Rose Campbell returns to the "Aunt Hill" after two years of traveling around the world and is surrounded by male admirers eager to marry her, but before she marries anyone, Rose is determined to establish herself as an independent young woman. Excerpt from *Rose in Bloom: A Sequel to "Eight Cousins"* As authors may be supposed to know better than any one else what they intended to do when writing a book, I beg leave to say that there is no moral to this story. Rose is not designed for a model girl: and the Sequel was simply written in fulfilment of a promise; hoping to afford some amusement, and perhaps here and there a helpful hint, to other roses getting ready to bloom. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. THE readers of "Eight Cousins" will be glad to hear that this book continues their story. Charles and Archie and Jamie reappear, and several of the girls; so that Louisa May Alcott's friends will know what they may expect. The author writes so easily and so charmingly that her books are a refreshing contrast to the mass of juvenile literature currently available. Why buy our paperbacks? Printed in USA on High

Quality Paper Standard Font size of 10 for all books Fulfilled by Amazon Expedited shipping 30 Days Money Back Guarantee Unabridged (100% Original content) BEWARE OF LOW-QUALITY SELLERS Don't buy cheap paperbacks just to save a few dollars. Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable. About *Eight Cousins* by Louisa May Alcott "Eight Cousins, or The Aunt-Hill" was published in 1875 by American novelist Louisa May Alcott. It is the story of Rose Campbell, a lonely and sickly girl who has been recently orphaned and must now reside with her maiden great aunts, the matriarchs of her wealthy Boston family. When Rose's guardian, Uncle Alec, returns from abroad, he takes over her care. Through his unorthodox theories about child-rearing, she becomes happier and healthier while finding her place in her family of seven boy cousins and numerous aunts and uncles. She also makes friends with Phebe, her aunts' young housemaid, whose cheerful attitude in the face of poverty helps Rose to understand and value her own good fortune. Each chapter describes an adventure in Rose's life as she learns to help herself and others make good choices. Rose must define for herself her role as the only woman of her generation in her family and as an heiress in Boston's elite society. *Eight Cousins, or The Aunt-Hill* was published in 1875 by American novelist Louisa May Alcott. It is the story of Rose Campbell, a lonely and sickly girl who has been recently orphaned and must now reside with her maiden great aunts, the matriarchs of her wealthy Boston family. When Rose's guardian, Uncle Alec, returns from abroad, he takes over her care. Through his unorthodox theories about child-rearing, she becomes happier and healthier while finding her place in her family of seven boy cousins and numerous aunts and uncles. She also makes friends with Phebe, her aunts' young housemaid, whose cheerful attitude in the face of poverty helps Rose to understand and value her own good fortune Returning to the "Aunt Hill" from a two-year trip around the world, 20-year-old Rose Campbell suddenly finds herself surrounded by male admirers, all expecting her to marry them! Rose is rich and pretty, and she suspects many of these suitors are more interested in her wealth than her dreams. But she is determined to live her own life and find her own love, despite the many plans of aunts, uncles, and cousins. Louisa May Alcott wrote this delightful sequel to *Eight Cousins* at the request of her many fans. In this sequel to *Eight Cousins*, Rose Campbell returns to the "Aunt Hill" after two years of traveling around the world. Suddenly, she is surrounded by male admirers, all expecting her to marry them. But before she marries anyone, Rose is determined to establish herself as an independent young woman. Besides, she suspects that some of her friends like her more her money than for herself. How

