A Chance to Make History Wendy Kopp,2012-02-28 The founder of Teach for America details the lessons learned during the organization's twenty year existence and explains how the achievement gap in U S education can be closed [A Good Farmer](#) Sharyn Rothstein,2019-05-22 A moving drama laced with humor and heartache A GOOD FARMER is the story of two women a farm owner and her unlikely best friend an illegal Mexican immigrant fighting to survive in a small town divided by America's immigration battle With rich complicated roles for women A GOOD FARMER is a play about love friendship and finding the power to face what divides us [One Day, All Children...](#) Wendy Kopp,2008-08-04 From her dorm room at Princeton University twenty one year old college senior Wendy Kopp decided to launch a movement to improve public education in America In One Day All Children she shares the remarkable story of Teach For America a non profit organization that sends outstanding college graduates to teach for two years in the most under resourced urban and rural public schools in America The astonishing success of the program has proven it possible for children in low income areas to attain the same level of academic achievement as children in more privileged areas and more privileged schools One Day All Children is not just a personal memoir It's a blueprint for the new civil rights movement a movement that demands educational access and opportunity for all American children **Story of Scranton** Bill Steinke,1914 **Across the Blue Pacific** Louise Borden,2006 A woman reminisces about her neighbor's son who was the object of a letter writing campaign by some fourth graders when he went away to war in 1943 *The First Kennedys* Neal Thompson,2022-02-22 Here is that rare thing an untold chapter in the Kennedy saga Compelling and illuminating Jon Meacham Based on genealogical breakthroughs and previously unreleased records this is the first book to explore the inspiring story of the poor Irish refugee couple who escaped famine created a life together in a city hostile to Irish immigrants and Catholics and launched the Kennedy dynasty in America Their Irish ancestry was a hallmark of the Kennedys initial political profile as JFK leveraged his working class roots to connect with blue collar voters Today we remember this iconic American family as the vanguard of wealth power and style rather than as the descendants of poor immigrants Here at last we meet the first American Kennedys Patrick and Bridget who arrived as many thousands of others did following the Great Famine penniless and hungry Less than a decade after their marriage in Boston Patrick's sudden death left Bridget to raise their children single handedly Her rise from housemaid to shop owner in the face of rampant poverty and discrimination kept her family intact allowing her only son P J to become a successful saloon owner and businessman P J went on to become the first American Kennedy elected to public office the first of many Written by the grandson of an Irish immigrant couple and based on first ever access to P J Kennedy's private papers *The First Kennedys* is a story of sacrifice and survival resistance and reinvention an American story **And Then I Danced** Mark Segal,2015-09-14 A gay rights pioneer shares his stories from Stonewall to dancing with his

husband at the White House in a memoir full of funny anecdotes and heart Publishers Weekly On December 11 1973 Mark Segal disrupted a live broadcast of the CBS Evening News when he sat on the desk directly between the camera and news anchor Walter Cronkite yelling Gays protest CBS prejudice He was wrestled to the studio floor by the stagehands on live national television thus ending LGBT invisibility But this one victory left many more battles to fight and creativity was required to find a way to challenge stereotypes Mark Segal s job as he saw it was to show the nation who gay people are our sons daughters fathers and mothers This is a memoir of one man s role in modern LGBT history from being on the scene of the Stonewall riots to getting kicked off a 1970s TV show for dancing with another man and then decades later dancing with his husband at a White House event for Gay Pride Segal vividly describes his firsthand experience as a teenager inside the Stonewall bar during the historic riots his participation with the Gay Liberation Front and amusing encounters with Elton John and Patti LaBelle A jovial yet passionately delivered self portrait inspiring awareness about LGBT history from one of the movement s true pioneers Kirkus Reviews The stories are interesting unexpected and witty Library Journal Much this book focuses on his work but the more telling pages are filled with love gained and lost raising other people s children finding himself and aging in the gay community A must read The Advocate [The Annenbergs](#) John E. Cooney,1982 This is the colorful and dramatic biography of two of America s most controversial entrepreneurs Moses Louis Annenberg the racing wire king who built his fortune in racketeering invested it in publishing and lost much of it in the biggest tax evasion case in United States history and his son Walter launcher of TV Guide and Seventeen magazines and former ambassador to Great Britain Jacket **Hollywood Highbrow** Shyon Baumann,2018-06-05 Today s moviegoers and critics generally consider some Hollywood products even some blockbusters to be legitimate works of art But during the first half century of motion pictures very few Americans would have thought to call an American movie art Up through the 1950s American movies were regarded as a form of popular even lower class entertainment By the 1960s and 1970s however viewers were regularly judging Hollywood films by artistic criteria previously applied only to high art forms In Hollywood Highbrow Shyon Baumann for the first time tells how social and cultural forces radically changed the public s perceptions of American movies just as those forces were radically changing the movies themselves The development in the United States of an appreciation of film as an art was Baumann shows the product of large changes in Hollywood and American society as a whole With the postwar rise of television American movie audiences shrank dramatically and Hollywood responded by appealing to richer and more educated viewers Around the same time European ideas about the director as artist an easing of censorship and the development of art house cinemas film festivals and the academic field of film studies encouraged the idea that some American movies and not just European ones deserved to be considered art [The Kosher Capones](#) Joe Kraus,2019-10-15 The Kosher Capones tells the fascinating story of Chicago s Jewish gangsters from Prohibition into the 1980s Author Joe Kraus traces these gangsters through the lives criminal careers and conflicts of Benjamin Zuckie the Bookie Zuckerman last

