[Radical Candor: Fully Revised & Updated Edition](#)    Sep 04 2021 \*  
New York Times and Wall Street Journal bestseller multiple years  
running \* Translated into 20 languages, with more than half a  
million copies sold worldwide \* A Hudson and Indigo Best Book of  
the Year \* Recommended by Shona Brown, Rachel Hollis, Jeff  
Kinney, Daniel Pink, Sheryl Sandberg, and Gretchen Rubin Radical  
Candor has been embraced around the world by leaders of every  
stripe at companies of all sizes. Now a cultural touchstone, the  
concept has come to be applied to a wide range of human  
relationships. The idea is simple: You don't have to choose  
between being a pushover and a jerk. Using Radical  
Candor—avoiding the perils of Obnoxious Aggression, Manipulative  
Insincerity, and Ruinous Empathy—you can be kind and clear at  
the same time. Kim Scott was a highly successful leader at  
Google before decamping to Apple, where she developed and taught  
a management class. Since the original publication of Radical  
Candor in 2017, Scott has earned international fame with her  
vital approach to effective leadership and co-founded the

Radical Candor executive education company, which helps companies put the book's philosophy into practice. Radical Candor is about caring personally and challenging directly, about soliciting criticism to improve your leadership and also providing guidance that helps others grow. It focuses on praise but doesn't shy away from criticism—to help you love your work and the people you work with. Radically Candid relationships with team members enable bosses to fulfill their three core responsibilities: 1. Create a culture of Compassionate Candor 2. Build a cohesive team 3. Achieve results collaboratively Required reading for the most successful organizations, Radical Candor has raised the bar for management practices worldwide.

Leaves of Gold Jun 06 2024 For more than 50 years, this classic anthology has been a popular compendium of inspiration. Every page of this treasured volume motivates, inspires and encourages the reader. The deluxe edition features 22-carat gold stamping and gold page edging.

Gold Nov 30 2023 A vibrant selection of poems by the great Persian mystic with groundbreaking translations by an American poet of Persian descent. Rumi's poems were meant to induce a sense of ecstatic illumination and liberation in his audience, bringing its members to a condition of serenity, compassion, and oneness with the divine. They remain masterpieces of world literature to which readers in many languages continually return for inspiration and succor, as well as aesthetic delight. This new translation by Haleh Liza Gafori preserves the intelligence and the drama of the poems, which are as full of individual character as they are of visionary wisdom. Marilyn Hacker praises Gafori's new translations of Rumi as "the work of someone who is at once an acute and enamored reader of the original Farsi text, a dedicated miner of context and backstory, and, best of all, a marvelous poet in English."

Proceedings (revised) of the Select Standing Committee on Banking and Commerce of the House of Commons on Bill No. 83

City of Gold Mar 03 2024 Award-winning journalist Jim Krane charts the history of Dubai from its earliest days, considers the influence of the family who has ruled it since the nineteenth century, and looks at the effect of the global economic downturn on a place that many tout as a blueprint for a more stable Middle East The city of Dubai, one of the seven United Arab Emirates, is everything the Arab world isn't: a

freewheeling capitalist oasis where the market rules and history is swept aside. Until the credit crunch knocked it flat, Dubai was the fastest-growing city in the world, with a roaring economy that outpaced China's while luring more tourists than all of India. It's one of the world's safest places, a stone's throw from its most dangerous. In *City of Gold*, Jim Krane, who reported for the AP from Dubai, brings us a boots-on-the-ground look at this fascinating place by walking its streets, talking to its business titans, its prostitutes, and the hard-bitten men who built its fanciful skyline. He delves into the city's history, paints an intimate portrait of the ruling Maktoum family, and ponders where the city is headed. Dubai literally came out of nowhere. It was a poor and dusty village in the 1960s. Now it's been transformed into the quintessential metropolis of the future through the vision of clever sheikhs, Western capitalists, and a river of investor money that poured in from around the globe. What has emerged is a tolerant and cosmopolitan city awash in architectural landmarks, luxury resorts, and Disneyfied kitsch. It's at once home to America's most prestigious companies and universities and a magnet for the Middle East's intelligentsia. Dubai's dream of capitalism has also created a deeply stratified city that is one of the world's worst polluters. Wild growth has clogged its streets and left its citizens a tiny minority in a sea of foreigners. Jim Krane considers all of this and casts a critical eye on the toll that the global economic downturn has taken. While many think Dubai's glory days have passed, insiders like Jim Krane who got to know the city and its creators firsthand realize there's much more to come in the City of Gold, a place that, in just a few years, has made itself known to nearly every person on earth.

