The New Gilded Age May 26 2021 Income inequality is an increasingly pressing issue in the United States and around the world. This book explores five critical issues to introduce some of the key moral and empirical questions about income, gender, and racial inequality: Do we have a moral obligation to eliminate poverty? Is inequality a necessary evil that's the best way available to motivate economic action and increase total output? Can we retain a meaningful democracy even when extreme inequality allows the rich to purchase political privilege? Is the recent stalling out of long-term declines in gender inequality a historic reversal that presages a new gender order? How are racial and ethnic inequalities likely to evolve as minority populations grow ever larger, as intermarriage increases, and as new forms of immigration unfold? Leading public intellectuals debate these questions in a no-holds-barred exploration of our New Gilded Age.

*The Gilded Age and Progressive Era May 07 2022 This book offers a one-stop reference work covering the Gilded Age and Progressive Era that serves teachers and their students. This book helps students to better understand key pieces in literature from the Gilded Age and Progressive Era by putting them in the context of history, society, and culture through historical context essays, literary analysis, chronologies, documents, and suggestions for discussion and further research. It provides teachers and students with selections that align with the ELA Common Core Standards and that also offer useful connections for curriculum that integrates American literature and social studies. The book covers Mark Twain's *A Connecticut Yankee in King Arthur's Court*, Charlotte Perkins Gilman's *The Yellow Wallpaper*, Willa Cather's *A Lost Lady*, and Upton Sinclair's *The Jungle*. Readers will be able to appreciate the significance of this period through these canonical and widely taught works of American literature. The book also includes historical context essays, primary document excerpts, and suggested readings.*

The Gilded Age (Volume II) Nov 24 2023 This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and

accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

Love, Fiercely Aug 10 2022 Documents the Gilded Age love story of an heiress who fought for women's rights and an architect, tracing their upbringings, their pursuits, and their advocacy efforts on behalf of the poor and disenfranchised.

Children and Youth During the Gilded Age and Progressive Era Jun 27 2021 In the decades after the Civil War, urbanization, industrialization, and immigration marked the start of the Gilded Age, a period of rapid economic growth but also social upheaval. Reformers responded to the social and economic chaos with a "search for order," as famously described by historian Robert Wiebe. Most reformers agreed that one of the nation's top priorities should be its children and youth, who, they believed, suffered more from the disorder plaguing the rapidly growing nation than any other group. *Children and Youth during the Gilded Age and Progressive Era* explores both nineteenth century conditions that led Progressives to their search for order and some of the solutions applied to children and youth in the context of that search. Edited by renowned scholar of children's history James Marten, the collection of eleven essays offers case studies relevant to educational reform, child labor laws, underage marriage, and recreation for children, among others. Including important primary documents produced by children themselves, the essays in this volume foreground the role that youth played in exerting agency over their own lives and in contesting the policies that sought to protect and control them.

The Gilded Age; a Tale of To-Day Volume 1 Feb 13 2023 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1915 edition. Excerpt: ...put your finger on a spot in the map of Missouri that I don't know as if I'd made it. When you want to place anything," continued the Colonel, confidently, "just let Beriah Sellers know. That's all." "Oh, I haven't got much in ready money I can lay my hands on now, but if a fellow could do anything with fifteen or twenty thousand dollars, as a beginning, I shall draw for that when I see the right opening." "Well, that's something, that's something, fifteen or twenty thousand dollars, say twenty--as an advance," said the Colonel reflectively, as if turning over his mind for a project that could be entered on with such a trifling sum. "I'll tell you what it is--but only to you, Mr. Brierly, only to you, mind; I've got a little project that I've been keeping. It looks small, looks small on paper, but it's got a big future. What should you say, sir, to a city, built up like the rod of Aladdin had touched it, built up in two years, where now you wouldn't expect it any more than you'd expect a lighthouse on the top of Pilot Knob? and you could own the land! It can be done, sir. It can be done!" The Colonel hitched up his chair close to Harry, laid his hand on his knee, and, first looking about him, said in a low voice, "The Salt Lick Pacific Extension is going to run through Stone's Landing! The Almighty never laid out a cleaner piece of level prairie for a city; and it's the natural center of all that region of hemp and tobacco." "What makes you think the road will go there? It's twenty miles, on the map, off the straight line of the road?" "You can't tell what is the straight line till the engineers have been over it. Between us, I have talked with Jeff Thompson, the division engineer. He understands the wants of Stone's Landing, and the...

