The Confederation Handbook May 01 2021 The Confederation Handbook by Peter F. Hamilton is an essential companion volume to the Night's Dawn Trilogy, for all the countless readers past, present and future of these modern science fiction classics. Containing invaluable insights into the series and fascinating details covering all three volumes, The Confederation Handbook includes comprehensive notes and glossaries on the major characters, planets, space stations, political hierarchies, weaponry, spacecraft, invasions, and the many alien races with their diverse social economies, industries and technologies. Peter F. Hamilton's *The Reality Dysfunction*, *The Neutronium Alchemist* and *The Naked God* have become amongst the bestselling science fiction books of the last decade, with which Hamilton placed British science fiction firmly back on the map. With *The Confederation Handbook*, fans can spend more time exploring Hamilton's incredible universe.

The Naked God Feb 02 2024

The Neutronium Alchemist Jan 01 2024 The ancient menace has finally escaped from Lalonde, shattering the Confederation's peaceful existence. Those who succumbed to it have acquired godlike powers, but now follow a far from divine gospel as they advance inexorably from world to world.

On planets and asteroids, individuals battle for survival against the strange and brutal forces unleashed upon the universe. Governments teeter on the brink of anarchy, the Confederation Navy is dangerously over-stretched, and a dark messiah prepares to invoke his own version of the final Night. In such desperate times the last thing the galaxy needs is a new and terrifyingly powerful weapon. Yet Dr. Alkad Mzu is determined to retrieve the Alchemist -- so she can complete her thirty-year-old vendetta to slay a star. Which means Joshua Calvert has to find Dr Mzu and bring her back before the Alchemist can be reactivated. But he's not alone in the chase, and there are people on both sides who have their own ideas about how to use the ultimate doomsday device. **THE NEUTRONIUM ALCHEMIST** is the second novel in the Night's Dawn Trilogy, an extraordinary feat of storytelling on a truly epic scale.

Great North Road Jan 09 2022 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY
New York Times bestselling author Peter F. Hamilton's riveting new thriller combines the nail-biting suspense of a serial-killer investigation with clear-eyed scientific and social extrapolation to create a future that seems not merely plausible but inevitable. A century from now, thanks to a technology allowing instantaneous travel across light-years, humanity has solved its energy shortages, cleaned up the environment, and created far-flung colony worlds. The keys to this empire belong to the powerful North family—composed of successive

generations of clones. Yet these clones are not identical. For one thing, genetic errors have crept in with each generation. For another, the original three clone “brothers” have gone their separate ways, and the branches of the family are now friendly rivals more than allies. Or maybe not so friendly. At least that’s what the murder of a North clone in the English city of Newcastle suggests to Detective Sidney Hurst. Sid is a solid investigator who’d like nothing better than to hand off this hot potato of a case. The way he figures it, whether he solves the crime or not, he’ll make enough enemies to ruin his career. Yet Sid’s case is about to take an unexpected turn: because the circumstances of the murder bear an uncanny resemblance to a killing that took place years ago on the planet St. Libra, where a North clone and his entire household were slaughtered in cold blood. The convicted slayer, Angela Tramel, has always claimed her innocence. And now it seems she may have been right. Because only the St. Libra killer could have committed the Newcastle crime. Problem is, Angela also claims that the murderer was an alien monster. Now Sid must navigate through a Byzantine minefield of competing interests within the police department and the world’s political and economic elite . . . all the while hunting down a brutal killer poised to strike again. And on St. Libra, Angela, newly released from prison, joins a mission to hunt down the elusive alien, only to learn that the line between hunter and hunted is a thin one. **BONUS:** This edition includes an excerpt from Peter F. Hamilton’s *The Abyss Beyond*

Dreams. Praise for *Great North Road* “A mesmerizing page-turner.”—Publishers Weekly (starred review) “A gripping saga that blends wilderness survival, police procedural, political and social intrigue, and dynastic sf into a mammoth tale featuring believable characters and exceptionally skilled storytelling.”—Library Journal (starred review) “A perfect introduction to [Hamilton’s] gifts for character design, dialogue, and sheer, big-idea-driven storytelling.”—Booklist (starred review) “Compelling and original . . . an awesome novel [with] plenty of action.”—SFRevu “One very compelling and entertaining science fiction novel.”—SF Site “Simply brilliant . . . an astonishing achievement.”—Tor.com

