The Spanish Love Deception Elena Armas,2022-02-08 A wedding A trip to Spain The most infuriating man And three days of pretending Or in other words a plan that will never work Catalina Mart n finally not single Her family is happy to announce that she will bring her

American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic from NYC and all the way to Spain for a wedding. Let alone someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4" blue-eyed pain in my ass standing before me: Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional and calling himself my best option. See: **Outrageous Aggravating Blood Boiling**. And much to my total despair, also right which left me with a surly and extra large dilemma in my hands: Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic-induced lie. Like my abuela would say: *que dios nos pille confesados*. The Spanish Love Deception is an enemies-to-lovers fake dating. **Luck of the Draw** Piers Anthony, 2013-10. Piers Anthony takes us back to Xanth in this luckiest volume yet. **Obsession** Meg Anne, K. Loraine, 2023-05-19. **The Soldier** Kate Aaron, 2014-11-15. Three months. That's all it took for Kai to forsake freedom and learn to love his new life as a pleasure slave to a wealthy Thirskan Underlord. Finding himself surrounded by his own people once more, Kai should have been happy, relieved to be rescued from slavery and out of the clutches of a man who was the sworn enemy of his people. Yet his people are not how he remembers them. Distrustful of Kai and disgusted by his relationship with not one man but two, they make it abundantly clear he no longer fits in. Beaten, starved, and tortured when the chance comes to escape, Kai is barely strong enough to make the journey. Even if he succeeds, how could anybody ever love the thing he's become in order to survive. **CONTENT WARNING**: This book contains scenes of an adult nature including graphic violence. Reader discretion advised.

The Arctic Fury Greer Macallister, 2020-12-01. A dozen women join a secret 1850s Arctic expedition and a sensational murder trial unfolds when some of them don't come back. Eccentric Lady Jane Franklin makes an outlandish offer to adventurer Virginia Reeve: take a dozen women, trek into the Arctic, and find her husband's lost expedition. Four parties have failed to find him, and Lady Franklin wants a radical new approach: put the women in charge. A year later, Virginia stands trial for murder. Survivors of the expedition willing to publicly support her sit in the front row. There are only five. What happened out there on the ice? Set against the unforgiving backdrop of one of the world's most inhospitable locations. USA Today bestselling author Greer Macallister uses the true story of Lady Jane Franklin's tireless attempts to find her husband's lost expedition as a jumping-off point to spin a tale of bravery, intrigue, perseverance, and hope. **The Rest of Forever** Kate Aaron, 2014-11-04. When they were eighteen years old, Paul told his best friend that he was in love with him. Scared and stupid, Jack ran away. Seven years later, haunted by what he lost, Jack returns to claim the man who'd been his since they were four years old. But has he left it too late. **WARNING**: This book contains explicit scenes unsuitable for readers under eighteen. It also

contains buckets of angst crying in the rain a jealous boyfriend and a very lonely bear [This Is Why They Hate Us](#) Aaron H. Aceves,2023-08-22 Seventeen year old Enrique Quique Luna decides to get over his crush on Saleem Kanazi before the end of summer by pursuing other romantic prospects but he ends up discovering heartfelt truths about friendship family and himself **Machine of Death** Ryan North,Matthew Bennardo,David Malki,2010 MACHINE OF DEATH tells thirty four different stories about people who know how they will die Prepare to have your tears jerked your spine tingled your funny bone tickled your mind blown your pulse quickened or your heart warmed Or better yet simply prepare to be surprised Because even when people do have perfect knowledge of the future there s no telling exactly how things will turn out
