matter has been presented in a student-friendly, simple and intelligible manner. In addition, the book contains a liberal sprinkling of charts and diagrams, so as to make the subject easily understandable and highlight its finer points. This successful textbook is highly regarded, especially in programs that want a solid, comprehensive text for students who sit for the CPA exam. The book is loosely organized into five sections which allow for flexibility in sequencing the topics. Many of the topics are illustrated by examples using a continuous case involving a fictitious company called Peerless Products Corporation and its subsidiary, Special Foods, Inc. This is an introductory level text for students undertaking accounting or business studies that offers a foundation to financial accounting. An interactive approach has been adopted to integrate the theory with practical situations. Presents complex materials in a clear and understandable manner. Incorporating the latest accounting standards and presenting the most up-to-date accounting theory from the top academic journals in accounting and finance throughout the world. With a comprehensive and accessible introduction to the subject, *Financial Accounting for Decision Makers* focuses on the ways in which financial statements and information can be used to improve the quality of decision making. The practical emphasis throughout the book ensures the material is always relevant, whilst the authors' style of introducing topics gradually and explaining technical terminology in a clear, friendly style caters for all students, whether on specialist accounting or non-specialist business degrees. *Financial and Managerial Accounting: The Basis for Business Decisions* continues to offer a solid foundation for students who are learning basic accounting concepts. Known for giving equal weight to financial and managerial topics, the authors emphasize the need for a strong foundation in both aspects of accounting. Hallmarks of the text - including the solid Accounting Cycle Presentation, managerial decision making, relevant pedagogy, and high quality, end-of-chapter material—have been updated throughout the book. Rated the most satisfying textbook by students in independent research, *Spiceland/Sepe/Nelson's Intermediate Accounting, 6th Edition*, has the quality, flexibility, and attention to detail students need to master a challenging subject. It's your Vehicle to Success in the Intermediate Accounting course and beyond! *Spiceland/Sepe/Nelson* provides a decision maker's perspective to emphasize the professional judgment and critical thinking skills required of accountants today. Reviewers, instructors, and student users of *Spiceland* have enthusiastically embraced the relaxed, conversational writing style that engages students in an enjoyable and effective learning experience. In addition, accounting's preeminent textbook website provides students a wide variety of electronic learning resources, including iPod content. Study Guide, Instructor's Manual, Solutions Manual, Testbank, and Website content are all created by authors, ensuring seamless compatibility throughout the *Spiceland* learning package. The end-of-chapter material is also written by the author team and tested in their own classes before being included in *Intermediate Accounting*. Few areas see the kind of rapid change that accounting does, and the *Spiceland* team is committed to staying current. The sixth edition fully integrates all the latest FASB Standards, and the authors are committed to keeping you updated with all relevant content changes throughout the edition. The success of every business in the hospitality industry depends on maximizing revenues and minimizing costs. *Hospitality Management Accounting, Ninth Edition* continues its time-tested presentation of fundamental concepts and analytical techniques that are essential to taking control of real-world accounting systems, evaluating current and past operations, and effectively managing finances toward increased profits.