Fallen Dragon Nov 30 2023 In the distant future, corporations have become sustainable communities with their own militaries, and corporate goals have essentially replaced political ideology. On a youthful, rebellious impulse, Lawrence joined the military of a corporation that he now recognizes to be ruthless and exploitative. His only hope for escape is to earn enough money to buy his place in a better corporation. When his platoon is sent to a distant colony to quell a local resistance effort, it seems like a stroke of amazing fortune, and Lawrence plans to rob the colony of their fabled gemstone, the *Fallen Dragon*, to get the money he needs. However, he soon discovers that the *Fallen Dragon* is not a gemstone at all, but an alien life form that the local colonists have been protecting since it crashed in their area. Now, Lawrence has to decide if he will steal the alien to exploit the

use of its inherent biotechnical processes -- which far exceed anything humans are capable of -- or if he will help the Resistance get the alien home.

The Thirty Names of Night Jan 21 2023 Winner of the ALA Stonewall Book Award—Barbara Gittings Literature Award Named Best Book of the Year by Bustle Named Most Anticipated Book of the Year by The Millions, Electric Literature, and HuffPost ?The author of the “vivid and urgent...important and timely” (The New York Times Book Review) debut *The Map of Salt and Stars* returns with this remarkably moving and lyrical novel following three generations of Syrian Americans who are linked by a mysterious species of bird and the truths they carry close to their hearts. Five years after a suspicious fire killed his ornithologist mother, a closeted Syrian American trans boy sheds his birth name and searches for a new one. He has been unable to paint since his mother’s ghost has begun to visit him each evening. As his grandmother’s sole caretaker, he spends his days cooped up in their apartment, avoiding his neighborhood masjid, his estranged sister, and even his best friend (who also happens to be his longtime crush). The only time he feels truly free is when he slips out at night to paint murals on buildings in the once-thriving Manhattan neighborhood known as Little Syria. One night, he enters the abandoned community house and finds the tattered journal of a Syrian American artist named Laila Z, who dedicated her career to painting the birds of North America. She famously

and mysteriously disappeared more than sixty years before, but her journal contains proof that both his mother and Laila Z encountered the same rare bird before their deaths. In fact, Laila Z's past is intimately tied to his mother's—and his grandmother's—in ways he never could have expected. Even more surprising, Laila Z's story reveals the histories of queer and transgender people within his own community that he never knew. Realizing that he isn't and has never been alone, he has the courage to officially claim a new name: Nadir, an Arabic name meaning rare. As unprecedented numbers of birds are mysteriously drawn to the New York City skies, Nadir enlists the help of his family and friends to unravel what happened to Laila Z and the rare bird his mother died trying to save. Following his mother's ghost, he uncovers the silences kept in the name of survival by his own community, his own family, and within himself, and discovers the family that was there all along. Featuring Zeyn Joukhadar's signature “magical and heart-wrenching” (The Christian Science Monitor) storytelling, *The Thirty Names of Night* is a timely exploration of how we all search for and ultimately embrace who we are.

After The Night Aug 28 2023 FAITH DEVILIN: A poor, outcast child in Prescott, Louisiana, she'd always adored the town's golden boy from afar. But he called her white trash that sultry Southern night when his rich, respected father disappeared, along with her pretty Mom. Now Faith wanted to hate Gray Rouillard...not to feel a powerful surge of desire.

But she couldn't quench her passion, any more than she could hide the truth about the past she had waited so long to unravel. GRAY ROUILLARD: Even when he raised hell, he did it with style. Reckless, charming, and backed by Rouillard money, Gray controlled the town of Prescott -- and Devlin was a name he never wanted to hear again. But when he gazed at Faith Devlin, all he saw was a swirl of tangled sheets and her silken flesh beneath him. To care for her was impossible, unthinkable...because Gray Rouillard planned to use all his power to ruin her.

The Night Ocean Nov 06 2021 "The Night Ocean" is told from the first person narrative and it follows the young painter who arrives in a small village of Ellston where he is supposed to enter a contest with his large mural. At first, he enjoys peace and quiet surroundings, but as he stays longer he start seeing and experiencing some strange things which, along with the loneliness, have strong effect to his psyche.