of the independent West Side Jewish bosses and Lenny Patrick eventual head of the Syndicate's Jewish wing. These two men linked the early Jewish gangsters of the neighborhoods of Maxwell Street and Lawndale to the notorious Chicago Outfit that emerged from Al Capone's criminal confederation. Focusing on the murder of Zuckerman by Patrick Kraus introduces us to the different models of organized crime they represented: a raft of largely forgotten Jewish gangsters and the changing nature of Chicago's political corruption. Hard to believe anecdotes of corrupt politicians, seasoned killers, and in over their heads criminal operators spotlight the magnitude and importance of Jewish gangsters to the story of Windy City mob rule. With an eye for the dramatic, *The Kosher Capones* takes us deep inside a hidden society and offers glimpses of the men who ran the Jewish criminal community in Chicago for more than sixty years. [The Liberal Hour](#) Robert Weisbrot, G. Calvin Mackenzie, 2008-07-10. An engaging behind-the-scenes look at the lesser-known forces that fueled the profound social reforms of the 1960s. Provocative and incisive, *The Liberal Hour* reveals how Washington, so often portrayed as a target of reform in the 1960s, was in fact the era's most effective engine of change. The movements of the 1960s have always drawn the most attention from the decade's chroniclers, but it was in the halls of government, so often the target of protesters' wrath, that the enduring reforms of the era were produced. With nuance and panache, Calvin Mackenzie and Robert Weisbrot present the real-life characters from giants like JFK and Johnson to lesser-known senators and congressmen who drove these reforms and were critical to the passage of key legislation. *The Liberal Hour* offers an engrossing portrait of this extraordinary moment when more progressive legislation was passed than in almost any other era in American history. [Be Happy Without Being Perfect](#) Alice D. Domar, Ph.D., Alice Lesch Kelly, 2008-03-04. Do you have trouble going to bed at night when there's a mess in the kitchen? Do you think you would be happier if only you could lose weight, be a better parent, work smarter, reduce stress, exercise more, and make better decisions? You're not perfect. But guess what? You don't have to be. All of us struggle with high expectations from time to time. But for many women, the worries can become debilitating, and often we don't even know we're letting unrealistic expectations color our thinking. The good news is we have the power to break free from the perfectionist trap, and internationally renowned health psychologist Dr. Alice Domar can show you how. *Be Happy Without Being Perfect* offers a way out of the self-imposed handcuffs that this thinking brings, providing concrete solutions, practical advice, and action plans that teach you how to assess your tendency toward perfectionism in all areas of your life. Set realistic goals. Alleviate the guilt and shame that perfectionism can trigger. Manage your anxiety with clinically proven self-care strategies. Get rid of the unrealistic and damaging expectations that are hurting you for good. Filled with the personal insights of more than fifty women, *Be Happy Without Being Perfect* is your key to a happier, calmer, and more enjoyable life. **Muslims and the Making of America** Amir Hussain, 2016. There has never been an America without Muslims, so begins Amir Hussain, one of the most important scholars and teachers of Islam in America. Hussain, who is himself an American Muslim, contends that Muslims played an essential role in the creation and cultivation of the United States. *Memories of 9/11 and the rise of global*

