## Dave Ramsey Chapter 11 Test

**The Proximity Principle** Ken Coleman, 2019-05-13 Right now 70% of Americans aren't passionate about their work and are desperately longing for meaning and purpose. They're sick of average and know there's something better out there but they just don't know how to reach it. One basic principle, The Proximity Principle, can change everything you thought you knew about pursuing a career you love. In his latest book, *The Proximity Principle*, national radio host and career expert Ken Coleman provides a simple plan of how positioning yourself near the right people and places can help you land the job you love. Forget the traditional career advice you've heard: Networking, handing out business cards, and updating your online profile do nothing to set you apart from other candidates. Ken will show you how to be intentional and genuine about the connections you make with a fresh, unexpected take on resumes and the job interview process. You'll discover the five people you should look for and the four best places to grow, learn, practice, and perform so you can step into the role you were created to fill. After reading *The Proximity Principle*, you'll know how to connect with the right people and put yourself in the right places so opportunities will come and you'll be prepared to take them.

**From Paycheck to Purpose** Ken Coleman, 2021-11-09 Work isn't supposed to be a four-letter word. Does the work you do matter to you? Are you unsure what you want to do for a living? Are you in the right place but looking to advance? No matter where you are in your career, you were born to do work you love. National bestselling author and career expert Ken Coleman was stuck in an unfulfilling career until he realized he didn't have to be. In his latest book, he draws on what he learned from his own ten-year journey as well as from coaching thousands of others to walk you through the seven stages to discovering and doing meaningful work. Relevant to any job or industry, you'll learn step by step how to: Get Clear on the work you were uniquely made to do and why; Get Qualified to do the work you were created for; Get Connected with the right people who can open the doors to your dream; Get Started by overcoming the emotions and mistakes that often hold people back; Get Promoted by developing winning habits and traits; Get Your Dream Job by doing work you love and accomplishing results that matter to you; Give Yourself Away by expanding the dream to leave a legacy. This is your moment. You are needed and you were made to contribute. It's time to exit the daily grind and use your talents to start living your dream once and for all.