Night Aug 16 2022

The Abyss Beyond Dreams Sep 16 2022 Bestselling science fiction master Peter F. Hamilton delivers the first of a two-book saga set in his popular Commonwealth universe. Distinguished by deft plotting, a teeming cast of characters, dazzling scientific speculation, and imagination that brings the truly alien to life, *The Abyss Beyond Dreams* reveals Hamilton as a storyteller of astonishing ingenuity and power. The year is 3326. Nigel Sheldon, one of the founders of the Commonwealth, receives a visit from the Raiel—self-appointed

guardians of the Void, the enigmatic construct at the core of the galaxy that threatens the existence of all that lives. The Raiel convince Nigel to participate in a desperate scheme to infiltrate the Void. Once inside, Nigel discovers that humans are not the only life-forms to have been sucked into the Void, where the laws of physics are subtly different and mental powers indistinguishable from magic are commonplace. The humans trapped there are afflicted by an alien species of biological mimics—the Fallers—that are intelligent but merciless killers. Yet these same aliens may hold the key to destroying the threat of the Void forever—if Nigel can uncover their secrets. As the Fallers’ relentless attacks continue, and the fragile human society splinters into civil war, Nigel must uncover the secrets of the Fallers—before he is killed by the very people he has come to save.

Praise for *The Abyss Beyond Dreams* “The work of an author at the top of his game.”—*Science Fiction and Fantasy World* “Incredibly robust and exciting and rousing, sharing flavors of Jack Vance, John Wright, China Miéville, Orson Scott Card, and A. E. van Vogt . . . Hamilton’s deployment of lots of grand super-science is utterly deft and convincing.”—*Locus* “Solidly engrossing fare . . . The characters, always Hamilton’s strength, remain as distinctive as ever.”—*Kirkus Reviews* “Everything one wants in sf—great characters, mind bending stuff, adventure, politics, romance, revolution . . . just superb.”—*Fantasy Book Critic* “Hamilton does a particular kind of planetary politics and space opera very well, and this is a perfect example of it. . . .

[The Abyss Beyond Dreams is] a satisfying and well-oiled story, with potential for more epic adventure to come.”—Booklist

Faith in the Night Seasons Feb 27 2021 This Personal Application Workbook is designed to help you apply the Scriptural principles presented in the Faith in the Night Seasons textbook. The goal and purpose of every Christian is to be "conformed into the image of Christ." A true Biblical night season is a Father-filtered period of time designed to do just that. God deprives us of the natural light that we are so used to, in order that He might strengthen our faith and we might come to know Him in His fullness.

By Night in Chile Oct 18 2022 "During the course of a single night, Father Sebastian Urrutia Lacroix, a Chilean priest who is a member of Opus Dei, a literary critic and a mediocre poet, relives some of the crucial events of his life. He believes he is dying, and in his feverish delirium various characters, both real and imaginary, appear to him as icy monsters, as if in sequences from a horror film. Among them are the great poet Pablo Neruda, the German novelist Ernst Junger, and General Augusto Pinochet - whom Father Lacroix instructs in Marxist doctrine - as well as various members of the Chilean intelligentsia whose lives, during a period of political turbulence, have touched his own."--Jacket.

One Day in December May 13 2022 #1 NEW YORK TIMES BESTSELLER • “Get ready to be swept up in a whirlwind romance. It absolutely charmed me.”—Reese

Witherspoon (A Reese Witherspoon Book Club Pick) “The perfect book to get lost in . . . Josie Silver’s characters sneak their way into your heart and stay.”—Jill Santopolo, author of *The Light We Lost*

Two people. Ten chances. One unforgettable love story. Laurie is pretty sure love at first sight doesn't exist anywhere but the movies. But then, through a misted-up bus window one snowy December day, she sees a man who she knows instantly is the one. Their eyes meet, there's a moment of pure magic...and then her bus drives away. Certain they're fated to find each other again, Laurie spends a year scanning every bus stop and cafe in London for him. But she doesn't find him, not when it matters anyway. Instead they "reunite" at a Christmas party, when her best friend Sarah giddily introduces her new boyfriend to Laurie. It's Jack, the man from the bus. It would be. What follows for Laurie, Sarah and Jack is ten years of friendship, heartbreak, missed opportunities, roads not taken, and destinies reconsidered. *One Day in December* is a joyous, heartwarming and immensely moving love story to escape into and a reminder that fate takes inexplicable turns along the route to happiness.