Lawrence in the Gilded Age Feb 21 2021 *The Gilded Age, c. 1870-1898*, was a time of promise and expanding horizons for the people of Lawrence, known as "the Queen City on the Merrimack." Passenger trains, horse-drawn trolleys, and electric streetcars dominated transportation, one-third of the population worked in manufacturing, and thirteen newspapers brought the latest information to the city's burgeoning population of nearly sixty thousand people. Through unique images from the special collections of the Lawrence Public Library, rich commentary, and a virtual walking tour, *Lawrence in the Gilded Age* relives the last three decades of the nineteenth century in Lawrence, which had managed to avoid the labor strikes and political and social unrest that plagued the city in the early twentieth century.

The Gilded Age Jul 29 2021 The Gilded Age—the time between Reconstruction and the Spanish-American War—marked the beginnings of modern America. The advertising industry became an important part of selling the American Dream. Americans dined out more than ever before, and began to take leisure activities more seriously. Women's fashion gradually grew less restrictive, and architecture experienced an American Renaissance. Twelve narrative chapters chronicle how American culture changed and grew near the end of the 20th century. Included are chapter bibliographies, a timeline, a cost comparison, and a suggested reading list for students. This latest addition to Greenwood's American Popular Culture Through History series is an invaluable contribution to the study of American popular culture. American Popular Culture Through History is the only reference series that presents a detailed, narrative discussion of U.S. popular culture. This volume is one of 17 in the series, each of which presents essays on Everyday America, The World of Youth, Advertising, Architecture, Fashion, Food, Leisure Activities, Literature, Music, Performing Arts, Travel, and Visual Arts *Fashions of the Gilded Age: Evening, bridal, sports, outer wear, accessories, and dressmaking, 1877-1882* Jul 21 2023 This set contains a complete wardrobe of authentic women's styles from the late 1870s and early 1880s. This "natural form" silhouette, with its slender bodice, graceful drapery, and flowing train, is one of the most elegant of the 19th century. It is a rich pattern source for those who create period costume for theater, film, living history, reenactment, bridal wear, or dolls. It's a valuable identification and dating tool for costume historians and vintage clothing collectors.

The Gilded Age Jul 09 2022

The Gilded Age Feb 26 2024

The Human Tradition in the Gilded Age and Progressive Era Nov 12 2022 The period between 1870 and 1920 was one of the most dynamic in American history. This era witnessed the invention of the automobile, the establishment of women's suffrage, and the opening of the Panama Canal. While a time of great advancement, the Gilded Age and Progressive Era were also periods of uncertainty as Americans coped with corrupt politicians, unchecked big business, and a vast influx of immigrants. SR Books offers a new approach to this time period in its book *The Human Tradition in the Gilded Age and Progressive Era*. This volume looks at the experiences of 13 people who contributed to the shaping of American culture and thought during this period. These concise accounts are written by leading historians and give students an intimate view of history. This is an excellent text for courses in American studies.

The Gilded Age; a Tale of To-Day Volume 2 Sep 30 2021 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1915 edition. Excerpt: ... CHAPTER II. LAURA RECEIVES CALLS FROM THE ARISTOCRACIES --Itancan Ihduhomni eciyapi, Itancan Tohanokihieca eciyapi, Itancan lapiwaxte eciyapi, he hunkakewicaye cin etanhan otonwe kin caxtonpi; nakun Akicita Wicaxta-ceji-skuya, Akicita Anogite, Akicits Taku-kaxta-- be richeste wifmen alle: pat were in londe, and pere hehere monnen dohtere. ... pere wes moni pal hende: on faire p uolke. bar was mochel honde: of manicunnes londe, for ech wende to beon: betere pan ober. Layamon. soon discovered that there were three distinct aristocracies in Washington. One of these (nicknamed the Antiques), consisted of cultivated, high-bred old families who looked back with pride upon an ancestry that had been always great in the nation's councils and its wars from the birth of the republic downward. Into this select circle it was difficult to gain admission. No. 2 was the aristocracy of the middle ground -- of which, more anon. No. 3 lay beyond; of it we will say a word here. We will call it the Aristocracy of the Parvenus -- as, indeed, the general public did. Official position, no matter how obtained, entitled a man to a place in it, and carried his family with him, no matter whence they sprang. Great wealth gave a man a still higher and nobler place in it than did official position. If this wealth had been acquired by conspicuous ingenuity, with just a pleasant little spice of illegality about it, all the better. This aristocracy was "fast," and not averse to ostentation. The aristocracy of the Antiques ignored the aristocracy of the Parvenus; the Parvenus laughed at the Antiques (and

