Hilarious Answering Machine Greetings

Amy's Answering Machine Amy Borkowsky,2002-02-15 Does your mother call you in a panic whenever there s a storm warning for your area Does she act as though it s her duty to alert you to every health story on the news Have you ever been briefly out of touch with your mother only to find she s phoned everyone short of the National Guard to track you down or just maybe are you that mother Take comfort in knowing you re not alone as Amy Borkowsky shares more than a decade s worth of maddening phone messages from her hilariously overprotective mom Based on the hit CD of the same name Amy s Answering Machine features actual messages in which Amy s mom warns her not to wear a red bathrobe because a friend s grandson said that red is a gang color advises her not to get a cat because what if you finally found a nice guy and he was allergic cautions her not to wear crepe soled shoes because they were just saying on the news that if you re ever in a plane crash crepe is no good if you have to go down the slide Amy also reveals the stories behind the messages and shares calls not available on CD each one brimming with the worry and annoying comments only a loving mother could dish out The same warnings and suggestions that had Amy cringing are sure to have you doubled over with laughter But before you turn the page take some advice from Amy s mom Make sure you have plenty of reading light because squinting causes crow s feet

I Die Each Time I Hear the Sound Mike Doughty,2020-11-17 A precise yet disorienting look at the exhilaration of music the process of memory and the moments when the world becomes new by the acclaimed songwriter and author of *The Book of Drugs* Mike Doughty s writing is astonishingly vital energized and natural acerbic and sometimes lacerating RICK MOODY author of *The Long Accomplishment* and *The Ice Storm* In this highly original gathering of autobiographical stories the musician and writer Mike Doughty in his inimitable voice sends dispatches from a touring musician s peripatetic life vividly recalling moments when profound musical experiences made him see the world anew *I Die Each Time I Hear the Sound* consists of sometimes surreal tales drawing from confluences of memory especially formative moments in New York City in the 1990s It looks at how the avid nostalgia of fans is both a boon and a burden for an artist working to stay vital and what it is to age while touring and prolifically releasing new music He examines the struggle to keep relationships alive while living on the road and the strangeness of the disconnect between performer and audience A unique narrative unstuck in time and an unforgettable examination of what it is to be an artist in this cultural moment *I Die Each Time I Hear the Sound* is funny vulnerable and unsparing

Mystery Spinner Gideon Haigh, 2002-04-25 It is no mystery that today the name of Jack Iverson is virtually unknown For most of his life he was an unexceptional estate agent in Australia He died in obscurity by his own hand at the age of only 58 He was a clumsy fielder and a hopeless batsman But for four years he was the best spin bowler in the world The story of Jack Iverson is one of the most remarkable in the history of cricket Every now and then wrote one journalist there comes a man who can do the right thing the wrong way round Iverson took up cricket at the advanced age of 31 as capriciously as he left it joining a club 3rd XI in Melbourne one day and instantly announcing himself as the most prodigious and improbable spinner of a cricket ball Using a unique technique he appears to have perfected with a ping pong ball during wartime service in Papua New Guinea he doubled back his middle finger and found he could bowl leg breaks top spinners and googlies every one dropped on a perfect length and impossible to pick Within four years he was bowling the Australian Test side to victory over England in the Ashes series of 1950-51 Then in his moment of triumph he retired from international cricket and was never the same bowler again *Mystery Spinner* is more than that beautifully written life of an elusive and forgotten hero who after his brief burst of celebrity has left strangely little trace in posterity It is also the utterly compelling story of Gideon Haigh's quest to solve the enduring riddle of Jack Iverson's life a quest which led him across Australia following tenuous clues in school registers and county records And above all it is a moving study for an age that presumes sporting prowess to be the ultimate definition of personal identity of how skill is only half the battle in sport and how it takes an extraordinary individual to cope successfully with extraordinary achievement