The Alcohol Experiment: Expanded Edition Mar 11 2022
Now complete with daily prompts to reflect on each day of a
month-long, alcohol-free plan, the author of *This Naked Mind*
helps readers challenge their thinking, find clarity, and form
new habits. Changing your habits can be hard without the right
tools. This is especially true for alcohol because habits are, by

definition, subconscious thought processes. Through her methodical research of the latest neuroscience and her own journey, Annie Grace has cracked the code on habit change by addressing the specific ways habits form. This unique and unprecedented method has now helped thousands redefine their relationship to drinking painlessly and without misery. In *The Alcohol Experiment*, Annie offers a judgment-free action plan for anyone who's ever wondered what life without alcohol is like. The rules are simple: Abstain from drinking for 30 days and just see how you feel. Annie arms her readers with the science-backed information to address the cultural and emotional conditioning we experience around alcohol. The result is a mindful approach that puts you back in control and permanently stops cravings. With a chapter and journal prompt devoted to each day of the experiment, Annie presents wisdom, tested strategies, and thought-provoking information to supplement the plan and support your step-by-step success as you learn what feels good for you. It's your body, your mind, and your choice.

City of Night Mar 23 2023 Bold and inventive in style, *City of Night* is the groundbreaking 1960s novel about male prostitution. Rechy is unflinching in his portrayal of one hustling 'youngman' and his search for self-knowledge among the other denizens of his neon-lit world. As the narrator moves from Texas to Times Square and then on to the French Quarter of New Orleans, Rechy delivers a portrait of the edges of America that has lost none of its power. On his travels, the

nameless narrator meets a collection of unforgettable characters, from vice cops to guilt-ridden married men eaten up by desire, to Lance O'Hara, once Hollywood's biggest star. Rechy describes this world with candour and understanding in a prose that is highly personal and vividly descriptive.

The Darkest Evening of the Year Aug 04 2021 BONUS:
This edition contains an excerpt from Dean Koontz's *The City*. With each of his #1 New York Times bestsellers, Dean Koontz has displayed an unparalleled ability to entertain and enlighten readers with novels that capture the essence of our times even as they bring us to the edge of our seats. Now he delivers a heart-gripping tour de force he's been waiting years to write, at once a love story, a thrilling adventure, and a masterwork of suspense that redefines the boundaries of primal fear—and of enduring devotion. Amy Redwing has dedicated her life to the southern California organization she founded to rescue abandoned and endangered golden retrievers. Among dog lovers, she's a legend for the risks she'll take to save an animal from abuse. Among her friends, Amy's heedless devotion is often cause for concern. To widower Brian McCarthy, whose commitment she can't allow herself to return, Amy's behavior is far more puzzling and hides a shattering secret. No one is surprised when Amy risks her life to save Nickie, nor when she takes the female golden into her home. The bond between Amy and Nickie is immediate and uncanny. Even her two other goldens, Fred and Ethel, recognize Nickie as special, a natural alpha. But the

instant joy Nickie brings is shadowed by a series of eerie incidents. An ominous stranger. A mysterious home invasion. And the unmistakable sense that someone is watching Amy's every move and that, whoever it is, he's not alone. Someone has come back to turn Amy into the desperate, hunted creature she's always been there to save. But now there's no one to save Amy and those she loves. From its breathtaking opening scene to its shocking climax, *The Darkest Evening of the Year* is Dean Koontz at his finest, a transcendent thriller certain to have readers turning pages until dawn.

The Naked God Apr 04 2024 The third book in the *The Night's Dawn* trilogy, *The Naked God* by Peter F. Hamilton is an epic conclusion to dramatic and compelling series. The Confederation is verging on collapse, unable to prevent the enemy from sweeping through the galaxy. And Earth's

defences have finally been penetrated, its giant domed cities destroyed one by one. As time runs out for civilisation, those who fight on must join forces and form new alliances - but an enemy's enemy isn't always a friend. The war is desperate on all fronts, with battles fought on a scale unseen by humankind for six centuries. There are rumours that an ancient space-faring race faced this same threat to its existence -surviving with the help of the Sleeping God. If this mysterious and powerful entity truly exists, we may be able to find it. And if it really can avert the ultimate catastrophe, we may at last find hope. Joshua Clavert and Syrinx now fly their starships on a mission to find the Sleeping God - which an alien race believes holds the key to finally overthrowing the possessed.