Ship of Gold in the Deep Blue Sea \_\_\_\_\_ Dec 20 2022 "Titanic meets Tom Clancy technology" in this national-bestselling account of the SS Central America's wreckage and discovery (People). September 1875. With nearly six hundred passengers returning from the California Gold Rush, the side-wheel steamer SS Central America encountered a violent storm and sank two hundred miles off the Carolina coast. More than four hundred lives and twenty-one tons of gold were lost. It was a tragedy lost in legend for more than a century—until a brilliant young engineer named Tommy Thompson set out to find the wreck. Driven by scientific curiosity and resentful of the term "treasure hunt," Thompson searched the deep-ocean floor using historical accounts, cutting-

edge sonar technology, and an underwater robot of his own design. Navigating greedy investors, impatient crewmembers, and a competing salvage team, Thompson finally located the wreck in 1989 and sailed into Norfolk with her recovered treasure: gold coins, bars, nuggets, and dust, plus steamer trunks filled with period clothes, newspapers, books, and journals. A great American adventure story, *Ship of Gold in the Deep Blue Sea* is also a fascinating account of the science, technology, and engineering that opened Earth's final frontier, providing "white-knuckle reading, as exciting as anything . . . in *The Perfect Storm*" (Los Angeles Times Book Review). "A complex, bittersweet history of two centuries of American entrepreneurship, linked by the mad quest for gold." —Entertainment Weekly "A ripping true tale of danger and discovery at sea." —The Washington Post "What a yarn! . . . If you sign on for the cruise, go in knowing that you're going to miss meals and a lot of sleep." —Newsweek

*Three Feet from Gold* Dec 08 2021 "Most great people have attained their greatest success just one step BEYOND their greatest failure." -Napoleon Hill This remarkable business allegory tells a fascinating story in presenting the key principles of Napoleon Hill's revolutionary bestseller *Think and Grow Rich*. While you follow a struggling young entrepreneur through a life-changing series of encounters with some of today's foremost business leaders and inspirational figures, you'll find encouragement and motivation to believe in yourself, discover your own Personal Success Equation™, and to never give up. You are just three feet from gold! A century ago Napoleon Hill began the research that ultimately resulted in his extraordinary bestseller *Think and Grow Rich*. Since its publication in 1937, with more than 100 million copies sold worldwide, the book has inspired generations of men and women to turn their dreams into reality with its wise and effective principles of self-motivation, leadership, service, and achievement culled from Hill's interviews with visionaries of his day. Now, a hundred years later, in *Three Feet from Gold*, a young entrepreneur whose life is falling apart finds himself retracing Hill's steps after a serendipitous encounter with a powerful businessman who sees the young man's potential and sets him on a challenging journey of personal, spiritual, and financial growth. Sharon L. Lechter—co-author of the #1 New York Times best-seller *Rich Dad Poor Dad*—and Greg S. Reid— a successful author, and in-demand motivational speaker—have given

us more than the story of one man's dogged pursuit of success. They deliver an effective equation for accomplishing goals that calls for combining passion and talent, taking action with the right association, and above all else, having faith that you are on the right path.

Chain of Gold Feb 19 2023 "A brand-new series in the Shadowhunter world."--Cover.