terrorism fuel concerns about American Muslims The fear of American Muslims in part stems from the stereotype that all followers of Islam are violent extremists who want to overturn the American way of life Inherent to this stereotype is the popular misconception that Islam is a new religion to America In *Muslims and the Making of America* Hussain directly addresses both of these stereotypes Far from undermining America Islam and American Muslims have been and continue to be important threads in the fabric of American life Hussain chronicles the history of Islam in America to underscore the valuable cultural influence of Muslims on American life He then rivets attention on music sports and culture as key areas in which Muslims have shaped and transformed American identity America Hussain concludes would not exist as it does today without the essential contributions made by its Muslim citizens J Ryan Parker *The Midwest Book Review* *Dear Black Girls* Shanice Nicole,2021-02-08 *Dear Black Girls* is a letter to all Black girls Every day poet and educator Shanice Nicole is reminded of how special Black girls are and of how lucky she is to be one Illustrations by Kezna Dalz support the book's message that no two Black girls are the same but they are all special that to be a Black girl is a true gift In this celebratory poem Kezna and Shanice remind young readers that despite differences they all deserve to be loved just the way they are

Moral Psychology of Confucian Shame Bongrae Seok,2017 This book offers an analysis of shame as a state disposition activity and social relation and develops an interdisciplinary and comparative interpretation of Confucian shame as a moral disposition the ability of critical moral development and self cultivation *A Series of Plays in which it is Attempted to Delineate the Stronger Passions of the Mind: Each Passion Being the Subject of a Tragedy and a Comedy* Joanna Baillie,1806

The Sex-Starved Marriage Michele Weiner-Davis,2004 Not tonight darling I've got a headache An estimated one in three couples suffer from problems associated with one partner having a higher libido than the other Marriage therapist Michele Weiner Davis has written *THE SEX STARVED MARRIAGE* to help couples come to terms with this problem Weiner Davis shows you how to address psychological factors like depression poor body image and communication problems that affect sexual desire With separate chapters for the spouse that's ready for action and the spouse that's ready for sleep *THE SEX STARVED MARRIAGE* will help you re spark your passion and stop you fighting about sex Weiner Davis is renowned for her straight talking style and here she puts it to great use to let you know you're not alone in having marital sex problems Bitterness or complacency about how sex can ruin a marriage breaking the emotional tie of good sex **Baudelaire and Freud** Leo Bersani,2021-01-08 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1977 **Intoxicated Heart** Ben Esqueda,2019-10-18 *Intoxicated Heart* is a blend of happiness and heartbreak transformed into poetry Whether you are in love going through a period of darkness or need comfort this book is for you The poetry and heartfelt words are written to ignite memories from within

Allosteric Modulation of G Protein-Coupled Receptors Robert Laprairie, 2022-02-05 Allosteric Modulation of G Protein Coupled Receptors reviews fundamental information on G protein coupled receptors GPCRs and allosteric modulation presenting original research in the area and collectively providing a comprehensive description of key issues in GPCR allosteric modulation The book provides background on core concepts of molecular pharmacology while also introducing the most important advances and studies in the area It also discusses key methodologies This is an essential book for researchers and advanced students engaged in pharmacology toxicology and pharmaceutical sciences training and research Many of the GPCR targeted drugs released in the past decade have specifically worked via allosteric mechanisms Unlike direct orthosteric acting compounds that occupy a similar receptor site to that of endogenous ligands allosteric modulators alter GPCR dependent signaling at a site apart from the endogenous ligand Recent methodological and analytical advances have greatly improved our ability to understand the signaling mechanisms of GPCRs We now know that allosteric is a common regulatory mechanism for all GPCRs and not as we once believed unique to a few receptor subfamilies Introduces background on core concepts of molecular pharmacology including statistical analyses non linear regression complex models and GPCR dependent signal transduction as they relate to allosteric modulation Discusses critical advances and landmark studies including discoveries in the area of GPCR allosteric modulation which are reviewed for their importance in positive and negative regulation protein protein interactions and small molecule drug discovery Includes key methodologies used to study allosteric modulation at the in silico in vitro and in vivo levels of drug discovery and characterization
