Crimes Against Humanity The Struggle For Global Justice Geoffrey Robertson

Crimes Against Humanity Geoffrey Robertson, 2013-02-05 When it was first published in 1999 *Crimes Against Humanity* called for a radical shift from diplomacy to justice in international affairs In vivid non legalese prose leading human rights lawyer Geoffrey Robertson made a riveting case for holding political and military leaders accountable in international courts for genocide torture and mass murder Since then fearsome figures such as Charles Taylor Laurent Gbagbo and Ratko Mladic have been tried in international criminal court and a global movement has rallied around the human rights framework of justice Any such legal framework requires constant evolution in order to stay relevant and this newly revised and expanded volume brings the conversation up to date In substantial new chapters Robertson covers the protection of war correspondents the problem of piracy crimes against humanity in Syria nuclear armament in Iran and other challenges we are grappling with today He criticizes the Obama administration s policies around targeted killing and the trials of Khalid Sheik Mohammed and other high value detainees By rendering a complex debate accessible Robertson once again provides an essential guide for anyone looking to understand human rights and how to work toward a more complete blueprint for justice

Crimes Against Humanity Geoffrey Robertson, 2008 Geoffrey Robertson s *Crimes Against Humanity* is a superb and highly influential account of the history of the human rights movement up to the present day From the French Revolution and the Nuremberg trials to 9 11 and the invasion of Iraq Robertson traces the developing concept of human rights and shows how far we still have to go His inspiring narrative is both a masterly history and a clarion call to the global justice movement

Crimes Against Humanity Geoffrey Robertson, 2006-08-31 In this fresh edition of the book which has inspired the global justice movement Geoffrey Robertson QC explains why we must hold political and military leaders accountable for genocide torture and mass murder the crimes against humanity that have disfigured the world He shows how human rights standards can be enforced against cruel governments armies and multi national corporations This seminal work now contains a critical perspective on recent events such as the invasion of Iraq the abuses at AbuGhraib the killings in Darfur the death of Milosevic and the trial of Saddam Hussein Cautiously optimistic about ending impunity but unsparingly critical of diplomats politicians Bush lawyers and others who evade international rules this third edition will provide further guidance to a movement which aims to make justice predominant in world affairs A beacon of clear sighted commitment to the humanitarian cause impassioned exemplary seminal Observer

Crimes Against Humanity , 2000 *The Dogs of War* Robertson Geoffrey, 2012-11-01 **Crimes Against Humanity** Adam Jones, 2012-12-01 How we can stop the world s worst atrocities Murder extermination enslavement ethnic cleansing rape and torture all these

actions constitute crimes against humanity when carried out in a widespread or systematic way And unfortunately as is painfully apparent in the popular media every day the international community still has a long way to go in eradicating such atrocities In this compelling introduction Adam Jones outlines the history and current extent of key crimes committed against humanity and highlights the efforts of popular movements to suppress them Using examples ranging from the genocide in Darfur and Rwanda and the sex trade of Eastern Europe to the use of torture on American detainees Jones explores the progress already made in toughening international law and the current stumbling blocks which prevent full compliance with it Coherent and revealing Crimes Against Humanity A Beginner s Guide is essential for anyone interested in the well being of humanity and its future

All the Missing Souls David Scheffer,2013-01-27 This title is Scheffer s account of the international gamble to prosecute those responsible for genocide war crimes and crimes against humanity and to redress some of the bloodiest human rights atrocities in our time

Bad People - and How to Be Rid of Them Geoffrey Robertson,2021-05-04 Twenty years ago Geoffrey Robertson inspired the global justice movement with his ground breaking book Crimes Against Humanity Since then the movement has stalled as nationalism takes hold and populist governments retreat from international courts and refuse to comply with their rulings But there is an alternative The Plan B for human rights looks back to national laws to name blame and shame abusers It strips them of their right to enter democratic nations and of ill gotten funds they seek to deposit in global banks and it bars them and their families from schools and hospitals in these countries This book explains the background and potential of these laws which have been called Magnitsky Laws after Sergei Magnitsky a lawyer who died in a Russian jail after exposing state corruption Early versions of them have been introduced in the US Canada and Britain and they are now being considered in Australia Geoffrey Robertson argues in this book that the Magnitsky movement offers a potent solution to crimes being committed against humanity whether in America Russia China or Belarus These abuses are a concern for all human beings and good people are no longer prepared to tolerate them in their own country or elsewhere in the world The Magnitsky laws can show the way forward for the global justice movement in the twenty first century

The United States and Torture Marjorie Cohn,2012-04 Torture has been a topic of national discussion ever since it was revealed that enhanced interrogation techniques had been authorized as part of the war on terror The United States and Torture provides us with a larger lens through which to view America s policy of torture one that dissects America s long relationship with interrogation and torture which roots back to the 1950s and has been applied mostly in secret to enemies ever since The United States and Torture opens with a compelling preface by Sister Dianna Ortiz who describes the unimaginable treatment she endured in Guatemala in 1987 at the hands of the the Guatemalan government which was supported by the United States Following Ortiz s preface an interdisciplinary panel of experts offers one of the most comprehensive examinations of torture to date beginning with the Cold War era and ending with today s debate over accountability for torture