New Varieties of Gold and Silver Coins, Counterfeit Coins, and Bullion Oct 30 2023 The title of this nail-biter is a deceiver. Yes, it's the Kennedys, here called the McCormacks, and, yes, it's the sixties, here called the seventies. An alternate universe like ours, but not. This president, aglow with Hollywood glamour, gets to live out two terms. His kid brother, the hard-edged one, gets a term of his own. The funhouse distortions continue. The Vietnam War, once popular and eagerly boosted by the brothers, is so out of favor it's threatening their survival. Now a once-loyal Pentagon analyst can prove the McCormacks have been lying about the war from the beginning, and the analyst is about to go public. (Remember Daniel Ellsberg?) The younger McCormack commissions a hit. He wants the analyst dead. The heft of the novel is the changing dynamic as killer and victim draw closer, and it's gripping, even in a time when people under 50 seem to think of Vietnam mainly as a tourist destination. When the expected violence happens, it's unusually moving because we've come to know both men well...

Streams of Gold, Rivers of Blood Jan 09 2022 In the second half of the tenth century, Byzantium embarked on a series of spectacular conquests: first in the southeast against the Arabs, then in Bulgaria, and finally in the Georgian and Armenian lands. By the early eleventh century, the empire was the most powerful state in the Mediterranean. It was also expanding economically, demographically, and, in time, intellectually as well. Yet this imperial project came to a crashing collapse fifty years later, when political disunity, fiscal mismanagement, and defeat at the hands of the Seljuks in the east and the Normans in the west brought an end to Byzantine hegemony. By 1081, not only was its dominance of southern Italy, the Balkans, Caucasus, and northern Mesopotamia over but Byzantium's very existence was threatened. How did this dramatic transformation happen? Based on a close examination of the relevant sources, this history-the first of its kind in over a century-offers a new reconstruction of the key events and

crucial reigns as well as a different model for understanding imperial politics and wars, both civil and foreign. In addition to providing a badly needed narrative of this critical period of Byzantine history, *Streams of Gold, Rivers of Blood* offers new interpretations of key topics relevant to the medieval era. The narrative unfolds in three parts: the first covers the years 955-1025, a period of imperial conquest and consolidation of authority under the great emperor Basil "the Bulgar-Slayer." The second (1025-1059) examines the dispersal of centralized authority in Constantinople as well as the emergence of new foreign enemies (Pechenegs, Seljuks, and Normans). The last section chronicles the spectacular collapse of the empire during the second half of the eleventh century, concluding with a look at the First Crusade and its consequences for Byzantine relations with the powers of Western Europe. This briskly paced and thoroughly investigated narrative vividly brings to life one of the most exciting and transformative eras of medieval history.

Race and Arab Americans Before and After 9/11 Oct 06 2021  
Bringing the rich terrain of Arab American histories to bear on conceptualizations of race in the United States, this groundbreaking volume fills a critical gap in the field of U.S. racial and ethnic studies. The articles collected here highlight emergent discourses on the distinct ways that race matters to the study of Arab American histories and experiences and asks essential questions. What is the relationship between U.S. imperialism in Arab homelands and anti-Arab racism in the United States? In what ways have the axes of nation, religion, class, and gender intersected with Arab American racial formations? What is the significance of whiteness studies to Arab American studies? Transcending multiculturalist discourses that have simply added on the category "Arab-American" to the landscape of U.S. racial and ethnic studies after the attacks of September 11, 2001, this volume locates September 11 as a turning point, rather than as a beginning, in Arab Americans'

How Much of These Hills is Gold Aug 28 2023 Newly orphaned children of immigrants, Lucy and Sam are suddenly alone in a land that refutes their existence. Fleeing the threats of their western mining town, they set off to bury their father in the only way that will set them free from their past. Along the way, they encounter giant buffalo bones, tiger paw prints, and the specters of a ravaged landscape as well as family secrets,

sibling rivalry, and glimpses of a different kind of future.

