Road Traffic Law Nov 01 2021 This practical guide to road traffic law covers all the principal aspects of roads policing in England and Wales, and has been fully updated for this second edition. This new edition covers significant changes in road traffic law, such as the enforcement of the Road Safety Act 2006 and updates to the Road Traffic Act 1988. The authors discuss matters such as causing death by careless driving, causing death by careless driving when under the influence of drinking or drugs, insurance and licensing, use of mobile telephones and control of a vehicle, and updates to construction and use rules. This book also features coverage of driver identification, alcohol

and drug related offences, traffic signs and fixed penalties. Each chapter is written in non-technical language and combines explanations of the law with practical illustrations, examples, and FAQs on problems commonly faced by police officers engaged in road traffic law enforcement. The book focuses on those areas that are most frequently encountered by traffic officers in their everyday working lives, and is a must for all officers engaged in front-line traffic duties. The Blackstone's Practical Policing Series covers a range of topical subjects of vital importance in today's policing arena. Each practical guide contains clear and detailed explanations of the relevant legislation, accompanied by practical scenarios, illustrative diagrams and useful checklists. Packed with a wealth of information, the Blackstone's Practical Policing Series ensures you have ready access to the tools you need to take on any policing challenge.