Salvation Sep 04 2021 Humanity's complex relationship with technology spirals out of control in this first book of an all-new series from "the owner of the most powerful imagination in science fiction" (Ken Follett). "How far 'space opera' has come! The Old Masters of sci-fi would admire the scope and sweep of Salvation."—The Wall Street Journal In the year 2204, humanity is expanding into the wider galaxy in leaps and bounds. Cutting-edge technology of linked jump gates has rendered most forms of transportation—including starships—virtually obsolete. Every place on Earth, every distant planet humankind has settled, is now merely a step away from any other. All seems wonderful—until a crashed alien spaceship of unknown origin is found on a newly located world eighty-nine light-years from Earth, carrying a cargo as

strange as it is horrifying. To assess the potential of the threat, a high-powered team is dispatched to investigate. But one of them may not be all they seem. . . . Bursting with tension and big ideas, Peter F. Hamilton's *Salvation* is the first book of an all-new series that highlights the inventiveness of an author at the top of his game. Praise for *Salvation* "[A] vast, intricate sci-fi showstopper . . . The journey grips just as hard as the reveal."—Daily Mail (U.K.) "Exciting, wildly imaginative and quite possibly Hamilton's best book to date."—SFX

"Dynamic, multifaceted characters, strong mind-expanding concepts, and impressive flair for language [make *Salvation* a] rare celestial event. . . . One of Britain's bestselling sci-fi authors has launched an addictive new book as the initial stage of what is sure to be an intriguing new series called the *Salvation Sequence*."—SyFyWire "Peter Hamilton just keeps getting better and better with each book, more assured and more craftsmanly adroit, and more inventive. [*Salvation* is] a bravura performance from start to finish. . . . Hamilton is juggling chainsaws while simultaneously doing needlepoint over a shark tank. It's a virtuoso treat, and I for one can hardly wait for *Salvation Lost*."—Paul Di Filippo, *Locus* "Peter F. Hamilton is known as one of the world's greatest sci-fi writers for a reason. . . . *Salvation* is well worth the effort and a great introduction to some good old-fashioned space opera."—Fantasy Book Review

[The Nightwatch](#) Jun 25 2023 The phenomenal Russian bestseller. A vampire novel set in a richly realized post-Soviet

Moscow, *The Night Watch* has sold across Europe and to 20th Century Fox for huge advances. In *The Night Watch*, the first of a trilogy, and reminiscent of Philip Pullman's *His Dark Materials* in its ambitions and achievement, the setting is contemporary Moscow. A small number of Muscovites with supernatural powers — those who are Other, owing allegiance either to the Dark or the Light — co-exist in an uneasy truce, each side keeping a close eye on the other's activities around the city. Anton, an Other on the side of the Light, is a night-watchman, patrolling the streets and Metro of the city as he protects ordinary people from the vampires of the Dark. On his rounds, Anton comes across a young woman, Svetlana, whom he realizes is under a curse that threatens the entire city, and a boy, Igor, a young Other, as yet unaware of his own enormous power. Partnered by Olga, an Other who is in the form of an owl, he struggles to remove the curse and thereby save the city, while at the same time prevent Igor from falling into the clutches of the Dark. *The Night Watch* explores the nature of good and evil and the tensions between the individual and the collective in a gripping narrative that owes as much to *The Master and Margarita* as it does to the richly realized worlds of Philip Pullman and Tolkien.