God and Gold Jun 25 2023 A stunningly insightful account of the global political and economic system, sustained first by Britain and now by America, that has created the modern world. The key to the two countries' predominance, Mead argues, lies in the individualistic ideology inherent in the Anglo-American religion. Over the years Britain and America's liberal democratic system has been repeatedly challenged—by Catholic Spain and Louis XIV, the Nazis, communists, and Al Qaeda—and for the most part, it has prevailed. But the current conflicts in the Middle East threaten to change that record unless we foster a deeper understanding of the conflicts between the liberal world system and its foes.

The New World of Gold Nov 18 2022

The House of Morgan Mar 11 2022 The National Book Award-winning history of American finance by the renowned biographer and author of *Hamilton: "A tour de force"* (New York Times Book Review). The House of Morgan is a panoramic story of four generations in the powerful Morgan family and their secretive firms that would transform the modern financial world. Tracing the trajectory of J. P. Morgan's empire from its obscure beginnings in Victorian London to the financial crisis of 1987, acclaimed author Ron Chernow paints a fascinating portrait of the family's private saga and the rarefied world of the American and British elite in which they moved—a world that included Charles Lindbergh, Henry Ford, Franklin Roosevelt, Nancy Astor, and Winston Churchill. A masterpiece of financial history—it was awarded the 1990 National Book Award for Nonfiction and selected by the Modern Library as one of the 100 Best Nonfiction Books of the Twentieth Century—The House of Morgan is a compelling account of a remarkable institution and the men who ran it. It is essential reading for anyone seeking to understand the money and power behind the major historical events of the last 150 years.

The True Gold Standard Apr 04 2024 Of the monetary reform plan -- Introduction -- The purpose of The True Gold Standard -- The properties of gold -- Restoration of the gold dollar -- How we get from here to there -- Conclusion. Appendix I: Excerpts from the United States Constitution -- Appendix II: Coinage Act of 1792 -- Appendix III: American monetary history in brief, price stability -- Selected bibliography -- Index.

Alchemical Active Imagination

Feb 07 2022 Although alchemy is

popularly regarded as the science that sought to transmute base physical matter, many of the medieval alchemists were more interested in developing a discipline that would lead to the psychological and spiritual transformation of the individual. C. G. Jung discovered in his study of alchemical texts a symbolic and imaginal language that expressed many of his own insights into psychological processes. In this book, Marie-Louise von Franz examines a text by the sixteenth-century alchemist and physician Gerhard Dorn in order to show the relationship of alchemy to the concepts and techniques of analytical psychology. In particular, she shows that the alchemists practiced a kind of meditation similar to Jung's technique of active imagination, which enables one to dialogue with the unconscious archetypal elements in the psyche. Originally delivered as a series of lectures at the C. G. Jung Institute in Zurich, the book opens therapeutic insights into the relations among spirit, soul, and body in the practice of active imagination.

Three Feet from Gold: Updated Anniversary Edition

Nov 06 2021

Updated and expanded anniversary edition of Three Feet from Gold  
This remarkable business allegory tells a fascinating story in presenting the key principles of Napoleon Hill's revolutionary bestseller, *Think and Grow Rich*. As you follow a struggling young entrepreneur through a life-changing series of encounters with some of today's foremost business leaders and inspirational figures, you'll find encouragement and motivation to believe in yourself, discover your own Personal Success Equation™, and never give up. You are just three feet from gold! A century ago, Napoleon Hill began the research that ultimately resulted in his extraordinary bestseller, *Think and Grow Rich*. Since its publication in 1937, with more than 100 million copies sold worldwide, the book has inspired generations of men and women to turn their dreams into reality with its wise and effective principles of self-motivation, leadership, service, and achievement culled from Hill's interviews with visionaries of his day. Now, a hundred years later, in *Three Feet from Gold*, a young entrepreneur whose life is falling apart finds himself retracing Hill's steps after a serendipitous encounter with a powerful businessman who sees the young man's potential and sets him on a challenging journey of personal, spiritual, and financial growth. Sharon L. Lechter—co-author of the #1 New York Times best-seller *Rich Dad Poor Dad*—and Greg S. Reid—a successful author and in-demand motivational speaker—have given

us more than the story of one man's dogged pursuit of success. They deliver an effective equation for accomplishing goals that calls for combining passion and talent, taking action with the right association, and above all else, having faith that you are on the right path.

