-away! And be sure to read on to the second collection of books 4-6, Essence, Style, and Sparkle. Individual books are also available in print and audiobooks. (Tasteful, PG-13 rated.) Reader Reviews "A new Jan Moran book is a true gem. Verena, Scarlett, Fianna, and Dahlia are the closest of friends. They are all strong, intelligent women heading up their own businesses. Through these ladies, Jan gives us a peek into the world of fashion design, perfumery, and jewelry design. I love each though each book is on a different one of these ladies they all make appearances in each book. They are always there for each other through love, breakups, business successes, and business upheaval. And whenever girlfriends get together, there is always laughter and

lots of love." - B.J.T. "I enjoyed all three of these stories. All of these women have obstacles in the story for them to overcome and they find love along the way. It is also refreshing to read stories where the love scenes fade out." - Irene S. "Three exciting women who just so happen to be friends are the mainstay of this box set. Read along for romances that will draw you in until the last page. The stories are well written with characters that you will be cheering on in their adventures and journey towards a happily ever after." - Merry J. "Jan Moran is the new queen of the epic romance." - USA Today Bestselling Author Rebecca Forster, Author of Expert Witness "Jan Moran is a favorite author of mine. All in all a fun read that grabs you at the start." -- Tina Sloan, Author of Changing Shoes, Award-Winning Actress Enter a bright new world of entertainment with Amazon's red hot tablet.