secretly envied them). There were certain important "society" customs which one in Laura's position needed to understand. For instance, when a lady of any...

The Gilded Age in New York, 1870-1910 Feb 01 2022 The drama, expansion, mansions and wealth of New York City's transformative Gilded Age era, from 1870 to 1910, captured in a magnificently illustrated hardcover. In forty short years, New York City suddenly became a city of skyscrapers, subways, streetlights, and Central Park, as well as sprawling bridges that connected the once-distant boroughs. In Manhattan, more than a million poor immigrants crammed into tenements, while the half of the millionaires in the entire country lined Fifth Avenue with their opulent mansions. The Gilded Age in New York captures what it was like to live in Gotham then, to be a daily witness to the city's rapid evolution. Newspapers, autobiographies, and personal diaries offer fascinating glimpses into daily life among the rich, the poor, and the surprisingly large middle class. The use of photography and illustrated periodicals provides astonishing images that document the bigness of New York: the construction of the Statue of Liberty; the opening of the Brooklyn Bridge; the shimmering lights of Luna Park in Coney Island; the mansions of Millionaire's Row. Sidebars detail smaller, fleeting moments: Alice Vanderbilt posing proudly in her "Electric Light" ball gown at a society-changing masquerade ball; immigrants stepping off the boat at Ellis Island; a young Theodore Roosevelt witnessing Abraham Lincoln's funeral. *The Gilded Age in New York* is a rare illustrated look at this amazing time in both the city and the country as a whole. Author Esther Crain, the go-to authority on the era, weaves first-hand accounts and fascinating details into a vivid tapestry of American society at the turn of the century. Praise for *New-York Historical Society New York City in 3D In The Gilded Age*, also by Esther Crain: "Vividly captures the transformation from cityscape of horse carriages and gas lamps 'bursting with beauty, power and possibilities' as it staggered into a skyscraping Imperial City." -Sam Roberts, *The New York Times* "Get a glimpse of Edith Wharton's world." - Entertainment Weekly Must List "What better way to revisit this rich period. . .?" - Library Journal

Historical Dictionary of the Gilded Age Jun 07 2022 The Gilded Age was an important three-decade period in American history. It was a time of transition, when the United States began to recover from its Civil War and post-war rebuilding phase. It was as a time of progress in technology and industry, of regression in race relations, and of stagnation in politics and foreign affairs. It was a time when poor southerners began farming for a mere share of the crop rather than for wages, when pioneers settled in the harsh land and climate of the Great Plains, and when hopeful prospectors set out in search of riches in the gold fields out West. The *Historical Dictionary of the Gilded Age* relates the history of the major events, issues, people, and themes of the American "Gilded Age" (1869-1899). This period of unprecedented economic growth and technical advancement is chronicled in this reference and includes a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries.

The Gilded Age Volume 2 Dec 26 2023 *The Gilded Age Volume 2* By Twain and Warner June 18--. Squire Hawkins sat upon the pyramid of large blocks, called the "stile," in front of his house, contemplating the morning.

The Republic for which it Stands Aug 29 2021 The newest volume in the Oxford History of the United States series, *The Republic for Which It Stands* argues that the Gilded Age, along with Reconstruction--its conflicts, rapid and disorienting change, hopes and fears--formed the template of American modernity.