The Big Reset May 13 2022 Describes the history and characteristics of our current financial system by showing the true value and background of money and the benefits of investing in gold.

Iron Gold May 01 2021 NEW YORK TIMES BESTSELLER • In the epic next chapter of the Red Rising Saga, the #1 bestselling author of Morning Star pushes the boundaries of one of the boldest series in fiction. "Mature science fiction existing within the frame of blazing space opera . . . done in a style [that] borders on Shakespearean."—NPR (One of the Best Books of the Year) They call him father, liberator, warlord, Slave King, Reaper. But he feels a boy as he falls toward the war-torn planet, his armor red, his army vast, his heart heavy. It is the tenth year of war and the thirty-third of his life. A decade ago Darrow was the hero of the revolution he believed would break the chains of the Society. But the Rising has shattered everything: Instead of peace and freedom, it has brought endless war. Now he must risk all he has fought for on one last desperate mission. Darrow still believes he can save everyone, but can he save himself? And throughout the worlds, other destinies entwine with Darrow's to change his fate forever: A young Red girl flees tragedy in her refugee camp, and achieves for herself a new life she could never have imagined. An ex-soldier broken by grief is forced to steal the most valuable thing in the galaxy—or pay with his life. And Lysander au Lune, the heir in exile to the Sovereign, wanders the stars with his mentor, Cassius, haunted by the loss of the world that Darrow transformed, and dreaming of what will rise from its ashes. Red Rising was the story of the end of one universe. Iron Gold is the story of the creation of a new one. Witness the beginning of a stunning new saga of tragedy and triumph from masterly New York Times bestselling author Pierce Brown. Don't miss any of Pierce Brown's Red Rising Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER

Green to Gold Mar 23 2023 From the Publishers Weekly review: "Two experts from Yale tackle the business wake-up-call du jour—environmental responsibility—from every angle in this thorough,

earnest guidebook: pragmatically, passionately, financially and historically. Though "no company the authors know of is on a truly long-term sustainable course," Esty and Winston label the forward-thinking, green-friendly (or at least green-acquainted) companies WaveMakers and set out to assess honestly their path toward environmental responsibility, and its impact on a company's bottom line, customers, suppliers and reputation. Following the evolution of business attitudes toward environmental concerns, Esty and Winston offer a series of fascinating plays by corporations such as Wal-Mart, GE and Chiquita (Banana), the bad guys who made good, and the good guys—watchdogs and industry associations, mostly-working behind the scenes. A vast number of topics huddle beneath the umbrella of threats to the earth, and many get a thorough analysis here: from global warming to electronic waste "take-back" legislation to subsidizing sustainable seafood. For the responsible business leader, this volume provides plenty of (organic) food for thought. "

Gold Regulations, Revised August 20, 1965

Jun 13 2022

The New World of Gold May 05 2024

The Burning Wheel Jan 01 2024

Gold Leaf Techniques Jan 21 2023

Meadows Of Gold Jun 01 2021 First published in 1989. Mas'udi was born in Baghdad about 896 AD, during the Caliphate of Mu'tadid and died in Egypt sometime around the year 956, eleven years after the Buwaihids, a Shi'a dynasty of Iranian origin, had occupied Baghdad and taken control of the Caliphate. His full name was Abu al-Hasan Ali ibn al-Husain ibn Ali ibn Abd Allah al-Mas'udi and he was notable as a Muslim historian. His two major works were Meadows of Gold (Muruj al-Dhahab) and the Book of Notification (Kitab al-Tanbih).

A New World of Gold and Silver Oct 18 2022 Using tax and mintage records, this book provides a district-by-district annual accounting of the gold and silver officially produced and minted in colonial Latin America, placing that output within the context of the emerging early-modern world economy.