can Rose tell who her real friends are? Is there anyone she can count on? The story begins when Rose returns home from a long trip to Europe. Everyone has changed. As a joke, Rose lines up her seven cousins to take a long look at them, just as they did with her when they first met. The youngest, Jamie, accidentally mentions that the aunts want Rose to marry one of her cousins to keep her fortune in the family. Rose is very indignant, for she has decided ideas about what her future holds. From the beginning, she declares that she can manage her property well on her own and that she will focus on philanthropic work. Charlie has already decided she is marked out for him, with the approval of his mother. Phebe also comes home no longer the servant that Rose "adopted" but as a young lady with a cultured singing ability. Rose challenges anyone who would look down on "her Phebe", and she is readily accepted as part of the Campbell clan until Archie falls in love with her: the family feel that Archie would be marrying beneath himself. Phebe's pride and debt to the family make her wish to prove herself before she will accept Archie; so she leaves the Campbells' home and sets off to make a name for herself as a singer, to try to earn the respect of her adopted family. After some time at home, Rose has her "coming out" into society, much to her Uncle Alec's chagrin. She promises to try high society for only three months. During that time, her cousin Charlie falls in love with her and tries in various ways to woo her. Rose begins to give in to his charm, but he derails the budding romance by coming to her house, late one night, very drunk. This ruins all her respect for him and she sees how unprincipled he really is. After the three months are up, Rose begins to focus on her philanthropic projects and convinces Charlie to try to refrain from alcohol and other frivolous things, in order to win her love and respect. She tries to help Charlie overcome his bad habits with the help of her uncle, but fails. Charlie does all he can to win her heart, but in the end he succumbs, hindered by his own weak will and his constant need for acceptance by his friends. Being spoilt by his mother meant he never learned to say "no", even to himself, and his lack of discipline proves fatal: Charlie's life ends tragically in an alcohol-induced accident on the eve of his voyage to see his father and restore his good character. Although Rose never was in love with Charlie, she did have hope that he would return a better man and that they might see what relationship could develop. Several months after Charlie's death, Rose finds out that another cousin, Mac, is now in love with her. At first, never thought of him as anything but "the worm", she refuses his love; but she does declare the deepest respect for him. This gives Mac hope, and he goes to medical school, willing to work and wait for her. She finds his devotion touching, and she begins to see him clearly for the first time, realizing that Mac is the "hero" she has been looking for. He is exactly suited to her tastes and has become a

man in the noblest sense of the word. He also settles a joke with her by publishing a small book of poetry to wide critical success, earning her respect even more deeply. It is his absence that shows her how much she cares for him. While Rose is discovering her heart, Steve and a minor character, Kitty, engage to marry. This creates a new sensation in the family, and Kitty begins to look to Rose for sisterly guidance. Rose encourages her to improve her silly mind, and Kitty is a very willing pupil. Rose continues to wait for Mac's return but reaches a crisis when Uncle Alec becomes very sick while visiting Mac; Phebe nurses him back from the brink of death, at personal peril, and returns him to the anxious Campbells to be greeted as a triumphant member of the family, sealing her own engagement with Archie with everyone's blessing. This The story begins when Rose returns home from a long trip to Europe. Everyone has changed. As a joke, Rose lines up her seven cousins to take a long look at them, just as they did with her when they first met. The youngest, Jamie, accidentally mentions that the aunts want Rose to marry one of her cousins to keep her fortune in the family. Rose is very indignant, for she has decided ideas about what her future holds. From the beginning, she declares that she can manage her property well on her own and that she will focus on philanthropic work. Charlie has already decided she is marked out for him, with the approval of his mother. Rose in Bloom, written by legendary author Louisa May Alcott is widely considered to be one of the greatest books of all time. This great classic will surely attract a whole new generation of readers. For many, Rose in Bloom is required reading for various courses and curriculums. And for others who simply enjoy reading timeless pieces of classic literature, this gem by Louisa May Alcott is highly recommended. Published by Classic Books International and beautifully produced, Rose in Bloom would make an ideal gift and it should be a part of everyone's personal library. This unique collection includes pioneering feminist novels, rare stories, restored drawings, and hard-to-find writings from the author of Little Women After the success of her beloved masterpiece Little Women, Louisa May Alcott brought her genius for characterization and eye for detail to a series of revolutionary novels and stories that are remarkable in their forthright assertion of women's rights. This second volume of The Library of America's Alcott edition gathers these works for the first time, revealing a fascinating and inspiring dimension of a classic American writer. The first of a trio of novels written over a fruitful three-year period, *Work: A Story of Experience* has been called the adult Little Women. It follows the semi-autobiographical story of an orphan named Christie Devon, who, having turned twenty-one, announces "a new Declaration of Independence" and leaves her uncle's house in order to pursue economic self-sufficiency and to find fulfillment in her profession. Against the backdrop of the Civil War years, Christie works as a servant, actress, governess, companion, seamstress, and army nurse—all jobs that Alcott knew from personal experience—exposing the often insidious ways in which the employments conventionally available to women constrain their self-