International Human Rights Michael Haas,2012-08-06 This book

provides a comprehensive introduction to international human rights international human rights law why international human rights have increasingly risen to world prominence what is being done about violations of human rights and what might be done to further promote the cause of international human rights so that everyone may one day have their rights respected regardless of who they are or where they live It explains how the concept of international human rights has developed over time the variety of types of human rights empirical findings from statistical research on human rights a listing of all international human rights agreements the newest dimensions in the field of human rights gay rights animal rights environmental rights Richly illustrated throughout with case studies controversies court cases think points historical examples biographical statements and suggestions for further reading International Human Rights is the ideal introduction for all students of human rights *The Tyrannicide Brief* Geoffrey Robertson,2008-12-10 Charles I waged civil wars that cost one in ten Englishmen their lives But in 1649 Parliament was hard put to find a lawyer with the skill and daring to prosecute a king who claimed to be above the law In the end they chose the radical lawyer John Cooke whose Puritan conscience political vision and love of civil liberties gave him the courage to bring the king to trial As a result Charles I was beheaded but eleven years later Cooke himself was arrested tried and executed at the hands of Charles II Geoffrey Robertson a renowned human rights lawyer provides a vivid new reading of the tumultuous Civil War years exposing long hidden truths that the king was guilty that his execution was necessary to establish the sovereignty of Parliament that the regicide trials were rigged and their victims should be seen as national heroes Cooke s trial of Charles I the first trial of a head of state for waging war on his own people became a forerunner of the trials of Augusto Pinochet Slobodan Milosevic and Saddam Hussein *The Tyrannicide Brief* is a superb work of history that casts a revelatory light on some of the most important issues of our time *The Putney Debates* The Levellers,2018-11-20 In a series of debates with Oliver Cromwell in Civil War England of 1647 the Levellers argued for democracy for the first time in British history Evolving from Oliver Cromwell s New Model army in Parliament s struggle against King Charles I the Levellers pushed for the removal of corruption in parliament universal voting rights and religious toleration This came to a head with the famous debates between the Levellers and Cromwell at St Mary s church in Putney London Renowned human rights lawyer and author Geoffrey Robertson argues for the relevance of the Levellers stand today showing how they were the first Western radical democrats *Human Rights in the 'War on Terror'* Richard Wilson,2005-10-03 This book reviews the war on terror since 9 11 from a human rights perspective *Human Rights And Asean: Indonesian And International Perspectives* Kevin Yi Tan,David Cohen,Aviva Nabahan,2021-01-26 *Human Rights in ASEAN Indonesian and International Perspectives* is a collection of 13 essays that not only offers fresh new insights on the different facets of human rights and their protection in ASEAN but also insider accounts of the development of the ASEAN Inter Governmental Commission for Human Rights These valuable perspectives have never been shared publicly and offer a view from both the state and non governmental organisations NGO perspectives In addition

to these valuable perspectives this book offers a number of significant case studies of how human rights has been implemented and the challenges it faces in ASEAN in general and in Indonesia particularly Bad People Geoffrey Robertson,2021-03-30 From the Nuremberg trials to the arrest of General Pinochet to the prosecution of barbarians of the Balkans we have crafted a global human rights law to punish crimes against humanity And yet today it is rarely applied the International Criminal Court has faltered populist governments refuse to cooperate the UN Security Council is pole axed and liberal democracy is on the defensive When faced with the torture of Sergei Magnitsky the murder of Jamal Khashoggi and the repression of the Uighurs what recourse do we have Distinguished human rights lawyer Geoffrey Robertson argues that our most powerful weapon is Magnitsky laws by which not only perpetrators but their accomplices lickspittle judges doctors who assist in torture corporations that profit from slave labour are named shamed and blamed Though the UK and the EU have passed nascent Magnitsky laws they are not deploying them effectively It is only by developing a full blooded system of coordinated sanctions banning human rights violators from entering democratic countries to funnel their ill gotten gains through Western banks and take advantage of our schools and hospitals that we can fight back against cruelty and corruption Bad People sets out a Plan B for human rights offering a new blueprint for global justice in a post pandemic world

[Human Rights after Hitler](#) Dan Plesch, 2017-04-20 *Human Rights after Hitler* reveals thousands of forgotten US and Allied war crimes prosecutions against Hitler and other Axis war criminals based on a popular movement for justice that stretched from Poland to the Pacific These cases provide a great foundation for twenty first century human rights and accompany the achievements of the Nuremberg trials and postwar conventions They include indictments of perpetrators of the Holocaust made while the death camps were still operating which confounds the conventional wisdom that there was no official Allied response to the Holocaust at the time This history also brings long overdue credit to the United Nations War Crimes Commission UNWCC which operated during and after World War II From the 1940s until a recent lobbying effort by Plesch and colleagues the UNWCC's files were kept out of public view in the UN archives under pressure from the US government The book answers why the commission and its files were closed and reveals that the lost precedents set by these cases have enormous practical utility for prosecuting war crimes today They cover US and Allied prosecutions of torture including water treatment wartime sexual assault and crimes by foot soldiers who were just following orders Plesch's book will fascinate anyone with an interest in the history of the Second World War as well as provide ground breaking revelations for historians and human rights practitioners alike

Crimes against Humanity M. Cherif Bassiouni, 2011-04-25 This book traces the evolution of crimes against humanity CAH and their application from the end of World War I to the present day in terms of both historic legal analysis and subject matter content The first part of the

book addresses general issues pertaining to the categorization of CAH in normative jurisprudential and doctrinal terms This is followed by an analysis of the specific contents of CAH describing its historic phases going through international criminal tribunals mixed model tribunals and the International Criminal Court The book examines the general parts and defenses of the crime along with the history and jurisprudence of both international and national prosecutions For the first time a list of all countries that have enacted national legislation specifically directed at CAH is collected along with all of the national prosecutions that have occurred under national legislation up to 2010