The Naked God Jun 06 2024 *The Naked God* is the brilliant climax to Peter F. Hamilton's awe-inspiring *Night's Dawn* Trilogy, a space opera that is “big, boisterous, and has something for everyone” (*Science Fiction Weekly*). As the Confederation begins to collapse politically and economically,

the “possessed” insidiously infiltrate more and more worlds. Meanwhile, Quinn Dexter is loose on Earth, destroying the giant arcologies one at a time. As Louise Kavanagh tries to track him down, she manages to acquire some strange and powerful allies whose goals don’t quite match her own. The campaign to liberate Mortonridge from the possessed degenerates into a horrendous land battle, the kind which hasn't been seen by humankind for six hundred years. And finally, Joshua Calvert and Syrinx race to fly their starships on a mission to find the Sleeping God — which an alien race believes holds the key to overthrowing the possessed.

"Elements of space opera, Straubesque horror and adrenaline-laced action make this a demanding, rewarding read."

The Naked Fisherman Oct 06 2021 USA Today & Wall Street Journal Bestselling Author, Jewel E. Ann returns with an addictive new adult romance about a young woman who discovers years of Sunday sermons didn't prepare her for the many lessons of the crude and sexy man who is now her boss. It's official. I'm eighteen and a young woman with endless possibilities on my way to reunite with my mom in Colorado after five years apart-she had a little weed incident in Nebraska. At the airport, she springs the news on me ... she's leaving for a month of job training. And me? I'm left on my own in the basement she's renting from the fisherman, aka her landlord who lives upstairs. He's ten years older than me. Never wears a shirt. And makes it hard to remember all the things I learned at Christian Academy. Did I mention he's also my new boss?

The Reality Dysfunction Mar 03 2024 **The Reality Dysfunction** is a modern classic of science fiction from Peter F. Hamilton, an extraordinary feat of storytelling on a truly

epic scale. "A space opera that is big, boisterous, and has something for everyone." —Science Fiction Weekly Space is not the only void. . . In AD 2600 the human race is finally beginning to realize its full potential. Hundreds of colonized planets scattered across the galaxy host a multitude of prosperous and wildly diverse cultures. Genetic engineering has pushed evolution far beyond nature's boundaries, defeating disease and producing extraordinary spaceborn creatures. Huge fleets of sentient trader starships thrive on the wealth created by the industrialization of entire star systems. And throughout inhabited space the Confederation Navy keeps the peace. A true golden age is within our grasp. But on a primitive colony planet, a renegade criminal's chance encounter with an utterly alien entity unleashes the most primal of humanity's fears. An extinct race which inhabited the galaxy aeons ago called it "The Reality Dysfunction." It is the nightmare which has prowled beside us since the beginning of history.

This Naked Mind Jul 15 2022 This Naked Mind has ignited a movement across the country, helping thousands of people

forever change their relationship with alcohol. Many people question whether drinking has become too big a part of their lives, and worry that it may even be affecting their health. But, they resist change because they fear losing the pleasure and stress-relief associated with alcohol, and assume giving it up will involve deprivation and misery. This Naked Mind offers a new, positive solution. Here, Annie Grace clearly presents the psychological and neurological components of alcohol use based on the latest science, and reveals the cultural, social, and industry factors that support alcohol dependence in all of us. Packed with surprising insight into the reasons we drink, this book will open your eyes to the startling role of alcohol in our culture, and how the stigma of alcoholism and recovery keeps people from getting the help they need. With Annie's own extraordinary and candid personal story at its heart, this book is a must-read for anyone who drinks. This Naked Mind will give you freedom from alcohol. It removes the psychological dependence so that you will not crave alcohol, allowing you to easily drink less (or stop drinking). With clarity, humor, and a unique blend of science and storytelling, This Naked Mind will open the door to the life you have been waiting for. "You have given me my life back." —Katy F., Albuquerque, New Mexico "This is an inspiring and groundbreaking must-read. I am forever inspired and changed." —Kate S., Los Angeles, California "The most selfless and amazing book that I have ever read." —Bernie M., Dublin, Ireland

A Second Chance at Eden Apr 11 2022 Six short stories and a novella from a master of science fiction, Peter F. Hamilton. This collection includes *Sonnie's Edge*, as seen in the award-winning Netflix anthology series *Love, Death & Robots*. Set in the same universe as the *Night's Dawn* trilogy, Peter F. Hamilton presents a compelling mix of human dilemmas, imagined technologies and extraordinary new cultures. Among others, this collection includes *Sonnie's Edge*, a story of contests to the death between constructed monsters. But one has a special advantage . . . We also visit an abandoned alien spacecraft in *Escape Route*. Abandoned, but is it really as empty as it seems? In the title novella, *A Second Chance at Eden*, the co-creator of a genetically-engineered habitat is found murdered. But nobody can identify the perpetrator – or the motive. Featuring a diverse selection of stories set far in the future and beyond the stars, *A Second Chance at Eden* is a must-have collection from a writer at the top of his game.