determination. Alcott's most overtly feminist novel, *Work* breaks new ground in the literary representation of women, as its heroine pushes at the boundaries of nineteenth-century expectations and assumptions. *Eight Cousins* concerns the education of Rose Campbell, another orphan who, in her delicate nature and frail health, seems to embody many of the stereotypes of girlhood that shaped Alcott's world. But with the benefit of an unorthodox, progressive education and the good and bad examples of her many crisply drawn relations—especially her seven boy cousins—Rose regains her health and envisions a career both as a wife and mother and as a philanthropist. She insists that she will manage her own fortune rather than find a husband to do it for her in the sequel, *Rose in Bloom*. This Library of America edition includes several noteworthy features. All three novels are presented with beautifully restored line art from the original editions and are supplemented by seven hard-to-find stories and public letters (two restored to print for the first time in more than a century), an authoritative chronology of Alcott's life, and notes identifying her allusions, quotations, and the autobiographical episodes in her fiction. *Rose in Bloom*, by Louisa May Alcott, depicts the story of a nineteenth-century girl, Rose Campbell, finding her way in society. It is Alcott's sequel to *Eight Cousins*. The story begins when Rose returns home from a long trip to Europe. Everyone has changed. As a joke, Rose lines up her seven cousins to take a long look at them, just as they did with her when they first met. The youngest, Jamie, accidentally mentions that the aunts want Rose to marry one of her cousins to keep her fortune in the family. Rose is very indignant, for she has decided ideas about what her future holds. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes. Eight Cousins and Rose in Bloom 2 novels by Louisa May Alcott. Life with seven boy cousins isn't quite what Rose expected. Left an orphan after her father's death, Rose Campbell is sent to live at the "Aunt Hill" with her six aunts and seven rowdy boy cousins. For someone who is used to a girl's boarding school, it all seems pretty overwhelming. Her guardian, Uncle Alec, makes her eat healthy things like oatmeal, and even tries to get her to give up her pretty dresses for drab, sensible clothes. Will Rose ever get used to her uncle's crazy notions and all her noisy relatives? Complete and unabridged. Eight Cousins, or The Aunt-Hill was published in 1875 by American novelist Louisa May Alcott. It is the story of Rose Campbell, a lonely and sickly girl who has been recently orphaned and must now reside with her maiden great aunts, the matriarchs of her wealthy Boston family. As authors may be supposed to know better than anyone else what they intended to do when writing a book, I beg leave to say that there is no moral to this story. Rose is not designed for a model girl, and the Sequel was simply written in fulfillment of a promise, hoping to afford some amusement, and perhaps here and there a helpful hint, to other roses getting ready to bloom. Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision. "Oh, he is Jamie, the youngest brother of Archibald, and the pet of the whole family. Mercy on us he'll be in if they don't hold on to him!"The ladies' chat came to a sudden end just there, for by the time Jamie had been fished out of a hogshead, the steamer hove in sight and everything else was forgotten. As it swung slowly around to enter the dock, a boyish voice shouted, "There she is! I see her and Uncle and Phebe! Hooray for Cousin Rose!" And three small cheers were given with a will by Jamie as he stood on a post waving his arms like a windmill while his brother held onto the tail of his jacket. Yes, there they were Uncle Alec swinging his hat like a boy, with Phebe smiling and nodding on one side and Rose kissing both hands delightedly on the other as she recognized familiar faces and heard familiar voices welcoming her home. "Bless her dear heart, she's bonnier than ever! Looks like a Madonna doesn't she? with that blue cloak round her, and her bright hair flying in the wind!" said Charlie excitedly as they watched the group upon the deck with eager eyes. "Expansive, romantic, and powerful." —Gayle Forman, #1 New York Times bestselling author of *If I Stay* and *I Have Lost My Way* Susannah Ramos has always loved the water. A swimmer whose early talent made her a world champion, Susannah was poised for greatness in a sport that demands so much of its young. But an inexplicable slowdown has put her dream in jeopardy, and Susannah is fighting to keep her career afloat when two important people enter her life: a new coach with a revolutionary training strategy, and a charming fellow swimmer named Harry Matthews. As Susannah begins her long and painful climb back to the top, her friendship with Harry blossoms into passionate and supportive love. But Harry is facing challenges of his own, and even as their bond draws them closer together, other forces work to tear them apart. As she struggles to balance her needs with those of the people who matter most to her, Susannah will learn the cost—and the beauty—of trying to achieve something extraordinary. This carefully crafted ebook: "Eight Cousins & Rose in Bloom - A Sequel (Children's Classic)" is formatted for your eReader with a functional and detailed table of contents. Eight Cousins, or The Aunt-Hill is the story of Rose Campbell, a lonely and sickly girl who has been recently orphaned and must now reside with her maiden great aunts, the matriarchs of her wealthy Boston family. When Rose's guardian, Uncle Alec, returns from abroad, he takes over her care. Through his unorthodox theories about child-rearing, she becomes happier and healthier while