The Gilded Age Jun 19 2023 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Mark Twain: *The Gilded Age and Later Novels* (LOA #130) Oct 31 2021 "Against the assault of laughter nothing can stand," Mark Twain once wrote. In this sixth volume in *The Library of America's* authoritative collection of his writings--the final volume of his fiction--America's greatest humorist emerges in a surprising range of roles: as the savvy satirist of *The Gilded Age*, the brilliant plotter of its inventive sequel, *The American Claimant*, and, in two Tom Sawyer novels, as the acknowledged master revisiting his best-loved characters. Also in this volume is the authoritative version of Twain's haunting last novel, No. 44, *The Mysterious Stranger*, left unpublished when he died. *The Gilded Age* (1873), a collaboration with Hartford neighbor Charles Dudley Warner, sends up an age when vast fortunes piled up amid thriving corruption and a city Twain knew well, Washington, D.C., full of would-be power brokers and humbug. The novel also gives us one of Twain's most enduring characters, Colonel Sellers, who returns in *The American Claimant* (1892), an encore performance that moves beyond the worldly satire of its predecessor into realms of sheer inventive mayhem. *Tom Sawyer Abroad* (1894) and *Tom Sawyer, Detective* (1896) extend the adventures of Huck and Tom. No. 44, *The Mysterious Stranger* (1908), an astonishing psychic adventure set in the gothic gloom of a medieval Austrian village,

offers a powerful and uncanny exploration of the powers of the human mind. **LIBRARY OF AMERICA** is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

The Gilded Age, Vol. 2 of 2 Aug 22 2023 Excerpt from *The Gilded Age*, Vol. 2 of 2: A Tale of to-Day Whenever she halted, she was presently surrounded by Ministers, Generals, Congressmen, and all manner of aristocratic people. Introductions followed, and then the usual original question, How do you like Washington, Miss Hawkins? Supplemented by that other usual original question, Is this your first visit? About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. The Gilded Age Apr 25 2021 A fully illustrated, insightful portrait of this historic time of dramatic economic growth marked by glamorous haves and struggling have-nots. *The Gilded Age*—the name coined by Mark Twain to refer to the period of rapid economic growth in America between the 1870s and 1900—offers some intriguing parallels to our own time. Bestselling author and historian Alan Axelrod tackles this subject in a fresh way, exploring this intense era in its various dimensions, and looking at also looks at how it presaged our current era, which many are calling the “Second Gilded Age.” Photographs, political cartoons, engravings, news clippings, and other ephemera help bring this fascinating period into focus.

Buying and Selling Civil War Memory in Gilded Age America Jan 15 2023 *Buying and Selling Civil War Memory* explores the ways in which Gilded Age manufacturers, advertisers, publishers, and others commercialized Civil War memory. Advertisers used images of the war to sell everything from cigarettes to sewing machines; an entire industry grew up around uniforms made for veterans rather than soldiers; publishing houses built subscription bases by tapping into wartime loyalties; while old and young alike found endless sources of entertainment that harkened back to the war. Moving beyond the discussions of how Civil War memory shaped politics and race relations, the essays assembled by James Marten and Caroline E. Janney provide a new framework for examining the intersections of material culture, consumerism, and contested memory in the everyday lives of late nineteenth-century Americans. Each essay offers a case study of a product, experience, or idea related to how the Civil War was remembered and memorialized. Taken together, these essays trace the ways the buying and selling of the Civil War shaped Americans' thinking about the conflict, making an important contribution to scholarship on Civil War memory and extending our understanding of subjects as varied as print, visual, and popular culture; finance; and the histories of education, of the book, and of capitalism in this period. This highly teachable volume presents an exciting intellectual fusion by bringing the subfield of memory studies into conversation with the literature on material culture. The volume's contributors include Amanda Brickell Bellows, Crompton B. Burton, Kevin R. Caprice, Shae Smith Cox, Barbara A. Gannon, Edward John Harcourt, Anna Gibson Holloway, Jonathan S. Jones, Margaret Fairgrieve Milanick, John Neff, Paul Ringel, Natalie Sweet, David K. Thomson, and Jonathan W. White.

The Gilded Age, Vol. 1 of 2 Sep 22 2023 Excerpt from *The Gilded Age*, Vol. 1 of 2: A Tale of to-Day Our quotations are set in a vast number of tongues; this is done for the reason that very few foreign nations among whom the book will circulate can read in any language but their own; whereas we do not write for a particular class or sect or nation, but to take in the whole world. I. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work.
