

- The department shall release the driver's license of the person convicted of violating the above regulations.
- Every stop must be made without obstructing traffic more than is necessary, and, if a damaged vehicle is obstructing traffic, the driver of the vehicle must make every reasonable effort to move the vehicle or have it moved so as not to obstruct the regular flow of traffic. Any person who fails to comply with this subsection shall be cited for a nonmoving violation.

1. Joe Biglietta was driving his car, a white 2007 Ford Explorer, and talking on his cell phone on his way to work. Witnesses say that he ran a red light at the corner of Main and Broadway and crashed into the driver's side door of Mary Churchill, who was driving a red 2004 Pontiac Grand Prix. Ms. Churchill was not wearing her seatbelt and suffered severe injuries to her head, her neck and her shoulder. It is unclear what type of injuries Mr. Biglietta sustained because as soon as he discovered that he could still drive his car, he left the scene before police arrived. Police found Mr. Biglietta at his home shortly afterwards. According to the above information, Mr. Biglietta will be charged with which of the following for leaving the scene of the accident?
- None because Ms. Churchill's injuries were caused by her failure to wear her seatbelt.
  - A nonmoving violation.
  - A felony of the second degree.
  - A felony of the third degree.

The correct answer to deductive reasoning sample question 1 is **(d)** "A felony of the third degree" because Mr. Biglietta has left the scene of a crash resulting in the injury of Ms. Churchill, and anyone who violates the regulations in the first paragraph of the procedures listed above will be guilty of a felony of the third degree. Answers **(a)**, **(b)**, and **(c)** are all incorrect. The law does not exempt Mr. Biglietta from remaining at the scene because Ms. Churchill was not wearing her seatbelt. A nonmoving violation citation would have been issued if Mr. Biglietta had made no effort to move his damaged vehicle from the intersection, thereby obstructing traffic, but nonmoving violation citations are not issued in the event of a driver leaving the scene of a crash that has resulted in injury. Finally, Mr. Biglietta would have been guilty of a felony of the second degree if Ms. Churchill had died in the accident, but because she had survived with injuries, he was guilty of a felony of the third degree.

#### *Deductive Reasoning Sample Question 2*

**Please use the following information to answer deductive reasoning sample question 2.**

#### **Sick Leave Policies:**

- If an employee of the police department knows that he or she will be late due to an illness or other emergency, that employee must contact his or her immediate supervisor before the shift begins to explain the situation and to provide an approximate time of arrival for duty.
- If an employee of the police department cannot work his or her shift due to illness or injury, then that employee must contact the highest-ranking supervisor available at the department at least three hours before the beginning of his or her shift. The supervisor will then notify on-duty members of the current shift that there is an opening in the upcoming shift. If no members of the current shift wish to work the upcoming shift, then members of the upcoming shift who have the day/night off will be contacted. Any members of the current or upcoming shift who fill the vacancy left by an ill or injured employee will be paid overtime.
- If an employee requires consecutive days off, the employee must contact the highest-ranking supervisor available at the department three hours before every shift that the employee will be unable to work. If an employee does not contact a supervisor the day/night after a sick day has been taken, then the supervisors will assume that the employee will work his/her assigned shift.
- If an employee fails to contact a supervisor when he/she is going to be late or absent, then that employee will be placed on leave without pay and will be subject to disciplinary action.