The Last Bear Jul 03 2021 An instant classic with a bear-sized heart, Hannah Gold's debut novel is a touching story of kindness, adventure, and forging your own path—perfect for fans of Pax and A Wolf Called Wander. There are no polar bears left on Bear Island. At least, that's what April's father tells her when his scientific research takes them to a faraway Arctic

outpost. But one night, April catches a glimpse of something distinctly bear shaped loping across the horizon. A polar bear who shouldn't be there—who is hungry, lonely and a long way from home. An excellent choice for readers in grades 3 to 7, this fierce celebration of friendship includes full-page black-and-white illustrations throughout, as well as information about the real Bear Island and the plight of the polar bears.

Robert's Rules of Order Newly Revised In Brief, 3rd edition

Mar

30 2021 A short, concise and user-friendly guide to the essential procedures of conducting a meeting, written by the authors of Robert's Rules of Order Newly Revised, the only authorized edition of the classic work on parliamentary procedure Originally published in 1876, General Henry M. Robert's guide to smooth, orderly, and fairly conducted meetings has sold over six million copies in eleven editions. Robert's Rules of Order is the book on parliamentary proceedings, yet those not well versed on what has now become a rather thick document can find themselves lost-and delayed-while trying to locate the most important rules. The solution? Robert's Rules of Order Newly Revised in Brief. Written by the same authorship team behind the officially sanctioned Robert's Rules of Order, this short and user-friendly edition takes readers through the rules most often needed at meetings--from debates to amendments to nominations. With sample dialogues and a guide to using the complete edition, Robert's Rules of Order Newly Revised in Brief is the essential handbook for parliamentary proceedings.

New World Gold Sep 28 2023 The discovery of the New World was initially a cause for celebration. But the vast amounts of gold that Columbus and other explorers claimed from these lands altered Spanish society. The influx of such wealth contributed to the expansion of the Spanish empire, but also it raised doubts and insecurities about the meaning and function of money, the ideals of court and civility, and the structure of commerce and credit. New World Gold shows that, far from being a stabilizing force, the flow of gold from the Americas created anxieties among Spaniards and shaped a host of distinct behaviors, cultural practices, and intellectual pursuits on both sides of the Atlantic. Elvira Vilches examines economic treatises, stories of travel and conquest, moralist writings, fiction, poetry, and drama to reveal that New World gold ultimately became a problematic source of power that destabilized Spain's sense of trust, truth, and worth. These

cultural anxieties, she argues, rendered the discovery of gold paradoxically disastrous for Spanish society. Combining economic thought, social history, and literary theory in trans-Atlantic contexts, *New World Gold* unveils the dark side of Spain's Golden Age.

Out of Position Jul 15 2022 Dev is a football player at Forester University, a small liberal arts college where he and his teammates get to strut around and have their pick of the girls on Friday nights. That's as good as it gets-until he meets Lee, a fox with a quick wit and an attractive body. Problem is, Lee's not a girl. He's a gay fox, an activist who never dreamed he'd fall for a football player. As their attraction deepens into romance, it's hard enough for them to handle each other, let alone their inquisitive friends, family, and co-workers. And if school is bad, the hyper-masculine world of professional sports that awaits Dev after graduation will be a hundred times worse. Going it alone would make everything easier. If only they could stop fighting long enough to break up.

The Age of Gold Apr 23 2023

Buy Gold and Silver Safely Feb 02 2024 We Americans are never taught anything about gold and silver through our education system. That's why many gold dealers are able to easily rip off unsuspecting buyers of gold and silver. Financial advisors and journalists aren't giving you the truth either, as to how gold and silver fit into a properly diversified portfolio. So naturally, people are looking for answers. "Buy Gold and Silver Safely" provides those answers by explaining why gold and silver need to be a part of everyone's portfolio, and helping people learn about buying or selling gold and silver... the safe way.