The Naked Sun Jul 27 2023 A millennium into the future, two advancements have altered the course of human history: the colonization of the Galaxy and the creation of the positronic brain. On the beautiful Outer World planet of Solaria, a handful of human colonists lead a hermit-like existence, their every need attended to by their faithful robot servants. To this strange and provocative planet comes Detective Elijah Baley, sent from the streets of New York with his positronic partner, the robot R. Daneel Olivaw, to solve an incredible murder that has rocked Solaria to its foundations.

The victim had been so reclusive that he appeared to his associates only through holographic projection. Yet someone had gotten close enough to bludgeon him to death while robots looked on. Now Baley and Olivaw are faced with two clear impossibilities: Either the Solarian was killed by one of his robots--unthinkable under the laws of Robotics--or he was killed by the woman who loved him so much that she never came into his presence!

Ancient Evenings Jun 13 2022 Norman Mailer's dazzlingly rich, deeply evocative novel of ancient Egypt breathes life into the figures of a lost era: the eighteenth-dynasty Pharaoh Rameses and his wife, Queen Nefertiti; Menenhetet, their creature, lover, and victim; and the gods and mortals that surround them in intimate and telepathic communion. Mailer's reincarnated protagonist is carried through the exquisite gardens of the royal harem, along the majestic flow of the Nile, and into the terrifying clash of battle. An extraordinary work of inventiveness, *Ancient Evenings* lives on in the mind long after the last page has been turned. Praise for *Ancient Evenings* "Astounding, beautifully written . . . a leap of imagination that crosses three millennia to Pharaonic Egypt."—USA Today "Mailer makes a miraculous present out of age-deep memories, bringing to life the rhythms, the images, the sensuousness of a lost time."—The New York Times "Mailer's Egypt is a haunting and magical place. . . . The reader wallows in the scope, depth, the sheer magnitude and—yes—the fertility of his imagination."—The Washington

Post Book World “An enormous pyramid of a novel [reminiscent of] Thomas Pynchon’s Gravity’s Rainbow and Carlos Fuentes’s Terra Nostra.”—Los Angeles Herald Examiner Praise for Norman Mailer “[Norman Mailer] loomed over American letters longer and larger than any other writer of his generation.”—The New York Times “A writer of the greatest and most reckless talent.”—The New Yorker “Mailer is indispensable, an American treasure.”—The Washington Post “A devastatingly alive and original creative mind.”—Life “Mailer is fierce, courageous, and reckless and nearly everything he writes has sections of headlong brilliance.”—The New York Review of Books “The largest mind and imagination [in modern] American literature . . . Unlike just about every American writer since Henry James, Mailer has managed to grow and become richer in wisdom with each new book.”—Chicago Tribune “Mailer is a master of his craft. His language carries you through the story like a leaf on a stream.”—The Cincinnati Post

Dark Nights: Death Metal Rise of the New God (2020-) #1
Apr 23 2023 Batman. Always. Wins. This irrevocable truth resonates to the very heart of Perpetua’s battle with the Batman Who Laughs...and when her ally reveals his absolute

nature, she will upend this mantra and destroy the last planet. His planet. But that's not enough...and the mother of all creation must wonder, if power lies in destruction, why would she ever stop? But that's the thing about truth...when it turns to fact, there's no disputing its godlike reverence...and so enters the Darkest Knight. Featuring a backup story that spins out of the cliffhanger from *Dark Nights: Death Metal Multiverse's End #1*.

[The Book of Night Women](#) Sep 28 2023 From the author of the National Book Award finalist *Black Leopard, Red Wolf* and the WINNER of the 2015 Man Booker Prize for *A Brief History of Seven Killings* "An undeniable success." — The New York Times Book Review A true triumph of voice and storytelling, *The Book of Night Women* rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. The Night Women, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breath-

takingly daring and wholly in command of his craft.