finding her place in her family of seven boy cousins and numerous aunts and uncles. She also makes friends with Phebe, her aunts' young housemaid, whose cheerful attitude in the face of poverty helps Rose to understand and value her own good fortune. The sequel to Eight Cousins is *Rose in Bloom*, which continues Rose's story into young adulthood, depicting courtship and marriage, poverty and charity, transcendental poetry and prose, family and friends. Louisa May Alcott (1832-1888) was an American novelist and poet best known as the author of the classic *Little Women* and its sequels *Little Men* and *Jo's Boys*. Alcott was an abolitionist and a feminist. Louisa May Alcott was an American novelist and poet best known as the author of the novel *Little Women* and its sequels *Little Men* and *Jo's Boys*. Rose is very indignant, for she has decided ideas about what her future holds. From the beginning, she declares that she can manage her property well on her own and that she will focus on

philanthropic work. Charlie has already decided she is marked out for him, with the approval of his mother. Phebe also comes home no longer the servant that Rose "adopted" but as a young lady with a cultured singing ability. Rose challenges anyone who would look down on "her Phebe," and she is readily accepted as part of the Campbell clan until Archie falls in love with her: the family feel that Archie would be marrying beneath himself. Phebe's pride and debt to the family make her wish to prove herself before she will accept Archie; so she leaves the Campbells' home and sets off to make a name for herself as a singer, to try to earn the respect of her adopted family. When Rose Campbell, a shy orphan, arrives at "The Aunt Hill" to live with her six aunts and seven boisterous male cousins, she is quite overwhelmed. How could such a delicate young lady, used to the quiet hallways of a girls' boarding school, exist in such a spirited home? It is the arrival of Uncle Alec that changes everything. Much to the horror of her aunts, Rose's forward-thinking uncle insists that the child get out of the parlor and into the sunshine. And with a little courage and lots of adventures with her mischievous but loving cousins, Rose begins to bloom. Written by the beloved author of *Little Women*, *Eight Cousins* is a masterpiece of children's literature. This endearing novel offers readers of all ages an inspiring story about growing up, making friends, and facing life with strength and kindness. *Eight Cousins*, or *The Aunt-Hill* was published in 1875 by American novelist Louisa May Alcott. It is the story of Rose Campbell, a lonely and sickly girl who has been recently orphaned and must now reside with her maiden great aunts, the matriarchs of her wealthy Boston family. When Rose's guardian, Uncle Alec, returns from abroad, he takes over her care. Through his unorthodox theories about child-rearing, she becomes happier and healthier while finding her place in her family of seven boy cousins and numerous aunts and uncles. She also makes friends with Phebe, her aunts' young housemaid, whose cheerful attitude in the face of poverty helps Rose to understand and value her own good fortune. *Rose in Bloom*, by Louisa May Alcott, depicts the story of a nineteenth-century girl, Rose Campbell, finding her way in society. It is Alcott's sequel to *Eight Cousins*. Orphaned Rose Campbell finds it difficult to fit in when she goes to live with her six aunts and seven mischievous boy cousins. Rare edition with unique illustrations. When Rose Campbell, a shy orphan, arrives at "The Aunt Hill" to live with her six aunts and seven boisterous male cousins, she is quite overwhelmed. the story of Rose Campbell, a lonely and sickly girl who has been recently orphaned and must now reside with her maiden great aunts, the matriarchs of her wealthy Boston family. When Rose's guardian, Uncle Alec, returns from abroad, he takes over her care. Through his unorthodox theories about child-rearing, she becomes happier and healthier while finding

her place in her family of seven boy cousins and numerous aunts and uncles. She also makes friends with Phebe, her aunts' young housemaid, whose cheerful attitude in the face of poverty helps Rose to understand and value her own good fortune. The sequel to *Eight Cousins* is *Rose in Bloom*, which continues

Rose's story into young adulthood, depicting courtship and marriage, poverty and charity, transcendental poetry and prose, family and friends. Louisa May Alcott (1832-1888) was an American novelist and poet best known as the author of the classic *Little Women* and its sequels *Little Men* and *Jo's Boys*. Alcott was an abolitionist and a feminist.