The New Age of Gold Feb 27 2021 Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Hunting for Hidden Gold #5 Sep 16 2022 The Hardy Boys series, first published in 1927, has sold more than 70 million copies! Now with a brand-new look, this is an edition that collectors won't want to miss! In *Hunting for Hidden Gold*, the fifth book

in the incredibly popular, long-running series, Frank and Joe Hardy pursue a notorious gang responsible for a payroll robbery. A special treat for Hardy Boys fans and any reader who's new to the series!

Savor Every Bite      May 25 2023 Savor your food, soothe difficult emotions, and enjoy every moment with powerful mindfulness practices! Do you turn to food when you're feeling bored, depressed, or anxious? Do you judge your body for not fitting into some ideal shape or size? If so, you aren't alone. Diet culture has sabotaged our relationship with food and our bodies. As a result, many of us are confused—attaching shame to our food choices and judging our bodies. It's time to break free! Savor Every Bite offers powerful mindfulness and compassion practices for soothing difficult emotions and cultivating positive coping strategies. From psychologist and mindful eating expert Lynn Rossey, this book provides daily tips and tools for whole-body healing—including how to eat mindfully, move your body in ways that feel delicious, and live with greater ease and joy. With this guide, you'll learn mindfulness skills to help you navigate the difficulties of daily life and cultivate a lasting sense of calm, clarity, and profound happiness. It's time to start savoring your life!

Jeffrey Gitomer's Little Gold Book of Yes! Attitude

Jul 27 2023

Place of publication from publisher's website.

Kissing the Witch      Jan 26 2021 Thirteen tales are unspun from the deeply familiar, and woven anew into a collection of fairy tales that wind back through time. Acclaimed Irish author Emma Donoghue reveals heroines young and old in unexpected alliances--sometimes treacherous, sometimes erotic, but always courageous. Told with luminous voices that shimmer with sensuality and truth, these age-old characters shed their antiquated cloaks to travel a seductive new landscape, radiantly transformed. Cinderella forsakes the handsome prince and runs off with the fairy godmother; Beauty discovers the Beast behind the mask is not so very different from the face she sees in the mirror; Snow White is awakened from slumber by the bittersweet fruit of an unnamed desire. Acclaimed writer Emma Donoghue spins new tales out of old in a magical web of thirteen interconnected stories about power and transformation and choosing one's own path in the world. In these fairy tales, women young and old tell their own stories of love and hate, honor and revenge, passion and deception. Using the intricate patterns and oral

rhythms of traditional fairy tales, Emma Donoghue wraps age-old characters in a dazzling new skin. 2000 List of Popular Paperbacks for YA

Be Our Guest Aug 16 2022 Foreword by Michael D. Eisner. All organisations drive towards the same goal - how best to serve their customers. Walt Disney World has always enjoyed a reputation as a company that set the benchmark for outstanding business practices. Now, for the first time, one critical element of the method behind the magic is revealed: that of quality service. Here, their proven principles and processes are fully outlined, to help your organisation focus its vision and assemble its infrastructure to deliver exceptional customer service.

G is for Gold Medal Apr 11 2022 From the first games held in ancient Greece to the cultural extravaganzas of recent years, there have been some incredible and amazing events and milestones in the world of Olympic sports. Now in G is for Gold Medal: An Olympics Alphabet, writer Brad Herzog showcases those athletes and events that not only set sports records but also impacted history and world views. Learn the meaning behind the five interlocking rings featured on the Olympic flag. Cheer on American Jim Thorpe as he won the pentathlon and decathlon at the 1912 Olympics in Stockholm, Sweden, only to lose his medals later. Read how the man dubbed as the "world's laziest high jumper" won the gold in 1968 and later had a jump named after him. All these moments and more are brought to life in G is for Gold Medal. Brad Herzog has written travel and sports books for readers young and old. His books with Sleeping Bear include the best-selling H is for Home Run: A Baseball Alphabet. Brad lives on California's Monterey Peninsula. Doug Bowles has been a freelance illustrator for more than twenty years. His books for Sleeping Bear include One Kansas Farmer: A Kansas Number Book and S is for Sunflower: A Kansas Alphabet. Doug lives in Leawood, Kansas.
